மருத்துவரின் பிரார்த்தனை

எல்லாம் வல்ல இறைவா,
உலகின் சிறந்த மருத்துவன் நீயே
உன்னை மண்டியிட்டு வணங்குகின்றேன்
உன்னிடமிருந்து நல்லதும், சிறந்ததும்
என்னை அடைய பிரார்த்திக்கின்றேன்.
எனது கரங்களுக்கு திறமையை தாரும்
எனது மனதிற்கு தெளிவான
பார்வையை தாரும்
இருதயத்திற்கு இரக்கத்தையும்
கனிவையும் தாரும்
எனக்கு அளிக்கப்பட்ட
சிறப்புத் தகுதியை
தக்க வைக்கும் எண்ணம்

ஒன்றுபட்ட எண்ணத்தையும்
வலிமையும் தாரும்.
என் மனதிலிருந்து தகாத எண்ணங்களையும்
உலகளவு ஆசையையும் அறவே ஒதுக்கி
பணி செய்திட அருளுமாறு
குழந்தை போன்று
உன்னை சார்ந்து வேண்டுகிறேன்.

கொடி வணக்கம்

இந்திய மருத்துவ சங்கத்தின்
உறுப்பினர்களாகிய நாம் நமது
தேசிய கொடியை வணங்க இங்கு
குழுமியிருக்கின்றோம். அதன் மகிமையும்,

வலிமையாகவும் அமையும்.
அக்கொடி காட்டும் வழியே நம்முடைய வழி.
தேசிய அமைப்பின் அங்கீகாரம் பெற்ற
உறுப்பினர்களாகிய நாம், நமது
பொறுப்புகளை உணர்ந்து உண்மையாக
நடந்து கொள்வோம் என்று உறுதி
கூறுகிறோம். அர்ப்பணிப்புடனும்

We are going for the appeal against the Court order permitting AYUSH Practitioners practicing Allopathic, we were also send a notice Baba Ramdev for the comment on the Allopathic practice.

A Doctor from Kanyakumari was insulted by the District Collector in front of the public, which is agitated by the IMA Members and solved the issue.

The issue of minimum wages is still pending, waiting for the new formation of committee and further decision.

We have given representation to extend the fire safety license for 5 years.

AGENDA 08 : ANNUAL STATE FINANCE SECRETARY REPORT BY Dr. V.N. ALAGAVENKATESAN : Wishing the leaders and the members on and off the dais, he said we have 16 Bank accounts at Theni and with the balance of Rs. 1,19,12,730/-. He displayed the main income and expenditures to the members. We have 22 Fixed Deposits for Rs. 6,46,40,167/-. He said the membership collection is better than last year, i.e Rs. 1,82,64,373/-.

Dr. K. Thangamuthu, PPLSSS Legal Committee Chairman : An internal audit Committee maybe formed to verify the accounts of the State Office. Hony. State Secretary replied that the forensic auditors are visiting the office and scrutinising the accounts every month and the same is submitted to FSC. As intimated earlier, anybody can come to the office and verify the accounts, he added.

State President Dr. R. Palaniswamy said, the demand of forming audit committee for the State office is already discussed in the Constitution amendment committee meeting and decided to elect / nominate the Internal Audit Committee for the State Office with an approval of the State Council.

Dr. M. Elangovan, IMA Thanjavur : Professional auditors will check the numbers, but our member internal auditor would verify the requirement and implementation of the programme.

When Dr. Bharathidhasan about to talk, State President stopped him stating he is not a member now, he cannot express his views in the meeting. Also, his suspension has not been revoked in any State Council Meeting.

Dr. J.A. Jayalal, Immd. Past National President : Dr. Bharathidhasan's suspension was approved in CWC and Central Council. If the suspension period is over, the member has to start applying like a new member, also there is no direct member for last three years. Hence, Dr. Bharathidhasan is not a member of IMA as on today. State President added that, if a member re-joins a branch, the branch should pass his membership in the GB, then State GB and in CWC.

Dr. K. Muthukumar, IMA Tiruchirapalli : When a member is a member of FSS and he is said to have suspended for some time, there is a big procedure to re-join IMA, the constitution has to be amended. State President said, as per constitution, he cannot be a members of FSS, if he is not an IMA Member, it will be verified and informed.

Dr. Balasubramanian, IMA Madurai : The balance sheet should have been more elaborative, if there is an annexure to the said subject.

ADOPTION OF AUDITED ACCOUNTS FOR THE YEAR 2021-22 : The 80th GB held on 28.09.2022 resolved to approve, adopt and pass the audited statement of Accounts of IMA TNSB by M/S Subashini associates for the period from 01.04.2021 to 31.03.2022 unanimously, as proposed by Dr. K. Selvam and seconded by Dr. R. Gunasekaran.

Dr. Ramakrishnan : The resolutions passed in the State Council Meetings and Management Committee Meetings are to be known to the members by the elected representatives to the SCM and Management Committees. The representatives are bound to pass the information what is passed in the SCM or the Management Committee Meeting. State President agreed to instruct the President and Secretaries of the branches and the representatives attending SCM and Management Committee Meetings to convey the resolutions passed in the meetings to other members, the GB / SCM meeting resolutions will be circulated within 90 days.

Dr. Ramakrishnan continued to say that the resolution passed in the 311th SCM is not correct, it is to be removed (Nobody should go to the Court), it is a democratic country, such a resolution not to be there.

Dr. A.K. Ravikumar, Immd. Past State Secretary : We need not to remove the resolution passed and adopted in the 312 SCM Meeting. As per the Constitution, a member should make use of all the amenities available in the Constitution before going to Court with the permission of the central IMA, it could have been written as “Nobody should go the Court directly”.

Dr. J.A. Jayalal, Immd, Past National President, IMA HQs. : Whenever a member applies for a membership IMA, he states that he obliges the rules and regulations of IMA. Any organisation would say that their member should not go to the court without utilising the avenues of their constitutional rights. After that going to court, nobody can question. Hence, it is expected a member should utilise the internal grievances mechanism under Branch, State and IMA HQs., before going to Court.

Dr. A.K. Ravikumar, Immd. Past State Secretary : He also requested to use the new logo approved in the previous AGM in all the communication and wherever required.

Dr. K. Muthukumar, IMA Tiruchirapalli : The word Passed or accepted may be used instead of adopted. General body is the supreme body of IMA TNSB. Wherever a member objecting something can be mention that he has objected the particular subject.

Dr. M. Valluvan, IMA Virudhachalam : The previous years' accounts also should come on this account statement, it should come from the beginning. The liabilities and the previous 8 years accounts are not mentioned in the statement of accounts. Is there any action on the Manager who dealt the accounts then? He said that he would not accept the account. State President Dr. R. Palaniswamy replied that the accounts for the year 2021-22 has already accepted by the members and passed.

Dr. S. Gowri Shankar, President IMA Gobichettipalayam : The elections are announced, members applying their nomination for various posts. How can we accept if a person is losing the contest and going to court! Members are going to the Court for such an issues, but not for the real causes and Junior members are not coming forward to join IMA.

Dr. R. Virudhagiri, IMA Kumbakonam : No resolutions were passed in the meetings and something else is going on after the meeting. It is wrong to say that a member should not go to the court. State President replied, it is to safeguard the images of IMA TNSB only and as told, they should utilise the avenues of the branch, state and the IMA HQs. before going to court.

Dr. K. Prakasam, Past State President : There is a clause in the Society Act that no one should go to the court unless exhausts all the avenues available under the constitution.

Dr. C. Thangamuthu, Past FSS Chairman : The resolution passed in 311st SCM resolution may be amended as“ No IMA member should go the court or to media unless exhausts all the avenues available under the constitution of IMA TNSB and IMA HQs.”, and not to damage the name of IMA, which is accepted.

AGENDA 09 : ADOPTION OF MINUTES OF 79th ANNUAL GENERAL BODY MEETING
: It is resolved to pass and approve the minutes of the 79th Annual General Body Meeting held at PSG Institute of Medical Sciences Auditorium, Peelamedu, Coimbatore on 11.12.2021 unanimously by the members with an amendment in the 8th resolution of 311th SCM held at PSG Institute of Medical Science Auditorium, Peelamedu on 12.12.2021, ie. **No IMA member should go the court or to media unless exhausts all the avenues available under the constitution of IMA TNSB and IMA HQs. and not to damage the name of IMA**”, is proposed by Dr. A. Zameer Pasha, Past State President and seconded by Dr. Renganathan.

Dr. V. Rajaselvam, IMA Service Doctors Wing Secretary : He requested the State President to instruct the Branch Presidents, Secretaries and the State Council Members to communicate the matters discussed in the General Body, State Council Meeting and the Management Committee Meetings, so as to avoid the communication failures, which is accepted by the State President.

AGENDA 10 : ADOPTION OF MINUTES OF 311st, 312nd & 313rd SCM RESOLUTIONS :

Dr. M. Elangovan, IMA Thanjavur : He objected to purchase the land for IMA TNSB from PPLSSS fund.

Dr. Ramakrishnan : What is the necessity of purchasing land for IMA TNSB by the amount of PPLSSS. FSS is collapsed. When there is a problem anticipated in PPLSSS, what is an emergency to buy a land? instead give certain concession in the scheme, which would encourage the members and all the schemes would come up. We are not the business people; we have to plan for the welfare of the scheme and the members.

Dr. M. Valluvan, IMA Viruthachalam : By which amount are you going to purchase the land? The excess in the schemes can be diverted and pay to the family of the deceased, ie. to bring the excess amount to the corpus amount of FSS and revive the scheme. Purchase of land is to be dropped.

Dr. P.R.V. Thirumoorthie, President-IMA Pollachi : It is planned to buy a land for the welfare of the members. Unless we purchase and land, how can we sit and talk like this? Purchase of land for the welfare of the members only.

Dr. R. Palaniswamy, President, IMA TNSB : It is not the real estate business, the property purchased in Chetpet and JVL Plaza at Teynampet for the welfare of the members where members come and stay. We want to build a community hall, convention centre, Central office, Rooms etc. for our members. It is difficult to get a land in the centre of the city. Hence, it is decided to buy at the peripherals where the area is fast developing. It has been discussed in last three State Council Meeting and finalised. We are going purchase the land in the name of IMA and PPLSSS only, PPLSSS is going to get its due share, we have to increase our image.

Dr. A.K. Ravikumar, Chairman, Property Purchase Committee : Purchase of land is not for business. The amount what we get as interest is very meagre. Hence, we decided to invest the amount in a property. One of the suggestion came up was to purchase the building within the city with all the facilities. Another suggestion was to buy a big land to plan for the future to have centralised office, IMA Paramedical University, Biomedical setup to look after the instrument/equipment of our hospital etc. In Cochin, the Kerala State have a very big building for the welfare of the members. We would like to have similar Building in Tamilnadu for the members, irrespective of what wing or scheme a members is attached. It is a very good proposal; we have to go for it.

Dr. S. Gowri Shankar, President IMA Gobichettipalayam : We need development in IMA, How can we reach to a new member where there is no development. Purchasing property is boost our image and not for business. It should be made very clear here whether PPLSSS would not release amount to this project only or any other project as well. PPLSSS is a scheme of IMA TNSB. This project has been passed in the past two State Council Meetings, how is it right to stop now?

Dr. K. Muthukumar, IMA Tiruchirapalli : As per the recent statement of PPLSSS Secretary, the cases are coming up more and more, the fund position is critical now, we are winning only 30% of

the cases, we have to think, is it right to take amount from PPLSSS! The group of members interested in buying the property can give guarantee by their property. It is said to have Rs. 1.5 Crore corruption on purchase of JVL Plaza property, which is in the court, such a scenario is it required to buy a land now? State President Dr. R. Palaniswamy objected the statement of the member and asking him, how can you say that there was a corruption on purchases of JVL Plaza property?

Dr. Muruges, IMA Karur and former Lok Sabha MP : I will be supporting the right decisions of IMA. I have received the All India team when they arrived Karur. During 1994, the organ donation bill was passed by the support of us only. It is my effort that MMC and Stanley Medical Colleges were got 250 Seats. As I am a public person, many of our members requested me to join IMA and I have joined in it. By fighting each other, we should not low our dignity. I will extent my full support to make IMA TN becomes the number one in India. In the GB meeting held during 2019 in Trichy, it was stated that around Rs. 8 Crores was misappropriated. Your effort to recover the lost amount is not sufficient. When Dr. P.K. Kesavan died, many of us not attended the last rights, I have attended and Dr. R. Palaniswamy attended. No body has gone to his house and extended their respect, it is an insult to IMA. FSS transactions are not transparent, it should be clear, it should be available in the website, account wise. I have already informed the President that I can get the land for IMA from the Central and State Govt. in a cheaper rate, why are we going to the farer place and buy a land. It is wrong on our part to send a so cause notice to late Dr. P.K. Kesavan, who is a dedicated person towards IMA. State President Dr. R. Palaniswamy replied stating that there was no so cause notice served to late Dr. P.K. Kesavan, denied the statement. Member withdrawn his statement. He continued stating, we have not given due respect to late Dr. P.K. Kesavan.

It is expected, the office bearers who is handing over and taking over is to be proper. The corrupted members are to be removed from IMA. A new insurance scheme may be implemented for the sake of the young Doctors that Accident Insurance scheme with a premium of Rs. 1000/- only which would fetch around Rs. 33 Lakhs. Certain amount may be releases as advance to a member ailing for certain disease from FSS I and II. All the Members will have the right to go to Court if they did not get remedy from IMA.

Dr. A. Zameer Pasha, Past State President : General body is the supreme platform to express the views of each and every member of IMA TNSB. State Council members are the executive members to decide the matters to run the association, who would come and report to the branch. He praised the office bearers for doing wonderful work. As it was mentioned, the accountings are to be presented properly in the General body meeting. Properties are required to bring up our image, where we meet often. The General body should be able listen everybody, leaving the misunderstandings.

Dr. Ramakrishnan :What is the urgency of purchasing the land now? The source of fund to buy a land can be clarified from the members.

Dr. V. Saravanan, State Vice President North Zone : We are not purchasing the land to do real estate business, but landmark building which should be recognised all over the state. IMA TNSB should be known to everybody. Third planning commission has extended the area of Chennai from Arakonam to Acharapakkam, where the proposed land would be the centre of the city. The land

proposed can have convention centre, central office, even a big hotel which can be rented out. It is better to buy the land from the amount we able to mobilise now.

Dr. A. Dunston Ramesh, IMA Kanyakumari : The land planned to purchase can be in Chengalpet district which is approaching towards Chennai for all the districts, would be comfortable for all the members.

Dr. K. Thangamuthu, Legal Committee Chairman : We would also interest in the growth of IMA, no one can have a doubt on it. The amount from PPLSSS had been used to purchase property in the past. Now also we would like to buy a property individually by PPLSSS to bring good name to IMA, the property can be utilised in case of any eventuality by PPLSSS. PPLSSS cannot sell the property of JVL and Spur tank road as it was the joint venture, it is difficult. Secondly, sparing Rs. 12 Crores, running PPLSSS with Rs. 6.00 Crores is difficult. Our intension is that the PPLSSS members should not affect. If PPLSSS is independently purchase the property and used for all the IMA members, it is accepted by us. Call for a General body meeting of PPLSSS, seek a opinion of the members, purchase the property in the name of PPLSSS so as to sell the property in case of any eventuality.

Dr. R. Palaniswamy, State President : We are going buy this property as it was JVL Plaza and Spur Tank road property, with a due share to PPLSSS.

Dr. C. Thangamuthu, IMA Gobichettipalayam : There was no notice no intimation on the General Body meeting held on 14.08.2022. He requested the PPLSSS office to send independent intimation about the GB to all its members. Another GB may be called for to PPLSSS. The GB held at JVL did not permit Rs. 12 Crore for this project.

State President replied, the two PPLSSS meetings held was intimated to all the members through TIMA Newsletter, no individual invitation was sent, if any change required, it is to be brought in the constitution. As per the resolution passed in the GB meeting held in JVL plaza, 50% of the expenditure would be incurred by PPLSSS, however it is accepted in the subsequent SCM for Rs. 12.00 Crores.

Dr. M. Valluvan, IMA Virudhachalam : I am a PPLSSS members since beginning. Views of all the members of PPLSSS is to be heard to use the fund of PPLSSS. E-voting may be initiated to know the view of the members.

Dr. K. Prakasam, Past State President : It is not possible to sent individual invitation for GB, it is announced in the TIMA as usual. The practice adopted to purchase JVL will be followed now also, purchase in the name of PPLSSS and allowing IMA as a party. State IMA can put a MOU with PPLSSS assuring to take care of PPLSSS for any eventuality. If IMA fund improves, the PPLSSS amount can be settled and the property may be changed in the name of IMA. The name of members objecting the move can be registered in the minutes.

Dr. Gopalakrishnan, IMA Cuddalore : FSS has done a fantastic work even during the Covid time, however we may incur Rs. 2.00 Crore loss. The active members now are 9140. Approximately Rs. 18 Crores will be handed over to 100 families from the Fraternity contribution.

There are many did not pay the 27th and 28th due and their name would be deleted and the active number will go down and the fraternity contribution would be only Rs. 16 Crores, a loss of Rs. 2/- Crores. State President said, the Corpus fund available now is around Rs. 14 Crores, better than last year, hence won't be any crisis. Member also insisted for the Accident Insurance scheme.

Dr. S. Gowri Shankar, President IMA Gobichettipalayam : Members should not break PPLSSS from IMA. As we individual invest money in the property for appreciation, we do it for IMA. Dividing PPLSSS from IMA hurt many of our members' feeling.

Dr. M.P. Senthil Kumar, Secretary IMA Tirupur : As per our members in Tirupur, unless there is no crisis in the PPLSSS, the amount can be utilised for IMA Project. He suggested to send an e-mail to all the members and get the opinion on the purchase of property.

Dr. Karunanithi, IMA Kumbakonam : Penalise all the person who held in misappropriate the funds of FSS.

Dr. J.A. Jayalal. Immd. Past National President : IMA is going to celebrate 100th year celebration, it is our dream that every IMA state office should have a paleaceous building like other state. IMA HQ is planning for a Rs. 100 Crore building, we will inaugurate the building on 2028. Dr. P.K. Kesavan was purchased the first property for IMA TNSB. He requested members to support the State President to built a good building for IMA TNSB. We should have a feeling that we are going to buy a property for IMA TNSB, irrespective of what scheme we are attached to. Without IMA there is no PPLSSS. The resolution passed in the SCM is valid which is passed by the representatives of every branch, which will be adopted in the General Body. If at all any change required, it will be referred to the CWC and not be amend. Instead of criticising FSS which has paid Rs. 173 Crores for 1076 Families, which is very strong, we will raise our voice to get our rights from the Government.

Dr. K.M. Abul Hasan, State President Elect 2023 : FSS Scheme is going on very strong. It will be further strengthened with the motivation of all our members. There are about 40000 qualified Doctors yet to become the members of IMA, they are our scope. We should work to attract to pull them to our fold. FSS will flourish in the days to come.

As the majority of the GB members are accepting to buy the land near Poonamallee in the name of IMA and PPLSSS, it is resolved to approve to purchase the proposed land near Poonamallee, proposed by Dr. S. Gowri Shankar and seconded by Dr. S. Kanagasabhapathy.

AGENDA 11 : ADOPTION OF IMA TNSB CONSTITUTION AMENDMENTS 2022 - REPORT BY IT CHAIRMAN Dr. S. KANAGASABHAPATHY : Constitution of IMA TNSB is to be amended every three years. Accordingly, 5 meetings of the Constitution amendment held in various places and amended as approved in the previous State Council Meetings. The amended Constitutions also placed in the website since 18.06.2022 and sent to the Presidents, Secretaries and the State Council members through e-mail to pass on the their members in the branches. He requested the members to approve the Constitution amendments.

Dr. R. Palaniswamy, State President : The resolution passed the General Body will be published through TIMA and announced through SCM within 90 days of time, adoption of the resolution only on the forthcoming GB only.

Dr. M.P. Senthil Kumar, Secretary, IMA Tiruppur : The Finance Secretary of the IMA branches may be permitted as State Council Member. State President replied, if a branch is eligible for a third member, Finance Secretary may be considered.

Constitution amendments are resolved to approve and adopt unanimously by the GB members, as proposed by Dr. K. Prakasam and seconded by Dr. A.K. Ravikumar.

Dr. M.S. Ashraf, Past State President : Any amendment to the constitution is to be brought to the State Council and passed for brought to the General Body for approval.

AGENDA 12 : TO RECEIVED INDIVIDUAL MEMBER / BRANCH PRESIDENT / SECRETARIES RESOLUTION SUGGESTION :

Dr. K. Muthukumar, IMA Tiruchirapalli : General Body is the supreme Body of IMA TNSB, which can be brought in to the Constitution. For important matters like FSS, a special GB or memorandum through email may be planned. Similarly, members of PPLSSS may be called to attend a GB and ask for a opinion on the money to be utilised for purchasing land. The resolution / minutes passed in the Past President's Council may be brought to the members.

Dr. R. Palaniswamy, State President : We have corpus fund of around Rs. 40 Crores in FSS. It can pay even better amount to the family of deceased members if the membership increased. We have to encourage the youngsters to join FSS.

Dr. M.S. Ashraf, Past State President : He asked the members not to propagate anything on the social media, but to write or talk to the office bearers for any issues.

Dr. C. Thangamuthu, IMA Gobichettipalayam : The membership of FSS is declining for last few months, where the State office has not bothered. State office has not taken any action of the office bearers who is the reason for the financial losses, and we do not understand what do the State Office say on this, what was the enquiry made and what was the outcome. There was no discussion point in the State Council meetings on this subject, even after the report of the fact-finding committee. There was no action of the loss of amount in the IMA TNSB, CGP, Guest House etc. You are in an association for the photo session with the member who was blamed for the loss of amount and issued so cause notice. No body is worried about the loss of the value of the property acquired by the grace of the Hon'ble Judge. We would have got certain income if we would have leased or rented out the property.

Dr. R. Palaniswamy, State President : There was a meeting with the auditor, advocate and other office bearers at JVL plaza where you were present, you know what was discussed. Last two years, you were the Chairman of FSS, we have to see what action you had initiated? We have appealed the High Court to issue direction to the Tambaram Court to speed up the case. The case is coming on next month (09-10-22). We are taking the possible steps to get the verdict fast.

When a member who is one of the cause for the misappropriation of fund, attending their branch meeting where I was invited, happened to be together in a photo. It is not right in our part to say no to anybody in their branch meeting. You have not taken any action on then the office bearers as the Chairman of FSS, but the present team sent a so cause notice and got reply.

During the meeting held at JVL Plaza, it was discussed whether to go for a revision petition on the misappropriate amount shown in the charge sheet, ie. Rs. 5.2 Crores, and decided not to go for revision petition, because it would take another two years and the amount may vary. Secondly, the value of the building was Rs. 2 Cores, which is came down as it is 4 years old building, buyers asking the building for very less price around Rs. 1.2 Crores. As the area the building located is isolated, it is difficult to rent it out or for lease. Also, it is our mind that we should not get in to the trap of anybody who would occupy and may not vacate when we ask for. We have taken all the effort the sell the property, but unable to dispose due to the factors mentioned above.

The is no IMA Members name in the charge sheet. Already the matter is the court. Then the office bearers were already appeared before the ED and the Fact Finding Committee. The case filed against Mrs. Sumathy was a criminal case, which would grant jail/imprisonment only. Unless we file civil case, we can't claim the amount, only ED can help getting the money back. In case of filing civil case, we have to deposit on refundable amount for 3% of the value we claim. After the discussion with the advocate, FSC Chairman and others, the plan of filing civil case is left. Also, 3 of our members impeded the case and they have the right to ask the court on this issue.

Dr. C. Thangamuthu, IMA Gobichettipalayam: Why don't you abolish the Past Presidents Council?

Dr. R. Palaniswamy, State President : Past Presidents are assembling during the State Council or as and when required and communicating their suggestion for the betterment of this organisation. We don't pay any TA DA, they are only the advisory body. Past President are sacrificed their life during their period as President in IMA TNSB, there is no reason to abolish the Past Presidents Council.

Dr. Radhakrishnan, IMA Chennai Pillar City : I have joined FSS as I have to pay the premium for 20 years only, but the rules have been changed to pay for a lifelong.

Dr. R. Palaniswamy, State President : Initially the rule to pay the premium was for 20 years only, which was changed in 2006 to pay for a life time after the discussion on the GB of the FSS and the financial advisors. If required now, the Management Committee and the GB of FSS is to be called and get the opinion, however the financial viability won't be there if it is allowed to pay only for 20 years.

Dr. Radhakrishnan, IMA Chennai Pillar City : As I have opted to pay only for 20 years, I will pay. If I am not settled the amount, I will go to the court.

Dr. R. Virudhagiri, IMA Kumbakonam : We have paid the amount believing the Trustees. Now they say they are not responsible, why don't you suspend them? It is replied by the President, any change in the rules of FSS is based on the decision of the Management Committee and the GB, but not the Trustees.

I asked for the amount paid to auditor? no reply to it. It is replied, no separate amount paid to auditor for FSS, it is paid through the fact-finding committee, which includes the wings and schemes.

Why did you purchase the property which is unable to sell and lease or rent out? It is replied, the property was new and it was assessed for Rs. 2 Crores, now the building is old, the rate is less.

Dr. K. Prakasam, Past State President : Past President Council is as per the provision of the constitution of IMA TNSB, it is also existing in the National IMA. It is an advisory body, discuss the matter and give their resolution. Organising FSS GB is the convenient of the members, office bearers and the State Office, unable to attend GB at distant place cannot be an excuse. It is the place where the members can express their views who were unable to attend SCMs. The matter resolved should not be discussed again and again in the succeeding meetings.

Dr. Ramakrishnan, IMA Pollachi : We are the most educated people in the society, let us behave like an educated people. Also, we can not discuss the matter which are already resolved, there are many other points needs to be discussed. One should not come and talk again and again, give a chance to others. Unparliamental words not to be used by the members.

Dr. K. Thangamuthu, Legal Committee Chairman : A resolution may be passed to write to Tamilnadu Medical Council and to Govt. of Tamilnadu to conduct online election for the posts in Tamilnadu Medical Council.

Dr. R. Palaniswamy, State President : We will write a letter to request the IMA Hqrs and Tamilnadu Medical Council to conduct Elections through online method.

Dr. S. Vallaban, IMA Perambalur : He requested for a room for the State Council members attending the State Council Meeting. State Council Members have been nominated from the branch and attending, but saying that the decisions taken in the SCM is not communicated to the branch is not right, it is the duty of the members attending SCM to communicate the decision taken to the members. Dr. R. Gunasekaran is contesting for the National Vice President, all our members should support and make him to win. The problems in the Govt. Doctors may be voiced to the Govt. along with the Govt. Doctors association.

Dr. Ramakrishnan : Our pains have been propagated by the Legal Action Group through whatsAapp and all of you might have read. He requested for a GB for FSS to be convened to express our views. The explanation what you are saying is not satisfactory to us. Now also a reformation committee may be selected and conduct the GB at Madurai before December. There is no Trustees board, who did not do anything good to us, which was rejected by the State President, as it is an unauthorised group.

Dr. M. Elangovan, IMA Thanjavur : Past President's council meeting is essential, but the resolutions passed may be revealed to the members. Justice Lakoti Library at JVL Plaza may be called along with the name of Dr. K. Thangamuthu, where lot of landmark verdicts are there. An effort maybe made to request the insurance companies to act promptly on our demands.

Dr. Sasiraj, IMA Thanjavur : Digitalisation is must in all the fields of India, Govt. may be requested through writing to accept the digital mode of payment in all times.

Dr. M. Valluvan, IMA Viruthachalam: FSS I and II is to be revived by asking their suggestion through Zoom meetings. Permanent trustees are to be removed and elect afresh.

Dr. K. Muthukumar, IMA Tiruchirapalli : IMA election can be held for a week. It will be decided by the Election Commission Chairman, State President replied.

Dr. G. Karthikeyan, Secretary, IMA Thanjavur : What are the criteria to become a President of any IMA Branch?

Dr. R. Palaniswamy, State President : Follow your Constitution. If there is no constitution, call for a General body and elect a President and other office bearers as per GB.

Dr. J.A. Jayalal, Immd. Past National President : Call for a General Body meeting and elect a President, He should have no disciplinary action pending against him.

Dr. Baskaran, IMA Thirukoilur : As in the API FSS, the contribution is made to the family of the deceased after the death of the member, we can all also do the same. Dr. J.A, Jayalal said, it would be discussed with the expert and can be implemented.

AGENDA 13 : ANYOTHER MATTER WITH THE PERMISSION OF THE CHAIR : Nil

AGENDA 14 : REPORT OF 77th STATE ANNUAL CONFERENCE OF IMA TAMILNADU : State President requested members to join the state conference and make the event very successful.

Dr. T. Senthamil Pari, State President Elect 2022 : The reasons for drawback of FSS is scam and negative propaganda. We, Myself and Dr. K.M. Abul Hasan has got a good plan to make the FSS very success, which will be announced in the State Council at Chennai. It will be one of the best schemes in India. Dear All, Greetings from NHB IMA TNSB!

The following were the activities of the NHB during this quarter.

MINIMUM WAGES : Regarding this myself and Dr. S. Karthick Prabhu, Chairman, NHB IMA TNSB on Tuesday i.e. 22.11.2022 went with a representation to meet the Hon'ble Miinister of Labour Welfare and Skill development Mr. C.V. Ganesan, Labour Commissioner and Additional Chief Secretary. We gave our Memorandum.

We have finally got the GO regarding the Minimum Wages, GO (D) No. 506, dated : 17.10.2022. For the time being this GO is enough for our members to face the Labour Department related problems regarding minimum wages.

We, from NHB are continuously giving our representations and meeting the Labour officials and the Ministers. From the day one from when the problem arised and were a part of the Previous Committee. 80% of the work was finished and the revised order was about to be released after one or two meetings.

INSURANCE : We have planned to hold a high-level Insurance Conference and meet all the Insurance companies soon.

We have given our representation on this as well to the Hon'ble Health Minister Mr. Ma. Subramanian, Health Secretary and The project Director, CMCHIS. We insisted about our long pending need from our Member Hospitals regarding Government Insurances under various schemes to be revised, as the charges are very low for the Hospitals. And made them understand on the hurdles and pain our member Hospitals are going through. And mentioned about the Pre-approval payments which are getting delayed from the Insurance companies even after the completion of Medical Managements & Surgeries. And about the denial of payment after giving final approval also putting us into a big trouble. Asked them to include IMA& NHB Members in the committee, as 70% of Healthcare for the people in Tamilnadu attended by Private Sectors.

BMWM : It has been decided to ask the Facilitators to maintain the rates already announced by the Coordination Committee. Every hospital should sensitize their hospital staff for proper segregation of BMW. We are taking steps to eliminate pure consulting rooms from consent and authorization.

SOLID WASTE MANAGEMENT : To have a facilitator meet soon

Appointment of Dist. Coordinators : 37 District Coordinators were selected and introduced. 1 district remains unfilled (Nagapattinam). The Roles and Responsibilities of the District coordinators are given to them.

Plan to run a State wide District Coordinators Training soon.

The President and Secretary of the Nagapatinam district should nominate suitable district coordinator.

Changing renewal system of NHB Membership : With the approval of all the leaders we have made changes in the Hospital Enrollment and Renewal policies. From January

2022 onwards, the NHB renewal will be done only in accordance with the Enrollment date, once in 5 years and not on December 31st of every year.

Amalgamation of General and Journal Account : As discussed in the Finance Standing Committee Meeting we have decided to amalgamate the General and Journal account to one account. So in future there will be only one account for NHB IMA TNSB.

As we are amalgamating the account, we have to close and reopen all the FD's and MMD's, by doing it we will be benefited with higher Interest rate (6.5%) for all our FD's and MMD's. Currently all our interest rates are low.

To Protect and Safeguard the interest of Nurses and Paramedical Staff

Muruganantham and Dr. S. Sivaramakannan as the members of TNMC.

He also high lighted the NMC norms for the members.

The various problems faced by IMA NHB and the actin initiated were shared to the members, ass follows.

- We are the largest Professional association for Doctors of Tamilnadu and the Nation consisting of more than 40000 in Tamilnadu and more than 4 Lakhs in India. As we are with the Govt. and for the public, we undertake the public related projects run by the Govt., but we could see certain challenges and we would bring to your knowledge and we hope, can be solved under your leadership.
- Hospitals are the institutions made for the public and the society which comprises of the Hospital owners, Doctors, Nurses, Technicians and other workers. It is not only for business, but also for service. The public and the entire staff benefit by the service of the Hospital. Mistakes may happen, where the individual may be punished, but not the entire hospital on which the surrounding public and the staff of the hospitals depend upon. We humbly request your consideration in taking action on the individual Doctor alone for any said mistake, but not the entire hospital.
- Hospitals are under the powers of Clinical Establishment Act. There are representatives in CEA in the state and district level. There are representations regarding closure of hospitals in the state. We request the Govt. to initiate the action on the hospitals, considering the opinion of the state and district level committees than closing the hospitals by the Govt. authorities themselves, which will bring more faith on the Government.
- CMCHIS under the DMK Govt. headed by Kalaignar called Kalaignar Kappettu Thittam was a boon to the public and the hospitals. The public found relief in various diseases treated through various private hospitals. The rates fixed were viable for the Doctors and Hospitals then. The wages and rates were reduced by the previous Government and no revision was made for last 10 years, even after number of representations made to the previous Government. Also Human resources, Equipment and all other overheads are increased substantially for the last 10 years. Hence, we request you to provide us viable rates for us to provide more efficient health care services to the community.

- The Minimum wages act 2018, for the Health care providers has certain discrepancies for various categories. On our representation to the previous Govt., a committee was formed involving IMA, Trade unions and Labour Unions and discussed about the solution. Due to the pandemic, the Committee formed could not function. After the formulation of the new Govt., we represented this issue to the Labour Commission, Secretary and the Labour Minister and requested a mutually accepted rate. In spite, we have found that the Hospitals are taken action under Minimum Wages Act 2018. Hence, we humbly request the present Government to consider and settle the minimum wages act issue at the earliest.
- We highly appreciate the Government's policy on implementing the Fire safety license by the hospitals, but we would also request the Govt. to kindly extend the validity period from 1 year to a period of 5 years.

But, there are incidences, the JD is closing the hospitals, where the Judge dismissed the case and said JD cannot close the hospitals such reasons. A resolution may be passed and send to the Government requesting **“to take the IMA representative of the district when even there is a problem reported under CEA Act”**. State President agreed to add this resolution.

Dr. Anbarasan, President-IMA Pattukottai : The quacks are to be eradicated.

Dr. Swaminathan, IMA Neyveli : Under MTP act, the JD can close the MTP room to safeguard the evidence, but he cannot close the hospital. The act of JDs. misusing CEA is to be condemned.

Dr. Bharathi, IM Thanjavur : There was a case in Thanjavur, where a complaint filed against the Lady Doctor for the patient died in the labour ward. The complaint is under investigation headed by the District collector. He suggested IMA Thanjavur to join the Lady Doctor and meet the District Collector and relieve her from the complaint.

Dr. S. Kanagasabhpathy, Past State President : The concerned lady Doctor revealed the matter to the IMA members very late, meantime the District Collector initiated action. However, it is come to know, the District Collector instructed the lady Doctor to have a practice where the surgical facilities are available, either in Thanjavur or Kumbakonam. Till she improves the infrastructure in the hospital, she cannot perform surgery in her hospital.

Dr. K.M. Abul Hasan, State President Elect 2023 : The CEA act was Doctors friendly till 2018. The following clause was added by the Govt. in 2018 in CEA, i.e. **Provided that where the competent authority is of the opinion that it is necessary or expedient so to do in the public interest, it may, for reasons to be recorded in writing, suspend the registration of any private clinical establishment without issuing any notice.**

Dr. Swaminathan, IMA Neyveli : It was IMA which supported to add JD in the forum of investigation under CEA.

Dr. R. Palaniswamy, State President : We pass a resolution that, **“On receiving compliant against any hospital, the district authorities should call for a meeting of the CEA members under the district (which includes the IMA member), and do necessary investigation before taking any action”.**

Dr. S. Karthick Prabhu, Chairman NHB : Every district, there is a District Cooriantor for CEA and for Anti quackery. He has to convene a District level meeting once in three months, unless which, he may be changed by IMA TNSB and nominate other person.

Dr. K. Prakasam, Past State President : In the past 6 closure of hospitals, either the district or the State formation has not taken any action. Hence, a Press meet can be called for, stating the existing laws are not adhered by the Govt. functionaries and acted against the hospitals and closed.

Q: What is the status of the property received through Court from Mrs. Sumathy?

It is replied by the State President replied that the property is to be sold and the amount to be remitted to FSS. But the amount quote by the buyers are very less, i.e 1.2 Crores, even less, for which we cannot sell. As per the previous SCM, it was requested by the members not to sell the property below the rate in which it was registered, waiting for the buyer who can quote a good rate.

Q: What is the further action on the so cause notices sent to the members?

We have received the same explanation what was received earlier, Hony. State Secretary replied and forwarded to the advocate. In the charge sheet and the complaint to ED, it is mentioned that Mrs. Sumathy and her accomplice were misappropriated the money. It may not be right to ask the same amount from other person, which would be advantage to Sumathy.

Q: It is true that Dr. TN. Ravishankar has given the signed cheque where she had adjusted the amount. Is there not any responsibility on Dr. TN. Ravishankar? As he has taken the moral responsibility for the misappropriation, what action on him?

There was a fact finding committee which enquired the whole matter, the Police enquired them, the matter is in the court, how can we take action?, We have received the reply that the responsibility over the entire episode has lies on all the office bearers, the matter is the court, the court verdict will be honoured.

Dr. K. Thangamuthu asked the State office bearers to write a matter to National IMA who would take action.

Q. Dr. A. Rajarajeshwar has took Rs. 2.00 Lakh from the State Office and not returned or settled. Even though a legal notice sent, no further action. What is the hesitations in collecting money from him? We would go to his office and demand the amount, unless which further action may be initiated.

State President replied, it was true that Dr. A. Rajarajeshwar received amount and he said to have spent for the work assigned to him. As more amount was requested for the said work, IMA TNSB stopped the assignment to him. The work was done by alternative ways.

Dr. Swaminathan: Then the State President and the Secretary can bear the loss and pay to State Office. As he had brought certain dispute, can he still use his previous portfolios in IMA in his day to day activities.

Dr. K. Prakasam, Past State President : Dr. B. Sridhar, then the State Secretary had given the amount to Dr. A. Rajarajeshwar. It was already asked by then the FSC Chairman Dr. C.N. Raja and issued so cause notice, why he should not be removed from IMA. If he removed from IMA, we may not get the amount back. A notice may be send to him stating to handover the money received or an action would be initiated to remove him from IMA.

Q: Dr. P.K. Kesavan, Past State President's photo may be put on the forthcoming TIMA and let the members know him.

State Secretary replied that it is decided to put his photo in full page.

Dr. M. Mariappan, State Asst. Secretary : The court verdict will come later with the recovery and fine amount to be recovered from the person convicted. Meantime, a resolution may be passed to collect the Legal expenses from the office bearers whose period the scam held, for the negligence of duties.

State President asked for a request, so as to decide in the General body meeting.

Dr. S. Karthik Prabhu, Chairman NHB : Unless it is proved that the person is committed mistake, we can not take action on him.

Dr. C. Thangamuthu, Past FSS Chairman :

Q. Why don't we dissolve the Past Presidents council as it is failed to for the purpose it is formed?

State President Dr. R. Palaniswamy : There is no justification to dissolve Past Presidents council. All the Past Presidents are committed and sacrificed their time to IMA, they suggest IMA TNSB whenever wherever required. Even we have added the Past State Secretaries also in the Past Presidents Council, it will be Past Presidents and Past Secretaries Council.

Q. Why not to appoint a separate criminal Lawyer in the scam case?

State President Dr. R. Palaniswamy : We have requested Mr. Anand David to appoint another person, if he is busy. Dr. C. Thangamuthu asked the State President, the additional criminal lawyer must be appointed on the concurrence of the state council only.

Dr. Swaminathan, IMA Neyveli

Q: Role of IMA in implementing Hospital Protection Act 48/2008 in Govt. Hospitals and institutions? In Panruti GH, a person abused a lady Doctor, FIR filed, but after few days the Doctor was forced to withdraw the case, which have come in the media.

We standby the Govt. Doctors, Hony. State Secretary Dr. N.R.T.R. Thiagarajan replied. The local IMA would be supported the Lady Doctor and if required, the State Office.

Q: In Virudhachalam GH, the in charge JD filed a case where FIR not registered, even the State Health authorities are not in favour of FIR.

State Secretary and State President replied to bring the matter to the local President and State Office for the support wherever required.

Dr. Swaminathan insisted the state office to write a letter to the health authorities to register a complaint and file FIR on the receipt of complaint under Hospital Protection Act.

Dr. K. Prakasam, Past State President : Under the Hospital Protection Act, we may request the Govt. to instruct the Police to file a FIR within the fixed period. FIR and Charge sheet should be time framed.

AGENDA 17

REPORTS OF THE IMA SCHEMES:

FSS:

Dr. Solomon Jaya, Secretary-FSS : Both the schemes are going on well. We have few resolutions in the recent Management Committee meeting. 1. Dr. Balamurali from Legal action group is misusing the post he holds by collecting FSS subscription amount into his account and collecting contributions from the members in an effort to file suit cases against FSS of IMA TNSB and IMA TNSB & hence it is decided to inform the Director of Public Health, Deputy Director of Public health and the Health Secretary through email. 2. Dr. TN. Ravishankar is the cause for the financial losses in FSS, he is not to be encouraged in the National level and forward the same to National IMA..

Deletion for FSS I is 30 and II is 130. Even if we delete the members, we able to pay the death claim of Rs. 18.00 L. New members rate is lower than the death rate, hence the membership is to be improved.

State President said the Corpus fund increased to Rs. 40 L in FSS I and II together.

Dr. C. Thangamuthu, Past FSS Chairman: As it is the membership is low, if we delete the unpaid, the membership and the amount will go down, we may have to reduce the death claim, which once again dissatisfy the members. Call the members discuss and find out the solution to settle the ongoing problems.

We may invite the 69 members who were sent a legal notice to us along with other members and try to settle the issue, State President added.

Court cases won 11 cases and lost 4 in Apr, May and June.

The land planned to purchase near Poonamallee is on the Highways within our budget. But, the recent judgements which made us to pay a lot. If it is continuing, we may not fulfil the objective of the scheme. A exclusive GB may be called for the PPLSSSS members and decide whether to purchase the land or not, it will be more legal.

Dr. K. Thangamuthu, Legal Committee Chairman : It will be right if we call for a GB meeting for the PPLSSS members and ask for the opinion. As it was consulted with the auditor, it will be right to buy a land in the name of PPLSSS and not with the IMA.

Dr. R. Palaniswamy, State President : When it was decided in the morning to buy the land with the share of PPLSSS and others, now showing reluctant is not right. The land will be purchased in the name of IMA PPLSSS as earlier projects. IMA TNSB is there for any

unforeseen financial crisis to settle the amount to the concerned, objecting to this is as someone is not respecting the State Council.

Dr. K.M. Abul Hasan, State President Elect 2023 : It was already decided in the past management committee meetings. Secretary-PPLSSS said, it was decided to pay Rs. 8 crores in JVL Plaza meeting and Rs. 12 Crores in Erode. Dr. C. Thangamuthu has written a letter stating the GB of PPLSSS not conducted properly to sanction Rs. 12.00 Crores. Hence, we will call for a Exclusive GB for PPLSSS and decide.

Dr. K.M. Abul Hasan continued saying, we have not skipped any procedure, where Dr. K. Thangamuthu said there is no exclusive GB for the project of purchasing land. Rules and regulations are separate for PPLSSS.

Dr. C. Thangamuthu : The PPLSSS GB meeting held at Erode, where I did not receive any notice, it is there in the TIMA only, there is no proper notice.

Dr. S. Karthick Prabhu, Chairman NHB : TIMA is the official correspondence for us. TIMA communication binds us all. There is no separate FSS no separate PPLSSS, everything is under IMA. When the parent body has passed a resolution and taken responsibility for PPLSSS, we should respect the resolution passed in the state council Meeting.

Dr.Gowrishankar, Secretary Paramedical Wing : It is a general matter, decided in the morning to purchase the land, it is not right to express the apprehension of the PPLSSS Secretary, it should have expressed during the discussion.

Dr. V. Rajesh Babu, Secretary AMS : When it is decided to purchase the land during the PPLSSS GB at Erode, what is the decision further required? The apprehension what the PPLSSS Secretary brining is wrong.

Dr. M. Mariappan, State Asst. Secretary : The parent body is conducting the State Council meeting, discussed this matter in the past state council meetings and passed, should have objected then. When the past SCM minutes are passed, expressing the apprehension now is not right, you may express you views in the forthcoming GB.

Dr. K. Prakasam, Past state President : It is not possible to conduct GB with 8000 members. When Rs. 12.00 Crores was accepted by the PPLSSS GB, nobody was bothered for 8000 members. Once the decision is taken in the GB, the decision remains good.

Dr. K. Thangamuthu, Legal Committee Chairman : The situation what we promised for Rs. 12 Crore is different. **The Supreme Court judgement came recently after the previous GB decision was not in favour of us.**

State President once again reiterated the members that the decision of the PPLSSS GB held to pay Rs. 12.00 Crores to purchase the land near Poonamallee is confirmed and IMA TNSB is there to help PPLSSS in case of any financial crisis. The property will be purchased on getting two or three proper legal opinion only. Wings and Schemes will support the purchase as approved, which is agreed by the Secretary-PPLSSS.

Dr. K.M. Abul Hasan, State President Elect 2023 : As we kept a ceiling for the payment, unless the no. of cases increases, it won't affect us much. We can spare the amount without any hesitation.

Dr. Srinivas, IMA Coimbatore: ALL FSS, PPLSSS etc. are coming under IMA TNSB, it is assured by the state office to look after PPLSSS for any eventuality.

Dr. Shanmugasundaram, IMA Coimbatore : As the project is approved in the past SCMs,, the balance amount in PPLSSS will be enough to meet the crisis, even it is required, the State Office there to help.

It is already assured by the State Office to take care on any problem. Our future generation will praise and enjoy the facility what we are trying to provide for them. He requested the Secretary PPLSSS to go along with the IMA TNSB.

Dr. S.S. Sugumar, Past State President : Hr requested the secretary PPLSSS to cooperate the State Office to purchase the land for us.

Dr. P. Manivannan, Secretary PPLSSS : It is already passed in the previous State Council meetings, the PPLSSS GB at Erode and in the morning here. However, I have raised now for more clarity in the decision.

PHYSICIAN'S PRAYER

*Dear Lord,
Thou Great Physician,
I kneel before thee
Since every good and
Perfect gift must come from thee.
I pray
Give skill to my hands,
Clear Vision to my mind
Kindness and Sympathy to my heart.
Give me singleness of purpose,
Strength to lift at least
a part of the burden
of my suffering fellow-men
And a true realization of the
rare privilege that is mine
Take from my heart all guile
and worldliness,
That with the simple faith of a
child I rely on thee!*

FLAG SALUTATION

*We, the members of
Indian Medical Association
stand here to salute
our national flag.
Its honour and glory
shall be our light and strength
and its course shall be our course.
We pledge our allegiance
to it and realizing our
responsibilities as the
accredited members
of this national organization,
We swear we will dedicate
everything in our power
to see it fly high
in the comity of nations.*

*Jai Hind!
Long Live IMA!*

INDIAN MEDICAL ASSOCIATION PRAYER

*May everybody be happy
May everybody be healthy
May everybody be free from pain
May everybody be free from sorrow
May we be the healing cure
Beyond every greed & lure*
