Dear friends,

It gives me great pleasure to write you once again as your State President. There has been a lot of happenings since my last letter to our TIMA edition.

On 21/02/21, I attended the leadership orientation program at Nagapattinam for the office bearers of east and south zones. On the same day I attended the installation ceremony of new office bearers of IMA Tiruvavur.

On 23/02/21 I went to Chennai with regards to our land acquisition. On the 27&28th February 2021, I was in Courtallam to preside over the management committee meetings of FSS, PPLSSS including their trust board meeting and NHB along with FSC which was held on 27/02/21.

In the just concluded PPLSSS management committee meeting it was decided to enhance the premium paid, by one thousand (Rs. 1,000/-) to raise the compensation from five lakhs to ten lakhs and by two thousand rupees (Rs. 2,000/-) to raise the compensation from ten lakhs to twenty lakhs, keeping in mind the rising compensation level. In the same meeting it was resolved to appoint two past office bearers of PPLSSS to its trust board and the names will be announced in the state council meeting. It was also resolved to extend the period of Dr. Thangamuthu as legal chairman for one more term. He has been requested to train one or two members in the art of replying the notices served.

I was overwhelmed by the affection and hospitality shown by IMA Courtallam. I thank the office bearers and members of the host branch.

On 02/03/21, I again went back to Chennai for site visit and scrutiny of application for the election of Office bearers to FSS and PPLSSS. I am happy to inform you that the office bearers were elected unanimously and the new teams will be announced in the forthcoming state council meeting. At this juncture I want to congratulate the outgoing office bearers of the schemes for the stupendous work they have done in the most difficult situation and wish that the new team will continue the good work that has been done so far.

I will be failing in my duty if I don't mention about Dr. Thangamuthu, our legal committee chairman.

He has replied to nearly 245 notices and has lost only five of them. The compensation has never been more than five lakhs. Kudos to you Dr. Thangamuthu, we are proud of you.

On the same day we had a meeting of the fact finding committee and I along with other office bearers met the auditor and our advocate with regards to speeding up the investigation.

On 07/03/21, I visited Coimbatore to participate in the state level women's Day celebrations and I thank IMA Coimbatore for hosting such a wonderful program.

On 09/03/21, I went back to Chennai for a multitude of jobs. Along with Dr. Muthurajan I visited the change of site offered by the health ministry and it's better than the previous offered site. Later I joined Dr. Sridhar and Dr. Ravi Kumar in the advocate office to discuss the submission of documents as required by the investigation

That evening I was in Pollachi to participate in their installation ceremony where the national president Dr. Jayalal, myself and Dr. Raja were felicitated. Dear Friends and Colleagues,

It was a very busy month with a lot of meetings. A short glimpse into the financials of last year Jan 1st 2020 to dec 31st 2020 and the detailed income expenses will be shared with all in the State Council Meeting. Nothing that is extra ordinary has been spent but our income has come down due to reduced membership maybe be attributable to the covid situation and sincerely hope that it will pick up this year. The NATCON was self reliant and no expense on that front from the state office. We'd like to thank all those who donated for the same. The audited financial statement and the tax returns have been filed for the financial year till March 2020 and will be submitted in the AGM in Gobichettipalayam.

Keep safe and get vaccinated at the earliest.

Thanking you!

Yours in IMA Service

Each year we celebrate International Women's day on March 8th. This day was specifically chosen Internationally as it was the first time Women in Soviet Russia gained their right to vote in 1917. What was just celebrated by communist countries. As this movement spread across the world, it started gaining momentum. Since United Nations gave its approval International Women's day has been celebrated across nations and it marks the day to celebrate the spirit of Womenhood.

This year theme of the Women's day is #choosetochallenge. Challenges come across to all of us, but only the bravest choose to challenge. When we choose to do certain thing, passion and dedication comes along. The idea of giving the theme was to make the world a gender equitable world in the post pandemic period. Women had beautifully stood equally to hold the world when it underwent a myriad of changes and challenges during the pandemic. Hence, it is only right that she chooses to

Dr. Narmada
Secretary
Women Doctor's Wing
IMA TNSB

challenge for a world with equal opportunities.

Some of us do have in our mind, that the Women's day is actually more one sided and increasing the importance of only women, Unfortunately, most of the men have commented that they also need Men's international day. This

is not true, as women still faces discrimination. Across the globe, there are still differences in the salaries offered, women are sneered when they opt for higher posts in organizations, women are not given choices in running the household. The unpaid and undocumented work of women in home like cooking, cleaning, running errands, taking care of younger siblings goes unnoticed and unappreciated. Working women are multitasking and several cases of severe depression and suicide still is happening in the society. Hence, it is imperative that we do our part in voicing out for gender equity.

***We need to #choosetochallenge
the gender discrimination***

Several of our women are also dying from

cancer. Breast cancer with 1.5 lakh new cases detected every year and cervical cancer with 1 lakh new cases detected every year are the first and third most commonest causes of cancer in India and both these are taking a heavy toll on them. However, both these cancers are easily preventable and vaccine is available for prevention of human papilloma virus (HPV) which can significantly reduce the burden of cervical cancer. In spite of this we still do not voice out and do our bit to help prevent breast and cervical cancer

***We need to #chooseto challenge
the spread of cervical
and breast cancer in India***

Every year India records around 1,50,000 cases against children of which 31.2% are

under the POCSO act. Most of them are happening in our immediate neighborhood and crimes are committed by the relatives of the children whom these innocent small humans have trusted. Though the law has been in force since 2012, still we are not able to do our part in establishing a one stop center for the abuse victims and most of cases are not brought for justice within the stipulated time. Apart from getting media attention and some talks in closed doors, India is yet to develop a robust system to penalize the criminals under the POCSO act. We know the facts, yet we have not voiced for bringing a stricter and immediate action for POCSO act which will bring down the sexual crime against children

***We need to #chooseto challenge to
bring a safe society to
our girl children.***

The list is endless and still we are a long way to bring gender equity. It will also be our pleasure to stop celebrating International women's day when we see an end to gender discrimination, when we have given a healthy life style to our women, when we have given a safe and secure life to our girl children.

IMA has spear headed in all women and child health related issues. They have been called to be on the decision-making committee on several of the policies that impacts the women and child care. We from women doctor's wing have taken up to challenge cancer and our members are very active in conducting awareness and cancer screening programs across the state. Hence, we are very sure that we will double our efforts as an organization and **#chooseto challenge** the problems that plague our women gender. ■

உலக தூக்க தினம் - மார்ச் 19

- ▶ தூக்கம் வாழ்க்கைக்கு மிகவும் இன்றியமையாதது.
- ▶ தூக்கப் பிரச்சினைகள் நிறைய நோய்களுக்கு ஆரம்பம்.
- ▶ ஆரோக்கியமான தூக்கத்திற்கு முதல் வழி, நமக்கு நல்ல தூக்கம் வேண்டும் என்ற எண்ணம்தான்.
- ▶ சீக்கிரம் படுக்கைக்குப் போய், சீக்கிரம் எழுந்து பழகுவது நல்லது (நமது படிப்பு, தொழிலுக்குத் தகுந்த மாதிரி சில மாற்றங்கள் தவிர்க்க முடியாதுதான்).
- ▶ எத்தனை மணி நேரம் தூங்கினால் நமது அடுத்த நாள் செயல்பாடுகள் பாதிக்கப்படாமல் இருக்கிறதோ, அவ்வளவு மணி நேரம் தூங்க வேண்டும்.
- ▶ படுக்கை அறை சுத்தம், வெப்பநிலை, சத்தம், வெளிச்சம் - தூக்கத்தைப் பாதிக்கும்.
- ▶ தூங்குவதற்கு இரண்டு மணி நேரத்திற்கு முன்பே சாப்பிட்டு முடித்துவிட வேண்டும். காபி, டீ நான்கு மணி நேரத்திற்கு முன்பே எடுத்துக்கொள்வது நல்லது. பால் அருந்தலாம். தூங்கப் போவதற்கு முன்பு நிறைய தண்ணீர் குடிப்பதைத் தவிர்க்கவும். நடு இரவில் சிறுநீர் கழிப்பதற்காக விழிப்பு வரலாம்.
- ▶ தூக்கப் பிரச்சினை உள்ளவர்கள் பகல் தூக்கத்தைத் தவிர்க்கலாம்.
- ▶ தூங்குவதற்கு முன்னால் மனதை 'ரிலாக்ஸ்' செய்யலாம் (பாட்டு கேட்பது, தியானம், புத்தகம்... அவரவருக்கு எது ஒத்து வருகிறதோ, அதைச் செய்யலாம்)
- ▶ டி.வி., கணினி, செல்போன் பயன்பாட்டைத் தவிர்ப்பது நல்லது.
- ▶ காலை, மாலை உடற்பயிற்சி நல்லது. ஆனால், இரவு நேரத்தில் கடினப் பயிற்சி, துரித வாக்கிங் தூக்கத்தைப் பாதிக்கும்.
- ▶ மன அழுத்தம் தூக்கத்தைப் பாதிக்கும். அதனை எப்படிக் குறைப்பது?
- ▶ தியானம், யோகா, மனம் விட்டுப் பேசுவது, பிரச்சினைகளுக்கான தீர்வுகளைக் கண்டு பிடித்தல்.
- ▶ கவலைப்படுவதற்கென்றே (தீர்வுகளைக் கண்டுபிடிப்பதற்கும்) தினமும் ஒரு குறிப்பிட்ட நேரத்தை ஒதுக்கலாம்.
- ▶ பகலில் கண்ட்ரோல் இல்லாமல் தூங்குவது, சத்தமாக குறட்டை விடுவது இவையெல்லாம் இருந்தால் 'Sleep Apnea' வியாதியாகக் கூட இருக்கலாம். உடனே மருத்துவரை அணுகவும்.

24 MARCH WORLD TUBERCULOSIS DAY

Each year, we commemorate World Tuberculosis (TB) Day on March 24th to raise public awareness about the devastating health, social and economic consequences of TB, and to step up efforts to end the global TB epidemic. The date marks the day in 1882 when Dr. Robert Koch announced that he had discovered the bacterium that causes TB, which opened the way towards diagnosing and curing this disease.

TB remains one of the world's deadliest infectious killers. Each day, nearly 4000 lose their lives to TB and close to 28,000 people fall ill with this preventable and curable disease. Global efforts to combat TB have saved an estimated 63 millions lives since the year 2000.

The theme of World TB Day 2021-"The Clock is Ticking"- conveys the sense that the world is running out of time to act on the commitments to end TB made global leaders. This is especially critical in the context of the COVID-19 pandemic that has put End TB progress at risk, and to ensure equitable access to prevention and care in line with WHO's drive towards achieving Universal Health Coverage.

The COVID-19 pandemic is in its second year and is unfortunately taking increasing medical

resources and attention away from providing necessary life saving diagnosis, medicine and care to people suffering from tuberculosis (TB). Alarming, in low and lower middle-income countries, TB remains the biggest infectious disease killer. We have now less than two years left to fulfill our promises and take action on the commitments made at the United Nations High-Level Meeting on TB in 2018 so, The Clock is Ticking. With this theme, the Stop TB partnership and all partners are

sounding the alarm that while World TB Day-more information on how you can take part in this exciting social media challenge will be shared at the official launch on 24 March.

Testing- there are two kinds of tests that are used to detect TB bacteria. The TB skin test and TB blood test (Quantiferon TB Gold assay). A positive TB skin test or TB blood test only tells that a person has been infected with TB bacteria. It does not tell whether the person has latent TB infection or has progressed to TB disease. Other test, such as a chest x-ray and a sample of sputum, are needed to see whether the person has TB disease.

Diagnosis- If a person is found to be infected with TB bacteria, other tests are needed to see

Dr.S. Jayaraman
Consultant Pulmonologist

President, IMA Chennai Villivakkam
and Ayanavaram Branch

if the person has latent TB infection or TB disease. Now a days we are performing Gene X-pert MTB test (CBNAAT) in all samples like sputum, pleural fluid and lymph node tissue etc to diagnose and to rule out Multi Drug Resistant TB. In India TB is sometimes overdiagnosed because the lung cancer symptoms and signs can mimic TB symptoms and signs. So the specimens to be tested appropriately before the treatment.

Treatment Regimens for Latent TB Infections (LTBI) - there are several treatment regimens recommended in the United States(CDC) for latent TB infection. The medications used to treat latent TB infection include the following.

Isoniazid (INH)

Rifapentine (RPT)

Rifampin (RIF)

Centre for Disease Control (CDC) and the National Tuberculosis Controllers Association preferentially recommend short course, rifamycin based, 3-or 4-months latent TB infection treatment regimens over 6 or 9 months isoniazid monotherapy. Short course regimens include:

Three months of once weekly isoniazid plus rifapentine (3HP)

Four months of daily rifampin (4R)

Three months of daily isoniazid plus rifampin (3HR)

Short course treatment regimens, like 3HP and 4HR, are effective, safe, and have higher completion

rates than longer 6 to 9 months of isoniazid monotherapy. Shorter, rifamycin-based treatment regimens generally have a lower risk of hepatotoxicity than 6H and 9H.

All TB disease patient are treated with standard regimen of Anti TB Treatment using 4 drugs in the intensive phase for 2 months and 3 drugs in continuation phase for 4 months in the dosage of 5 mg per kg of isoniazid, 10 mg per kg of rifampicin, 20 mg per kg of ethambutol and 25 mg per kg body weight of pyrazinamide along with vitamin B 6 supplementation. All the MDR and XDR TB patients are referred to dedicated TB centre for proper evaluation and treatment.

Conclusion: Tuberculosis is a number one infectious killer disease but TB is a preventable and curable disease. Tuberculosis is a notifiable disease. Meticulous screening and contact tracing and treatment adherence, health education about diet and cough hygiene are all important. ■

SPORTS COMMITTEE

Dear Seniors and Colleagues,

Warm greetings from sports committee TNSB.

We wholeheartedly thank everyone of you for the smooth, effective and safe completion of relay bike rally between Feb 1st to Feb 13th, 2021. Our special thanks to our state secretary Dr. A.K. Ravikumar, State President, Dr. P. Ramakrishnan, Finance Secretary Dr. N.R.T.R. Thiagarajan who initiated this idea and gave that opportunity to us.

We thank National IMA especially national president Prof. Dr. J.A. Jayalal for his cooperation in this project. We should thank each and every branch office bearers, active members who took part in this rally activities. We thank the district administration and police officials who helped us throughout the rally. We thank the supportive team like medical representatives, paramedics who actively took part in this rally. Last but not the least we thank our media people who spread this message to every corner of our State / Country. Hope myxopathy awareness reached the public in several interior towns of Tamilnadu through this rally.

2. The evergreen “Go green project of IMA Tamilnadu” has been initiated along with women’s day celebration. We (medicos) have to reach the hearts of the public & social activists & NGOs through these like social activities. Then we will get a public army to fight against myxopathy without much efforts. We have formed whatsapp group for all four zones and interested members motivated to join in it. In this project we have three agendas

(i) Tree plantation project activities by each and every member of all IMA branches of TNSB. Already state IMA has instructed every member to plant atleast 5 trees and to upload the photos in website created

by IMATNSB. (Villupuram branch does it every weekend for the past Two years). Credit goes to Dr. Saravananaraja and myself and like minded medical representatives.

(ii) Initiating the roof garden project from women’s day onwards by each and every member of women’s wing of all branches of IMA TNSB.

(iii) Rejuvenation of water bodies project (desulting lakes, ponds etc by each branch before rainfall.

Reward points will be given for all these projects. Maximum points to Rejuvenation of waterbodies then next to tree plantation then next to roof gardens. All branches to motivate their members to join whatsapp group formed for each zones/sports tnsb fb page and to post the periodical updates of their projects with photos.

3. IMA virtual walkathon or jogathon state wide by all women’s wing members on 8th march women’s day celebration were done and uploaded photos in sports committee Facebook page were done by many members.

4. Cricket matches held between Thirupur tigers and erode ima for cancer awareness and glaucoma awareness. & CNRaja rolling trophy match held at erode. Many branches had friendly matches within their territory.

5. Fitness group for IMATNSB created as advised by national sports committee member Dr. Kandasamy. Many are posting regular fitness workouts and yoga and other sports activities in it on regular basis.

The next one is planning annual sports meets in each zones and the winning team will be going for semifinals /finals. Probably we can start this around the month of june to August.

Any queries please feel free to call me.

Dear Esteemed members,

We IMA TNSB learnt that Labour Officers in some areas insisting on the minimum wages as per the GO dated 2.3.2018, but as per the GO No- MS116 dated 16.07.2019, with the representation of Indian Medical Association, the Govt has abeyance the previous minimum wages act GO dated 2.3.2018 and has formed the new committee for revision of minimum wages for employees in the Hospitals and Nursing Homes. Herewith concerned GO is attached for your reference.

Whenever the Labour officers visited your site just shown the G.O 2019 and face them with pride.

Regarding this matter IMA Office bearers with NHB Office bearers submitted the memorandum to labour commissioner, Government of Tamilnadu and requested to the needful – restrain the district level labour officers from insisting of tenets of older GO of 2018.

The NHB TNSB had a robust quarter for October to December 2020. We had 97 renewals and 3 new registration.

Thanking You!

Dear Esteemed members,

Greetings, on behalf of the Paramedical wing team. The new admissions were over by the end of January. Due to the pandemic, the number of students enrolled for our paramedical courses had declined by nearly 20% than the last year. But the number of institutions conducting the paramedical courses has increased.

Due to the Covid and also our repeated protests against mixopahy our State leaders could not spare time to get our Paramedical courses recognized by any Board or university. We will continue our efforts to get our courses recognized as early as possible.

Dr. C. THANGAMUTHU

FSS CHAIRMAN

Cell: 94430 22328 sailootmuthu@gmail.com

Dear Dear colleagues of IMA TNSB and brothers and sisters of FSS, Warm greetings to you all.

We sincerely thank all the members of FSS for your cooperation and support during our term of office - 2019 to 2021, and also for giving us the opportunity to serve as office bearers of FSS. As a team, we have done our work to the best of our ability for the safety and stability of our FSS scheme. We faced the unprecedented difficult situation due to two fold increase in the demise of our members and corresponding increase in DFC payment. Fall in the new cases of covid and arrival of vaccine gives us new hope. Since last 2½ months from 01.01.21, we had only 7 DFC claims, which we think is an indicator of ease of strain on FSS during 2021.

One cannot hope China will keep things as it was when Covid-19 broke out in 2019 from Wuhan. So it is no wonder WHO team could not find out the source of Covid -19 virus. Recently declassified documents of infamous U.S. Ex-President Nixon and his Secretary of State, Kissinger, show how their wrong foreign policies made communist China to enter the powerful U.N.Security Council. Also their role in India-Pakistan war of 1971. The whole world is suffering from it.

We have conducted 67th Management Committee Meeting and Annual General Body Meeting on 28th February 2021 at Courtallam. We thank IMA Courtallam Branch President Dr. Raghavendra Asranna, Hony. Secretary Dr. T. Balaji and members of Courtallam branch for their hospitality and wonderful arrangements. It was decided to conduct a meeting to review of the working of FSS-I after June 2021. We have honored the members who have worked for promotion of the scheme.

Analysis of working of FSS shows that the membership remains sturdily around 9,500 since last 5 years showing the confidence of the members in the scheme. We have to make the remaining non-FSS – IMA Members realize that it is a scheme to show the benevolent brotherly attitude to the family of our colleague, on his death.

We are thankful to our IMA TNSB President Dr. P. Ramakrishnan, Past President Dr. C.N. Raja, President Elect 2021 Dr. R. Palanisamy, Hony. State Secretary

FAMILY SECURITY SCHEME OF IMATNSB

**Dear Colleagues,
Warm Greetings from FSS of
IMA TNSB,**

The 26th due collection of FSS I is progressing well and till date we have received AFC from 4700 members. Unfortunately, despite much efforts, we could not convince and retain 41 members of FSS I and have to delete them for nonpayment of 25th Due after having sent the final notice by Registered Post with acknowledgement card.

In this year we have paid for 7 claims so far in FSS I and hope the disastrous Covid effect does not have a 2nd wave this year. The amalgamation of public sector banks and changing software has impacted the DD / Cheque clearance very badly and many DD's from Bank like Union Bank are returned as connectivity failure. We are making efforts to represent and have it cleared. The Finance Standing committee Meeting and the FSS Management Committee Meeting were held at Courtallam last month end and we had fruitful discussion regarding the welfare and growth of our Scheme. The AFC collection cannot be a fixed amount every year, it is dynamic and a function of the number of claims that have to be given. The inflow by AFC collection has to match the outflow in terms of Death Claims given. Our FSS Scheme is an amazing Scheme of the Doctors, to the Doctors for the benefit of the Deceased Doctors Family. Till today FSS has contributed to 858 Families to the tune of around **Rs. 133 Crores.**

I will be failing in my duty if I don't Thank the Vibrant MC Members who were always there to motivate members for joining the Scheme & to encourage them to pay on time. Dr.

Our Chairman, Dr. C. Thanga muthu, has been an amazing leader, a fatherly figure, strict but at the same time, willing to hear others ideas. Always shouldering the responsibility to the fullest. Helping, encouraging and always thinking of novel ideas for the betterment of the Scheme. The Review meetings which are held every month, without fail; his brain child was the single most important activity which has helped come up with solutions to the day to day challenges of our office. A simply amazing person, Thank You, Sir Our Auditors both at Erode & Trichy were very helping and timely in their presentation. Took keen interest in our work. Thank You, I will failing in my duty if I don't recognize the efforts of our all office staff, who were hard working, punctual, and sincere. Very polite to the telephonic enquires from our members. Thank You and Thank you once again for providing me with this, Once in a lifetime opportunity to be part of this great organization. I wish the New Team of Office Bearers taking over Next month, all the Very Best and I am sure our Scheme will grow from strength to strength for the welfare of our members

ஏமாற்றும் தராத மாற்றும்!

அன்புள்ள மருத்துவ நண்பர்களுக்கு,

இந்த இதழில் உங்களுக்கெல்லாம் மகிழ்ச்சியை ஏற்படுத்தக்கூடிய வகையில் இரண்டு நல்ல செய்திகளை உங்களுடன் பகிர்ந்து கொள்ளவுள்ளேன்.

முதலாவதாக, 28-02-2021 இல் குற்றாலத்தில் நடந்த PPLSSS -ன் செயற்குழுக் கூட்டத்தில் அண்மைக் காலத்தில் நுகர்வோர் பாதுகாப்புச் சட்டப் படியான வழக்குமன்றத் தீர்ப்புகளில் இழப்பீட்டுத் தொகையாக 10 இலட்சங்களுக்கு மேல் கட்டும்படி தீர்ப்புகள் வெளிவருவதால் நம்முடைய PPLSSS-ல் வழங்கப்படும் இழப்பீட்டுத் தொகையையும் உயர்த்த வேண்டுமென பல உறுப்பினர்கள் தொடர்ந்து கேட்டுக் கொண்டதையடுத்து, நம்முடைய PPLSSS இன் இழப்பீடாகக் கொடுக்கும் தொகையையும் அதிகரிக்க முடிவு செய்யப்பட்டது. அதன் அடிப்படையில் PPLSSS-ன் தலைவர் மற்றும் LEGAL ADVISOR என்ற முறையில் உறுப்பினர்களுக்கு அதிகச் சமையை ஏற்படுத்தாமல், அதே நேரத்தில் இழப்பீட்டுத் தொகையையும் அதிகரிக்கத்தக்க ஆதாரங்கள் அடங்கிய என்னுடைய வேண்டுகோளை ஏற்று PPLSSS-ன் செயற்குழுக் கூட்டத்தில் மாநிலத் தலைவர் மருத்துவர் பி. ராமகிருஷ்ணன், முன்னாள் தலைவர்கள் மருத்துவர் சி.என். ராஜா, மருத்துவர்களுக்கப்பாபதி மற்றும் PPLSSS -ன் முன்னாள் தலைவர் மருத்துவர் பிரகாசம், IMA-வின் செயலாளர்

மருத்துவர் ரவிக்குமார் மற்றும் அனைத்து உறுப்பினர்களும் ஏற்றுக்கொண்ட தீர்மானத்தை உங்கள் முன் வைப்பதில் மிகவும் மகிழ்ச்சியடைகிறேன்.

அ) புதிதாக PPLSSS இல் சேரவுள்ள உறுப்பினர்கள் ஐந்து வருடங்களுக்கு ஒருமுறை செலுத்தும் ரூபாய் 5 இலட்சத்துக்கான இழப்பீடு

1. GENERAL PRACTITIONER 6000 -க்குப் பதிலாக 7000 + ஜி.எஸ்.டி.
2. NON SURGICAL 7000 -க்குப் பதிலாக 8000 + ஜி.எஸ்.டி.
3. SURGICAL AND ANAESTHETIST 8000 க்குப் பதிலாக 9000 + ஜி.எஸ்.டி. செலுத்த வேண்டுமெனவும் தெரிவித்துக் கொள்கிறேன்.

மேற்கண்ட உறுப்பினர்களுக்கு இனிமேல் இழப்பீட்டுத் தொகை ரூபாய் ஐந்து இலட்சத்திற்குப் பதிலாக, ரூபாய் பத்து இலட்சம் வழங்கப்படும் என்பதையும் மகிழ்ச்சியுடன் தெரிவித்துக் கொள்கிறேன்.

ஆ) இதுவரை இழப்பீட்டுத் தொகையாக ரூபாய் பத்து இலட்சம் பெற்று வந்த உறுப்பினர்களின் இழப்பீட்டுத் தொகை, ரூபாய் 20 இலட்சமாக உயர்த்தப்படவுள்ளது என்பதையும், ஐந்து வருடங்களுக்கு ஒருமுறை புதிய உறுப்பினர்கள் கட்ட வேண்டிய கட்டணமானது,

1. GENERAL PRACTITIONER உறுப்பினர்கள்

செலுத்தி வரும் 11,000க்குப் பதிலாக 13,000 + ஜி.எஸ்.டி. செலுத்த வேண்டும்.

2. NON SURGICAL உறுப்பினர்கள் செலுத்தி வரும் 13,000 -க்குப் பதிலாக 15,000 + ஜி.எஸ்.டி.

3. SURGICAL AND ANAESTHETIST உறுப்பினர்கள் செலுத்தி வரும் 15,000 க்குப் பதிலாக 17,000 + ஜி.எஸ்.டி. செலுத்த வேண்டுமெனவும் தெரிவித்துக் கொள்கிறேன்.

மேற்கண்ட கட்டணங்களைச் செலுத்தி இழப்பீட்டுத் தொகையாக ரூபாய் 20 இலட்சம் வரை அவர்கள் பெறலாம் என்பதை மகிழ்ச்சியுடன் தெரிவித்துக் கொள்கிறேன்.

இ) முன்பே உறுப்பினர்களாக உள்ள PPLSSS -ன் உறுப்பினர்கள்

1. GENERAL PRACTITIONER உறுப்பினர்கள் 1,000 + ஜி.எஸ்.டி. யும்,

2. NON SURGICAL உறுப்பினர்கள் 1,000 + ஜி.எஸ்.டி. யும்

3. SURGICAL AND ANAESTHETIST உறுப்பினர்கள் 1,000 + ஜி.எஸ்.டி. யும் PPLSSS இன் அலுவலகத்திற்குச் செலுத்தி தாங்கள் பெறப்போகும் இழப்பீட்டுத் தொகையை ரூபாய் பத்து இலட்சமாக உடனே உயர்த்த 01-04-2021க்கு மேல் கட்டணத்தை செலுத்தும்படி கேட்டுக் கொள்கிறேன்.

ஈ) PPLSSS இல் ரூபாய் பத்து இலட்சம் இழப்பீட்டுத் தொகையைப் பெற இதுவரை

1) ரூபாய் 10,000 செலுத்தியுள்ள GENERAL PRACTITIONER உறுப்பினர்கள் ரூபாய் 2,000 + ஜி.எஸ்.டி. செலுத்த வேண்டுமெனவும்,

2) ரூபாய் 12,000 செலுத்தியுள்ள NON SURGICAL உறுப்பினர்கள் ரூபாய் 2,000 + ஜி.எஸ்.டி. செலுத்த வேண்டுமெனவும்,

3) SURGICAL AND ANAESTHETIST இதுவரை கட்டியுள்ள தொகை 14,000 யுடன் ரூபாய் 2000 + ஜி.எஸ்.டி. செலுத்த வேண்டுமெனவும் தெரிவித்துக் கொள்கிறேன்.

மேற்கண்ட உறுப்பினர்கள் சார்பாக இதுவரை வழக்குகளுக்குக் கொடுக்கப்பட்டு வந்த இழப்பீட்டுத் தொகை ரூபாய் 10 இலட்சம் இனிமேல் ரூபாய் 20 இலட்சமாக உயர்த்தப்படும் என்பதையும் தெரிவித்துக் கொள்கிறேன்.

உ) 21-03-2021 இல் கோபியில் நடக்கவுள்ள பொதுக்குழு கூட்டத்தில் இந்தத் தீர்மானம் என்று முதல் நடைமுறைக்கு வருமென்பது முடிவு செய்யப்பட்டு, உறுப்பினர்களுக்கு உடனே தெரிவிக்கப்படும் என்பதையும் தெரிவித்துக் கொள்கிறேன்.

மேற்கண்ட ஒரு நற்செய்திக்குப்பின் மீண்டும் ஒரு நற்செய்தியை உங்களுடன் பகிர்ந்து கொள்வதில் மகிழ்ச்சியடைகிறேன்.

அ) பாராளுமன்றத்தில் நிறைவேற்றப்பட்ட தீர்மானத்தின்படி, நுகர்வோர் பாதுகாப்புச் சட்டத்திலிருந்து மருத்துவத்துறை முழுமையாக நீக்கப்பட்டு விட்டதாக பாராளுமன்றத்திலும், ஊடகங்களிலும் அறிவிக்கப்பட்டாலும், EXCLUSION LIST-ல் வரவில்லை என்ற ஒரே காரணத்திற்காக நீதித்துறையினர் இன்றுவரை மருத்துவர்களுக்கு எதிராக, நுகர்வோர் பாதுகாப்புச் சட்டப்படி தீர்ப்புகளை வழங்குவதும், பல வழக்கறிஞர்கள் மருத்துவர்களுக்கு எதிராக நுகர்வோர் பாதுகாப்புச் சட்டப்படி நோட்டீஸ்களை அனுப்புவதும் அன்றாட வழக்கமாகிவிட்டது.

ஆ) சென்ற மாதம் 15-02-2021 முதல் இந்தக் கடிதம் எழுதும் 16-03-2021 இன்றுவரை 15 வழக்கறிஞர்கள் நோட்டீஸ்களையும், 4 வழக்குமன்ற நோட்டீஸ்களையும் நம் உறுப்பினர்கள் பெற்றுள்ளார்கள் என்பதைத் தெரிவித்துக் கொள்கிறேன்.

இ) இந்த அவலத்தை எப்படியாவது நீக்க வேண்டுமென நம் தேசியத் தலைவர் மருத்துவர் J.A. ஜெயலால் அவர்களிடம் தெரிவித்ததைத் தொடர்ந்து, அவர் என் வேண்டுகோளை ஏற்று, பிரச்சினைக்குத் தீர்வுபெற நல்ல தீர்ப்பைப் பெற உச்ச நீதிமன்றத்திற்கு செல்லலாமென்ற என் வேண்டுகோளை அவரும் முழுமையாக ஏற்றுக்கொண்டார் என்பதையும், அதற்கான பணிகளைத் தொடங்கிவிட்டோம் என்பதையும், இன்னும் இரு வாரங்களில் நாம் உச்ச நீதிமன்றத்திலும், பாராளுமன்றத்திலும் நிறைவேற்றப்பட்ட சட்டத்தை நடைமுறைப்படுத்தும்படி உச்ச நீதிமன்றத்தை அணுகவுள்ளதாக தலைவர் மருத்துவர் J.A. ஜெயலால் உறுதியளித்தார் என்பதையும் மகிழ்ச்சியுடன் தெரிவித்துக் கொள்கிறேன்.

ஈ) தலைவர் மருத்துவர் J.A. ஜெயலால் அவர்கள் தலைமையில் மிக்ஸோபதியை எதிர்த்து உச்ச நீதிமன்றத்தில் தாக்கல் செய்யப்பட்ட வழக்கு, 15-03-2021 அன்று விசாரணைக்கு எடுத்துக்கொள்ளப்பட்டு, அந்தத் துறைக்கு விளக்கம் கேட்டு நோட்டீசும் அனுப்பப்பட்டு விட்டது என்ற செய்தியை தங்களுடன் பகிர்ந்து கொள்வதில் மகிழ்ச்சியடைகிறேன்.

PPLSSS-ன் உறுப்பினர்கள் அனைவரும் நாம் எடுக்கவுள்ள புது முயற்சிக்கு ஊக்கமளிக்கும் வகையில் புதிய கட்டணத்திற்குச் செலுத்த வேண்டிய பாக்கித் தொகையை உடனே செலுத்தி, இழப்பீட்டுத் தொகையை அதிகரிக்க முழு ஒத்துழைப்பு கொடுக்கும்படி கேட்டுக் கொள்வதுடன், PPLSSS-ல் மேலும் பல புதிய உறுப்பினர்களைச் சேர்க்க வேண்டுமெனவும் வேண்டுகிறேன். ■

Respected Senior IMA leaders and my dear friends, Greetings from Dr.S.Nehru

With our PPLSSS Chairman Dr.K.Thangamuthu's abled guidance, we have raised the compensation amount to 10 lakhs from 5 lakhs and 20 lakhs from 10 lakhs but with minimal raise in the subscription, It is a golden chance to our PPLSSS members. Because, nowadays the litigation among the doctors are high and the compensation amount also has been raised. In this crucial situation, we have raised the compensation amount, only for the benefit of our PPLSSS members. In this regard, it will be announced in the oncoming General Body meeting.

During my tenure, last year, we were facing medical disaster caused by COVID-19. Amid this situation, we successfully ran the office administration with the expert guidance of our senior IMA leaders, IMA President and our Past presidents of IMA and all the district coordinators

During the period of our teamwork
