STATE PRESIDENT MESSAGE

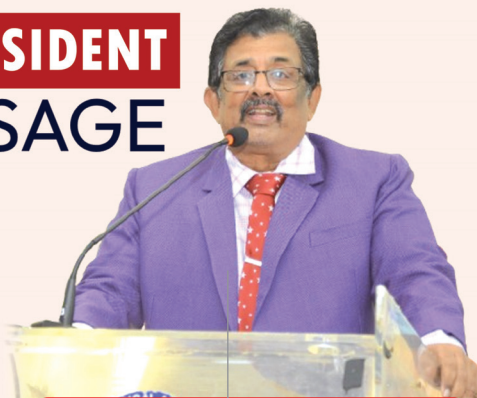

**Dear Friends
and Respected Seniors,
Greetings from IMA
Tamil Nadu State Branch!**

It gives me great pleasure to connect with you once again through the pages of TIMA.

At the outset, I would like to make up for an inadvertent omission in my previous message. We had a wonderful State Council Meeting in Chennai, made possible by the collective efforts of four branches from North Chennai. GAMPPA, Villivakkam, Ambattur Avadi and Red Hills joined hands and did a meticulous job in creating the perfect atmosphere for a productive and memorable meeting. My heartfelt gratitude and appreciation to the office bearers and members of all four branches for their excellent teamwork and hospitality.

The past month has also witnessed several enriching academic activities. The webinars organised by our Academic Committee, AMS and CGP have truly provided an academic feast for our members. My hearty congratulations to the office bearers of these wings and the Academic Committee for their dedicated efforts in promoting continuing medical education.

Another significant milestone was the signing of an MoU with Sri Ramachandra Institute of Higher Education and Research (SRIHER) for conducting a one-year Executive Certificate Programme in Advanced Healthcare Management, under the auspices of IMA NHB. We look forward to strengthening this association and exploring further academic collaborations with this esteemed institution. Our Honorary State Secretary will share more details about this important initiative elsewhere in this issue.

Dr. B. SRIDHAR

IMA State President

Cell: 94433 26427

Our Responsibility in the Fight Against Drug Abuse

On 16 July 2026, we participated in a Drug Abuse Awareness Programme at Hindustan College of Arts and Science, Chennai, organised by IMA Chennai South. Mr. Deepak Kaushik, Superintendent of Police, Narcotics Control Bureau, Chennai Zonal Unit, was the Guest of

Honour. His impactful address, enriched with real-life experiences, brought home the gravity of the drug menace confronting our society.

We were informed about the ongoing statewide campaign against drug abuse, being carried out in collaboration with CBSE schools across Tamil Nadu. Our Honorary State Secretary and I assured him of the wholehearted cooperation of IMA Tamil Nadu State Branch and our local branches across the State in supporting this important mission.

Dear friends, drug abuse among the younger generation, even among school-going children, is becoming a matter of serious concern. More worrying is the fact that the problem is no longer confined to cities but is increasingly reaching smaller towns and villages. In many instances, parents remain unaware of their children's addiction or find it difficult to accept the reality even when concerns are brought to their attention.

As a socially conscious professional organisation, IMA has a responsibility that extends beyond the walls of our hospitals and clinics. We have a duty towards the well-being of society, particularly our children and young people.

A nation can be weakened not only through war, but also by destroying the potential of its

younger generation. Drug abuse affects health, families, education, productivity and ultimately the intellectual and economic strength of society. It is therefore our collective responsibility to support every meaningful initiative undertaken by the State and Central Governments to combat this menace.

We may not be able to eradicate drug abuse completely, but through sustained awareness, early identification, counselling and community participation, we can certainly reduce its prevalence and protect many young lives.

As the familiar Tamil saying reminds us:

‘திருடனாய் பார்த்து திருந்தாவிட்டால் திருட்டை ஒழிக்க முடியாது.’

Our focus must therefore be not only on children and young people, but equally on educating and sensitising their parents. Prevention must begin at home, and awareness must reach every family.

Doctors’ Day and Staying Connected with Our Branches

July has been a month filled with Doctors’ Day celebrations across Tamil Nadu. I sincerely thank all the branches that were kind enough to invite me to participate in their programmes.

There is, however, a practical challenge! Almost every branch would like the State President and Honorary State Secretary to attend its function—and most programmes are scheduled on Sunday evenings. Unfortunately, there are only four Sundays in a month!

My tenure as President is only for one year, and naturally, it may not be possible for me to visit every branch during this period. But I want to assure you that I am always willing to visit your branch. It need not be a grand function. Invite me to your monthly meeting, a simple CME or any meaningful branch activity, and I will be happy to participate—without unnecessary formalities, as a fellow member of the IMA family.

For Doctors’ Day and other major branch functions, I also encourage branches to involve our Zonal Vice Presidents and State office bearers of our wings and schemes, particularly those

from neighbouring regions. This will strengthen interaction between the State and local branches and provide greater opportunities for our leaders to connect with members.

I would also like to share a thought for your consideration. I have noticed a growing tendency in some places to invite political leaders to IMA functions. IMA has, by and large, remained a non-political professional organisation, and I believe it is important that we preserve this identity.

My humble request to all our branches is: let us keep IMA away from partisan politics. Instead, let us involve our regional and State office bearers and maintain healthy professional relationships with district administrative officials and other authorities. Such relationships are important for our organisation and our members. I request each branch to reflect on this thoughtfully.

A Growing and Changing IMA

There are many positive developments that give us reason to be optimistic. We are adding new branches and welcoming more young doctors into our organisation. It is particularly heartening to see more women taking up leadership responsibilities and demonstrating their ability to lead effectively and handle challenging situations. IMA Sivakasi is a fine example of this encouraging change.

A stronger IMA must be younger, more inclusive, academically vibrant and socially responsible. With the enthusiasm of our young members, the increasing participation of women leaders and the wisdom and guidance of our seniors, I am confident that our organisation will continue to grow from strength to strength.

Let us remain united, stay connected with our branches, strengthen our academic activities and fulfil our responsibility to society.

With these positive thoughts, I wish you all a happy, healthy and fruitful month ahead.

Long Live IMA!

Yours in IMA,

- Dr. B. SRIDHAR

State President – 2026

IMA Tamil Nadu State Branch

STATE SECRETARY'S Desk Report

Dr. M. THIRAVIAM MOHAN

Hony. State Secretary

Mobile : 94421 23649 | thiraviammohanima@gmail.com

Dear Members, Greetings from IMA Tamil Nadu State Branch!

The past few weeks have been active and eventful for Team IMA TNSB 2026, with academic programmes, organisational meetings, professional advocacy, branch activities, community initiatives and memorable Doctors' Day celebrations across the State.

It has been a pleasure to participate in these programmes, interact with our members and work together on matters concerning our profession. I am happy to share some of the important activities and memorable moments of this period.

Governance, Compliance and Professional Welfare

- On 17 June 2026, the GSTR-9 Finalisation Meeting – Turnover Reconciliation and Compliance Review for FY 2024–25 was held through Zoom with our auditor, Mr. V. Ramkumar, and the core team of IMA TNSB 2026, focusing on financial reconciliation and statutory compliance.
- On 18 June, I attended the Death Audit proceedings conducted virtually by the Government of Tamil Nadu and NHM-TN, with Dr.

Aneesh Sekhar present, to witness the proceedings on behalf of IMA TNSB. Later that night, the PH & NHB Management Committee of IMA TNSB met through Zoom and deliberated on important issues and preparations for the forthcoming GIC meeting.

Academics – Learning Without Boundaries

- Our commitment to continuing medical education remained strong. On 19 June, the IMA TNSB CGP CME – VI, titled “Everyday Diagnostic Pearls for General Practitioners – From Blood Tests to Advanced Imaging,” was successfully conducted through Zoom.
- On 23 June, the Blood and Organ Donation Committee CME – VI focused on liver and heart donation, further strengthening awareness about organ donation among the medical fraternity.
- On 25 June, the Academic Committee Meeting – IV, focusing on Neurology, was held virtually. The same evening, the MSN and JDN wings organised an excellent Postgraduate Research Masterclass, providing valuable guidance to postgraduate students in medical research.

Honouring a Distinguished Leader and Strengthening Our Branch Network

- On 24 June, our State President Dr. B. Sridhar, Honorary State Finance Secretary Dr. D. Solomon Jeya, and I had the privilege of attending the warm farewell organised at Government Tiruvannamalai Medical College in honour of our beloved Dr. J. A. Jayalal. The affection and respect expressed by the institution and medical fraternity were a fitting acknowledgement of his distinguished service and contributions.
- Following the programme, we travelled to Uthangarai for the formation of a new IMA branch and the installation of its office bearers. The enthusiasm of the members was truly encouraging. Every new branch strengthens the grassroots network of our Association, and we are confident that IMA Uthangarai will grow into a vibrant and active branch.

Towards an Important Academic Partnership

- On 25 June, Dr. T. N. Ravisankar, Dr. Boopathy John and Dr. V. Saravanan met the Vice-Chancellor of Sri Ramachandra Institute of Higher Education and Research (SRIHER) for the final round of discussions prior to the signing of the MoU between IMA Tamil Nadu State Branch and SRIHER.
- The meeting marked the culmination of the preparatory process and paved the way for the formal signing of the MoU for the Executive Certificate Programme in Advanced Healthcare Management on 16 July 2026.

Social Responsibility and Professional Advocacy

- On 26 June, we conveyed our Muharram greetings to our members. On the occasion of the International Day Against Drug Abuse and Illicit Trafficking, we shared the message:

“Break the Cycle. Choose Life. Build Hope for a Drug-Free Society.”

- Following the Melur incident and the subsequent proceedings of the District Collector, Madurai, IMA TNSB addressed an important representation to the Health Secretary on 27 June, seeking an immediate review of Section 52A and emphasising the need for natural justice and due process in regulatory actions against clinical establishments.
- IMA TNSB remains committed to constructive engagement with the Government while safeguarding the legitimate rights and professional interests of doctors and healthcare institutions.

Doctors’ Day Celebrations Begin

- On 28 June, I had the pleasure of participating in the well-organised Doctors’ Day celebrations of IMA Sivakasi, under the leadership of Branch President Dr. Rashmi and her dedicated team.
- It was also a privilege to honour the legendary orthopaedic surgeon Prof. A. Devadoss, whose remarkable contributions continue to inspire generations of doctors. My warm congratulations to the entire Sivakasi team for organising a memorable celebration.

Addressing Challenging Clinical Situations

- On 30 June, IMA TNSB, in association with HBI and TNFOG, organised an important webinar on “Uncommon Complications in the Peripartum Period.” Prof. Dr. Ramani Devi shared her expertise on uncommon peripartum complications, while Prof. Dr. V. Senthil Kumar, Professor of Forensic Medicine, delivered a highly relevant session on “Managing an Untoward Fatality in a Hospital.”
- The programme addressed complex clinical and medico-legal situations encountered in everyday practice and was highly relevant to our members.

IMA Connect and the GIC Meeting

- On 1 July, IMA Connect – 7 brought our IMA family together virtually to celebrate National Doctors’ Day, recognising the dedication of doctors and reaffirming the spirit of professional unity.

- During this period, we also participated in the GIC meeting, where a detailed presentation on the proposed master costing of medical packages was made before representatives of the insurance sector—an important step in our continuing efforts to advocate for fair and rational package rates for healthcare providers.

Taking the Voice of Our Members to the Government

- One of the most significant engagements of the month took place on 2 July 2026, when an IMA TNSB delegation comprising our State President Dr. B. Sridhar, President-Elect Dr. A. K. Ravikumar, Action Committee Chairman Dr. K. Prakasam, and myself met the Hon’ble Minister for Health & Family Welfare, Government of Tamil Nadu, Dr. K. Arun Raj.
- The Hon’ble Minister graciously spent nearly 30 minutes with our delegation and patiently heard the pressing concerns of the medical fraternity. The major issues deliberated included Clause 52A of the Tamil Nadu Clinical Establishments Act, GO. (Ms.) No. 48 relating to FIRs in alleged medical negligence cases, postmortem procedures in hospital deaths, elimination of dual licensing, Government Doctors’ Day Awards, CMCHIS, and single-window online registration for clinical establishments.
- Following the Minister’s advice, we also had a detailed and constructive interaction with the Health Secretary, Dr. Darez Ahamed, IAS.
- These meetings reaffirmed the importance of sustained dialogue with the Government. IMA TNSB will continue to be a strong and responsible voice for the medical fraternity while working towards a healthcare system that protects the interests of both patients and medical professionals.

Doctors’ Day at Salem

- On 4 July, we participated in the grand Doctors’ Day celebrations at Salem, graced by the presence of the Hon’ble Minister for Health & Family Welfare Dr. K. Arun Raj and the Hon’ble Minister for Transport as distinguished guests.
- The impressive gathering and enthusiastic participation made it a memorable celebration. My special appreciation goes to Dr. K. Prakasam, the driving force behind this grand celebration, whose

leadership, guidance and dedicated efforts contributed greatly to its success.

- My sincere congratulations to the entire IMA Salem team for the excellent organisation and warm hospitality.

From Vellore to a Memorable Evening at Krishnagiri

- On 5 July, we attended the North Zone FSS Meet at IMA Vellore. My sincere appreciation goes to Dr. Magesh and Team IMA Vellore for the excellent arrangements and warm hospitality.
- The day continued with Doctors' Day celebrations, and in the evening we travelled to Krishnagiri for another vibrant programme. The excellent gathering of doctors and their families, together with fellowship and cultural entertainment, created a wonderful atmosphere.
- My appreciation goes to the entire IMA Krishnagiri team, with special thanks to my dear friend Dr. C. Soundar Raj for his affectionate invitation, gracious honour and the friendship we have shared since our student days. It was an evening that beautifully combined professional fellowship with enduring friendship.

CMA BIOETHICON 2026 – A Global Academic Milestone

- The prestigious CMA BIOETHICON 2026 – A Global Summit was held on 11 and 12 July 2026 at Hotel Rajeswari International, Kanyakumari.
- Organised by the Commonwealth Medical Association, UK, and hosted by IMA Tamil Nadu State Branch along with IMA Marthandam Branch, the summit was endorsed by the Royal College of Physicians and Surgeons of Glasgow, UK, and the Global Chair & Network for Medical, Health Professions & Bioethics Education, Australia.
- The summit provided an outstanding platform for academic exchange in medical ethics, health professions education and bioethics. The CMA Convocation added further distinction to this prestigious international gathering.
- Our sincere appreciation goes to Dr. J. A. Jayalal for his vision and remarkable initiative in bringing this significant global academic event to Tamil Nadu.

The Grand Celebration – Doctors' Day 2026 at Nagercoil

- The evening of 11 July 2026 was one of the proudest and most memorable moments of this

period, as the Indian Medical Association, Tamil Nadu State Branch celebrated Doctors' Day 2026 at IMA Hall, Suchindrum, Nagercoil.

- We were deeply honoured to welcome our National President, Dr. Anilkumar J. Nayak, as Chief Guest and our Honorary Secretary General, Dr. Sarbari Dutta, as Guest of Honour.
- Their gracious presence brought immense significance to the celebration, and their inspiring words and warm interactions further strengthened the close bond between IMA Headquarters and IMA Tamil Nadu State Branch.
- A major highlight of the evening was the honouring of nearly 60 distinguished doctors across various categories, recognising their outstanding contributions to the medical profession, healthcare, IMA and society. It was a proud moment to celebrate our senior stalwarts, dedicated professionals and exceptional achievers.
- The enthusiastic participation of our members and the meticulous efforts of the organising team transformed the evening into a true celebration of service, excellence, fellowship and professional unity.
- We remain deeply grateful to our National President and Honorary Secretary General for honouring our invitation despite their demanding national responsibilities and spending their valuable time with the IMA family of Tamil Nadu. Their presence will remain a cherished memory for all of us.

Drug Abuse Awareness – Reaching Out to the Younger Generation

- On 16 July 2026, IMA Chennai South, in association with IMA Tamil Nadu State Branch and the Department of BBA, Hindustan College of Arts & Science, Chennai, organised a comprehensive Drug Abuse Awareness Programme for students.
- Our State President Dr. B. Sridhar graced the programme as Chief Guest, and I had the privilege of participating as a Special Guest along with Dr. Saravanan Vedhagiri. Mr. Deepak Koushik, Superintendent of Police, Narcotics Control Bureau (NCB), Chennai Zonal Unit, and other experts addressed the students on the harmful effects of drug abuse, peer pressure, social media

influences, stress management, suicide prevention, abstinence and recovery.

- The programme was a meaningful initiative to reach the younger generation and empower them to make informed and responsible choices. My sincere appreciation to IMA Chennai South, its President Dr. Vaibhav Suresh, Dr. Santha Narayanan, and the entire organising team for this valuable community outreach initiative.

A Significant Milestone – MoU with SRIHER

- On 16 July 2026, IMA Tamil Nadu State Branch achieved an important academic milestone with the signing of an MoU with Sri Ramachandra Institute of Higher Education and Research (SRIHER) for the Executive Certificate Programme in Advanced Healthcare Management.
- The collaboration, accomplished under the leadership of our State President Dr. B. Sridhar, marks an important step towards empowering medical professionals with advanced skills in healthcare leadership, management and administration.
- Our sincere appreciation goes to Dr. T. N. Ravisankar, who coordinated the entire process and played a pivotal role in bringing this valuable academic collaboration to fruition.
- It is indeed a proud achievement for Team IMA TNSB 2026 and another step forward in creating meaningful academic opportunities for our members.

TN AMSCON 2026 – Continuing the Academic Momentum

- The academic journey continued with TN AMSCON 2026, the State Conference of the AMS Wing of IMA Tamil Nadu, conducted through online sessions from 14 to 18 July 2026, culminating in the live and hybrid programme hosted by IMA Pollachi Branch.

- I had the privilege of participating in the inaugural programme and other sessions. On 18 July, we travelled to Pollachi for the concluding day, which featured a session on Plastic Surgery and the prestigious Prof. Dr. S. Raja Sabapathy oration.
- The conference was another excellent initiative promoting academic excellence, knowledge sharing and professional development among our members.

Together, We Move Forward

- Looking back at these eventful weeks, the diversity and strength of IMA are clearly reflected in our activities. We have engaged with the Government on important professional issues, strengthened our academic initiatives, expanded our branch network, reached out to the younger generation, participated in international academic programmes and celebrated the achievements of our medical fraternity.
- I place on record my sincere gratitude to our State President Dr. B. Sridhar, Honorary State Finance Secretary Dr. D. Solomon Jeya, our Past Presidents and senior leaders, State Office Bearers, committee teams, branch presidents and secretaries, and every member who continues to contribute to the journey of Team IMA TNSB 2026.

Together, we shall continue to move forward with commitment and a shared purpose.

WE STAND UNITED.

Long Live IMA!

With warm regards,

Dr. M. Thiraviam Mohan, M.B.B.S., D.C.H.

Dear all,

Greetings. Happy to get reconnected with you all through TIMA newsletter. Appreciations to Dr Maheshwaram district coordinator FSS for organising a very useful with good information's and discussions on FSS. at Vellore during the North Zone meet. Hats off to young leaders of Vellore IMA lead by Dr Satish well assisted by Dr Jagdish the secretary and Dr Vasantraj finance secretary and their team for conducting the doctors day in novel way involving the children displaying their arts, food and cookies prepared by themselves and also selling them depicting the importance of how to earn while we learn. The programs Pattimandram and other activities are appreciable. Thanks to Professor Dr. J.A. Jayalal for involving as in the Global submit on bio ethics at Kanyakumari. That was a great show with good deliberations with outcomes. The state doctors day celebration organised by the state office with the help of the Nagercoil IMA was a class by itself. Aweek-long state conference of IMA AMS organised by the state IMA AMS office bearers need special appreciation as they have covered the entire gambit of practical day today useful topics of various specialities through online attracting more than 3000 delegates

The message for this month

Hope you all are following the previous information's being written by me on health insurance in the previous editions of TIMA. I Shall give TIPS on how to get your grievances addressed in this edition.

Faster Claim Settlement Timelines

The IRDA Master Circular 2024 tightens claim turnaround times.

Claim type	New IRDAI timeline
Cashless pre-authorisation (planned)	Decision within 1 hour
Cashless pre-authorisation (emergency)	Decision within 3 hours
Final cashless authorization at discharge	Within 3 hours of receiving discharge summary
Reimbursement claim decision	Within 30 days of receiving complete documents

Stronger Grievance Redressal Framework

Every insurer must publish a clear, multi-stage grievance process and resolve complaints within strict timelines:

- Acknowledge complaint within 3 working days.
- Resolve within 15 working days.
- If unresolved, the policyholder can approach the Insurance Ombudsman (handles disputes up to 50 lakhs) or file a consumer complaint.
- The Ombudsman must dispose of complaints within 90 days, and the order is binding on the insurer up to 30 lakhs.

How to lodge a complaint :

Policy holder can lodge a complaint in any of the manner as listed below

If one are unhappy with the insurance company procedures or claim settlement, one can

- Approach the Grievance Redressal Officer of its branch or any other office that one deals with. All formal mail IDs of Grievance Redressal Officers, GRO, of all insurance companies is made available in IRDAI portal: policyholder.gov.in

- Complaint in writing along with the necessary support documents to be provided

- Written acknowledgement of complaint date to be obtained.

The insurance company should deal with all complaint within 15 days.

- If that does not happen or if policyholder is unhappy with the solution he can:

- ▶ Approach the Grievance Redressal Cell of the Consumer Affairs Department of IRDA:

- Call Toll Free Number 155255 (or) 1800 4254 732 or

- Send an e-mail to complaints@irda.gov.in

- ▶ Make use of the Integrated Grievance Management System:

■ Register and monitor your complaint at igms.irda.gov.in

● Send a letter to IRDAI with his complaint to Address for communication for complaints by paper/fax: Insurance Regulatory and Development Authority of India Consumer Affairs Department – Grievance Redressal Cell. Sy.No.115/1, Financial District, Nanakramguda, Gachibowli, Hyderabad – 500032.

● Within 2 weeks, the company sends the complainant a written response which offers redress or rejects the complaint and gives reasons for doing so,

● The insurer will inform the complainant about how he/she may pursue the complaint, if dissatisfied.

● The insurer will also inform that it will regard the complaint as closed if it does not receive a reply from your side within 8 weeks from the date of receipt of response

What next if I am not satisfied with the reply from the Insurer?

Insurance Ombudsmen

● The Insurance Ombudsman scheme was created by the Government of India for individual policyholders to have their complaints settled out of the courts system in a cost-effective, efficient and impartial way.

● Complaint is to be lodged with the Insurance Ombudsman under whose territorial jurisdiction the insurer's office falls, at the address provided in website / insurer communication which includes policy document.

● Policyholders can approach the Ombudsman if:

The insurance company

● Rejected your complaint. ● Not resolved it to your satisfaction or not responded to it at all for 30 days. ● And any complaint pertains to any policy you have taken in your capacity as an individual and the value of the claim including expenses claimed is not above Rs 50 lakhs.

For what all complaints one can approach Insurance Ombudsmen

● Delay in settlement of claims, beyond the time specified in the regulations. ● Any partial or total rejection of claims by the Health insurer. ● Any dispute about premium paid or payable in terms of insurance policy. ● Misrepresentation of policy terms and conditions at any time in the policy document or policy contract. ● Legal construction of insurance policies in so far as the dispute relates

to claim. ● Policy servicing related grievances against insurers and their agents and intermediaries.

● Issuance of health insurance policy which is not in conformity with the proposal form submitted by the proposer. ● Non issuance of insurance policy after receipt of premium health insurance. ● Any other matter resulting from the violation of provisions of the Insurance Act, 1938 or the regulations, circulars, guidelines or instructions issued by the IRDAI from time to time.

What will Insurance Ombudsmen do?

The Ombudsman will act as mediator and

● Arrive at a fair recommendation based on the facts of the dispute. ● If you accept this as a full and final settlement, the Ombudsman will. ● Inform the company which should comply with the terms in 15 days. ● If a settlement by recommendation does not work, the Ombudsman will:

Award:

● Pass an award within 3 months of receiving all the requirements from the complainant and which will be binding on the insurance company.

● The Insurer shall comply with the award within 30 days of the receipt of award and intimate the compliance of the same to the Ombudsman.

● There is no appellate authority governing Ombudsman order. The order is final & binding.

If I am not satisfied with the Ombudsman order what is next ?

Approach a Consumer Court

● If the Ombudsman's award is insufficient or rejects your claim completely, you can file a formal case in a Consumer Disputes Redressal Commission.

Jurisdiction:

■ District Commission: For claims up to 50 Lakh.

■ State Commission: For claims between 50 Lakh and 2 Crore. ■ National Commission: For claims exceeding 2 Crore.

● Time Limit: You generally have 2 years from the date the cause of action arose (the date your claim was officially rejected) to file a consumer case

File a Civil Suit

● You have the option to approach a civil court to establish your claim and seek recovery of the insured amount along with damages but time consuming and costly.

Thank you, See you all next month.

- Dr. A.K. RAVIKUMAR
IMA State President Elect

STATE FINANCE SECRETARY MESSAGE

Dr. D. SOLOMON JEYA

Hony. State Finance Secretary

Mob. : 9443580315 e.mail : solomonjeya@gmail.com

**Respected Doctors,
Warmest greetings to you all.**

This month holds a very special place in our hearts as we celebrate the pillars of our healthcare system. Happy National Doctors' Day!

First and foremost, I wish a very Happy Doctors' Day to all the incredible medical professionals across our fraternity. Your selflessness, dedication, and tireless commitment to saving lives form the bedrock of our society.

A special and resounding congratulations to all the distinguished Doctors' Day Awardees this year! Your exemplary contributions, clinical excellence, academic achievements, and unwavering service to humanity have earned you this well-deserved recognition. You make us immensely proud.

The road to progress is often bumpy, and doctors are no exception. While we celebrate our

achievements, this Doctors' Day also calls for serious reflection on the harsh realities faced by our community:

The Toll of Overwork: Backbreaking "white coat labor," excessive working hours, grueling day duties, frequent night on-calls, and navigating an increasingly litigious society take a heavy physical and mental toll.

The Cost of Sleep Deprivation: Chronic sleep restriction elevates systemic inflammation and blood pressure, acting as a major driver behind the alarming rise of early-onset heart attacks among Indian doctors.

A Hidden Danger: Acute sleeplessness can lead to involuntary 'microsleeps' (lasting up to 30 seconds). Ministry of Road Transport and Highways (MoRTH) data shows that fatigue-induced microsleeps contribute to 10% to 15% of fatal highway accidents—a tragic and preventable loss of life.

These bumps in the road are reminders that we must advocate for our own well-being even as we care for others.

Let us look out for one another, prioritize our health, and actively maintain a healthy work-life balance. In the spirit of mutual support, I earnestly request all IMA members below the age of 55 to enroll in our Family Security Schemes (FSS I & II). By joining, you secure a vital safety net for your own loved ones while supporting the families of our colleagues in times of loss.

Let us stand together, stay safe, and support one another.

Warm regards,

Dr. D. Solomon Jeya

Academic Update | July 2026

Strengthening General Practice Through Structured Fellowship Training

Dear Colleagues,

The College of General Practitioners (CGP), IMA TNSB is proud to announce the successful progress of its flagship fellowship programs:

- Fellowship Course in Diabetology
- Fellowship Course in Diabetic Foot Care
- Fellowship Course in Infectious Diseases

Building on this strong academic foundation, CGP now launches its Fourth Fellowship Program — **Fellowship Course in Respiratory Diseases.**

Respiratory illnesses continue to constitute a major burden in day-to-day general practice, especially in primary and semi-urban healthcare settings. This fellowship is designed to provide practical, clinic-oriented respiratory training for General Practitioners.

Fellowship Course in Respiratory Disease will commence shortly

This fellowship course in respiratory diseases will be spearheaded by Dr. Nandagopal who will be course co-ordinator.

This academic initiative aims to empower

General Practitioners with practical respiratory medicine skills that can be immediately implemented in clinical practice.

Last month Online CME

- Date: 19 June 2026 (Friday) ● Time: 4.00 PM – 6.00 PM ● Online CME Session

Theme of the CME - EVERYDAY DIAGNOSTIC PEARLS for General Practitioners

Scientific Sessions

Topic 1 - Complete Blood Count: The most powerful Test in Everyday Practice

Speaker: Dr. G.Manigandan -Physician & Diabetologist

Topic 2 - Liver Function Tests Demistified : A practical approach for Primary Care

Speaker: Dr. Rabindranath - Medical Gastroenterologist

Topic 3 - Chest X-rayMade Easy – Essential interpretation skills for General Practitioners

Speaker: Dr. A.Anbarasu – Radiologist

Topic 4 - CT or MRI - Choosing the Right Imaging at the Right time

Speaker: Dr.T.Madan Mohan - Radiologist

UPCOMING CME FOR THE MONTH OF JULY

- Fever for more than 3 days - a must know for practitioners - Dr.JANANI, DIRECTOR KKCTH
- Understanding latest guidelines on asthma and allergic disorders - a practical guide - Dr. NARMADA, NALAM HOSPITAL VELLORE
- When to reassure, when to treat,when to refer - guide to common pediatric surgical conditions - Dr.ARUN KUMAR. CMC, VELLORE

These academic initiatives reflect CGP's continued emphasis on structured learning, case-based discussions, and mentorship by experienced faculty, enabling clinicians to enhance diagnostic accuracy, rationalize treatment decisions, and practice evidence-based medicine with greater confidence.

As highlighted in our previous communications, CGP courses—affiliated with IMA CGP Headquarters—are carefully designed to empower practitioners with practical, up-to-date knowledge aligned with evolving trends in modern medicine. The launch of our Fellowship Course in Respiratory Diseases

further strengthens this vision of delivering need-based, clinically relevant medical education for General Practitioners.

With the successful conduct of fellowship programs in:

- Diabetology ● Diabetic Foot Care
- Infectious Diseases

CGP continues to build a strong academic platform focused on improving standards in primary and community healthcare practice.

We warmly encourage all doctors to actively participate in our upcoming CGP courses, CMEs, workshops, and academic activities. Continuous learning remains the cornerstone of safe, ethical, and effective medical practice, and CGP remains committed to being a trusted partner in every clinician's journey of lifelong education.

We sincerely thank all our members, faculty, coordinators, and participants for their continued support, trust, and enthusiastic involvement in CGP academic initiatives.

With best wishes for your continued professional growth and your dedicated service to society.

Warm regards,

TEAM IMA TNSB CGP

COURSES OFFERED

IMA TNSB Paramedical wing is getting ready to start the next academic year 2026-27 on 03 Aug 2026. Enrollment of students going on at the registered hospitals. There are about 27 new Hospitals which come forward to start paramedical courses under IMA TNSB Paramedical Wing. Issuing of Accreditations are in process.

As we have completed the final exam for the academic year 2025-26, the answer papers were corrected by the selected faculties at IMA TNSB State Office, Tambaram and the result is to be released end of this month.

Our Paramedical Secretary Dr. N. Rajkumar has attended the Doctors Day celebration at Nagercoil on 11th July 2026. He also inspected Jay Jay Hospital in Tirupur and submitted report.

The existing Hospitals conducting Paramedical Courses under IMA TNSB Paramedical Wing are requested to renew their accreditations if it is due for renewal. No hospital is allowed to conduct the courses without proper approval of IMA TNSB Paramedical Wing.

The IMA Paramedical Programme was conceived with a clear social and professional objective. At a time when hospitals face an increasing shortage of trained nursing assistants and allied healthcare personnel, the programme aims to create a pool of skilled healthcare workers who can effectively support patient care and hospital services. More importantly, this initiative was started to provide an opportunity for students from economically weaker sections, who may not have the means to pursue higher professional education, to acquire practical healthcare skills, secure employment, and earn a respectable livelihood.

The Purpose of the Courses are to address the shortage of trained allied healthcare personnel, to provide hands-on practical training relevant to day-to-day hospital work, to support the functioning of small and medium-sized hospitals, to create employment opportunities for deserving students and to develop

disciplined, ethical, and patient-oriented healthcare assistants.

The following points are to be strictly followed by the Hospital conducting Paramedical Courses under IMA TNSB Paramedical Wing:

These courses are not Government-recognized qualifications and do not confer eligibility for registration in any statutory council or for Government employment. Since these are non-recognized skill-development courses, member hospitals are requested to maintain utmost responsibility in publicity and avoid advertisements outside the hospital campus, Cable TV advertisements, Newspaper advertisements, Social media promotional campaigns, Bulk SMS, WhatsApp, or other mass marketing messages, any publicity that may create an impression of Government recognition. Admissions should primarily be through local awareness and direct enquiries at the hospital level.

Fee Structure: The fee structure fixed by IMA Tamil Nadu State Branch shall be followed uniformly by all institutions. No excess fee shall be collected under any circumstances. As per the **84th Annual General Body Meeting Resolutions - Point No. 5** - the maximum fee that can be collected per year per student for the courses conducted in our paramedical wing is ' 20,000 plus the exam fee of ' 2000 per year per student. The number of seats that can be given per course per institution is to be one third of their bed strength (either alone or combined with another hospital) as per the clinical establishment act certificate.

Member hospitals are requested to provide maximum practical exposure. Ensure adequate bedside training. Teach patient care with compassion and ethics. Maintain discipline and attendance. Focus on skill development rather than classroom theory alone. The objective is not merely to issue certificates but to produce competent healthcare assistants who can confidently work in hospitals and contribute meaningfully to patient care.

The IMA Paramedical Programme is a service-oriented initiative and not a commercial venture. Its strength lies in ethical conduct,

affordability, quality practical training, and employment generation. Let us preserve the original vision of this programme by ensuring that every student who joins receives genuine training, acquires useful skills, and becomes a valuable member of the healthcare workforce.

"Train with sincerity, serve with compassion, and create opportunities for those who need them most."

"Empowering Medical Specialists Through Excellence in Education"

The Academy of Medical Specialties (AMS), a dedicated academic wing of the Indian Medical Association (IMA), continues its commitment to strengthening specialist education through continuous medical education (CME), academic collaborations, fellowship programmes, and skill-enhancement initiatives. AMS remains focused on fostering excellence in patient care by promoting evidence-based learning and multidisciplinary academic engagement across Tamil Nadu.

MONTHLY UPDATE – JULY 2026 : During the month of July 2026, the AMS Wing has been actively engaged in planning and coordinating its flagship Quarterly academic event to ensure high-quality scientific content and maximum participation from medical specialists across the state.

UPCOMING FLAGSHIP EVENT – TN AMSCON 2026

The Annual Conference of the Academy of Medical Specialties (TN AMSCON 2026) is scheduled from 14th to 18th July 2026. The conference has been designed as a five-day hybrid academic programme, integrating online learning with an in-person scientific meeting.

Conference Format

- Days 1–4: Online CME Programme
- Day 5: Hybrid CME Conference at Pollachi

Scientific Programme

Day 1 – Vaccination & Infectious Diseases

- Recent advances in adult immunization
- Emerging and re-emerging infectious diseases

Day 2 – Chest Infections & Pulmonology

- Current concepts in respiratory infections.
- Evidence-based management of pulmonary diseases

Day 3 – Ophthalmology

- Contemporary updates in ophthalmic practice
- Recent advances in diagnosis and management

Day 4 – Imaging & Breast Cancer

- Modern imaging in clinical practice
- Multidisciplinary approach to breast cancer management

Day 5 – Hybrid Conference (Pollachi)

Theme: Plastic Surgery & Reconstructive Procedures

- Advanced reconstructive techniques.
- Multi-disciplinary surgical perspectives.
- Interactive scientific sessions and expert panel discussions.

The conference aims to provide an outstanding academic platform for specialists from various disciplines while promoting interdisciplinary learning and professional networking.

JOIN THE AMS WING

AMS membership offers access to:

- High-quality CME programmes.
- TNMC Credit Hour activities.
- Fellowship and certificate courses.
- Hands-on workshops.
- Networking with leading specialists.
- Opportunities for academic leadership and professional growth.

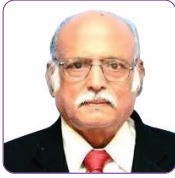

For membership enquiries, registrations, and updates, contact: amswingimatamilnadu@gmail.com

YOUR VOICE MATTERS : We welcome your feedback, suggestions, and innovative ideas to further strengthen the academic activities of the AMS Wing and enhance specialist education throughout Tamil Nadu.

With warm regards

AMS Wing – IMA Tamil Nadu State Branch

‘தீர்ப்புகள் திருத்தப்படும்’

அன்புள்ள மருத்துவ நண்பர்களுக்கு,

அண்மைக்காலத்தில் மாவட்ட நுகர்வோர் நீதிமன்றங்களில் கொடுக்கும் தீர்ப்புகள் மாநிலநுகர்வோர் நீதிமன்றங்களால் நிராகரிக்கப்படுவதும், மாநில நுகர்வோர் நீதிமன்றங்களில் கொடுக்கும் தீர்ப்புகள் தேசிய நுகர்வோர் நீதிமன்றங்களால் நிராகரிக்கப்படுவதும், தேசிய நுகர்வோர் நீதிமன்றங்களில் கொடுக்கப்படும் தீர்ப்புகளை உச்ச நீதிமன்றத்தில் நிராகரிப்பதும் வாடிக்கையான ஒரு செயலாகி வருகிறது. உதாரணமாக,

சில ஆண்டுகளுக்கு முன்பு தமிழகத்தை சேர்ந்த ஓர் அறுவைசிகிச்சை நிபுணரிடம் ஒரு நபர் தன் வலதுகையின் நடுவிரல் கத்தியால் துண்டிக்கப்பட்ட நிலையில் Tag of skin மட்டுமே ஒட்டியிருந்த நிலையில் சிகிச்சைக்காக வந்தார். அந்த நபரிடம் மருத்துவர், ‘விரல் ஒன்றுசேர்வது கடினம்; அதனால் அந்தத் துண்டிக்கப்பட்ட பகுதியை நீக்கிவிட்டு தையல் போட்டுக்கொள்ளலாம்’ என ஆலோசனை கூறினார். ஆனால், அந்த நபரோ, ‘இல்லை இல்லை. வெட்டுப்பட்ட விரலை ஒட்டி தையல்போட்டு விடுங்கள்’ என்று கூறியபோது, அந்த மருத்துவர் ‘நீங்கள் பிளாஸ்டிக் சர்ஜனிடம் செல்வதுதான் சிறந்தது’ என ஆலோசனை கூறினார். ஆனால், அதை அந்த நோயாளி ஏற்க மறுத்துவிட்டார். அத்துடன் அந்த நோயாளி ‘என்னுடைய வெட்டுப்பட்ட விரலை தையல் போட்டு சரிசெய்யுங்கள்; அதனால் ஏற்படும் பின்விளைவுக்கு மருத்துவரை குறை கூறமாட்டேன்’ என எழுதியும் கொடுத்துவிட்டார். அதைத் தொடர்ந்து, அந்த மருத்துவரும் வேறு வழியின்றி வெட்டுப்பட்ட விரலின் பாகத்தை தையல்போட்டு சரிசெய்தார். அப்படி தையல்போட்டபின் அந்த நபர் அவருடைய சொந்த விருப்பத்தின்படி அடுத்த நாளே வீட்டுக்குச் சென்றுவிட்டார்.

சில நாட்கள் கழித்து தையல் போட்ட பகுதியில் வெட்டுப்பட்ட விரலில் கருமையாகி Gangrene என்ற நிலைக்குச் சென்ற நிலையில், வேறு மருத்துவ மனைக்குச் சென்ற அவருக்கு வெட்டுப்பட்ட பகுதியில் Gangrene ஏற்பட்ட பகுதியை அந்த மருத்துவமனை மருத்துவர்கள் அறுவை சிகிச்சை செய்து அகற்றியுள்ளார்கள். சில காலம் கழித்து விரலை இழந்த நோயாளி மாவட்ட நுகர்வோர் நீதிமன்றத்தில் முதலில் அவருக்குச் சிகிச்சை அளித்த மருத்துவர் முறையாகச் சிகிச்சை அளிக்காததால்தான், முறையாக தையல்போடாததால்தான் தன் விரலை இழக்க

நேரிட்டதாகக் கூறி பல லட்சம் ரூபாய்களை நஷ்ட ஈடாகக் கேட்டு மாவட்ட நுகர்வோர் நீதிமன்றத்தில் வழக்கு பதிவு செய்தார். இந்த வழக்கை விசாரித்த மாவட்ட நுகர்வோர் நீதிமன்றம் அவருக்கு சிகிச்சையளித்த மருத்துவர் முறையாக நோயாளியை பிளாஸ்டிக் சர்ஜனிடம் போகச்சொல்லியும், நோயாளி போக விருப்பம் இல்லை எனக் கூறியதுடன், தன்னுடைய விரலை தையல் போட்டு சரிசெய்யும்படி கூறியுள்ளார் என்பதற்கான எழுத்துப்பூர்வமான ஒப்புதல் உள்ளதால், முதலில் சிகிச்சையளித்த மருத்துவர் Negligence-யாகவோ, அலட்சியமாகவோ சிகிச்சையளிக்கவில்லை எனக் கூறி அந்த வழக்கை தள்ளுபடி செய்தார்.

அப்படித் தள்ளுபடி செய்த வழக்கை எதிர்த்து நோயாளி மாநில நுகர்வோர் நீதிமன்றத்தில் வழக்கு தொடர்ந்தார். வழக்கை விசாரித்த நீதிபதி, வெட்டுப்பட்ட விரலை இணைப்பதற்கு முன் நோயாளியிடமிருந்து ஒப்புதல் பெற்றிருந்தாலும், அந்த விரல் ஒன்றுகூடாது எனத் தெளிவாக தெரிந்திருந்தும், மருத்துவர் நோயாளியின் விரல்களை ஒன்று சேர்த்தது தவறு எனக் கூறி நோயாளிக்கு Rs. 30,000 இழப்பீடாகக் கொடுக்கவேண்டும் என மாநில நுகர்வோர் நீதிமன்றம் தீர்ப்பளித்தது.

நோயாளியிடம் தெளிவாக விளக்கப்பட்டு பிளாஸ்டிக் சர்ஜனிடம் போகும்படி கூறப்பட்டும், அவர் அதை ஏற்காமல் தையல் போடுங்கள் எனவும், அதனால் ஏற்படும் பாதிப்புகளுக்கு மருத்துவர்கள் மேல் குறைகூறமாட்டேன் என எழுதிக் கொடுத்த பின்பே மருத்துவர் தையல் போட்டது தவறு என தன் தீர்ப்பில் கூறியிருந்ததையடுத்து, தேசிய நுகர்வோர் நீதிமன்றம் செல்லவேண்டும். அன்றைய PPLSSS-ன் Legal Committee Chairman ஆகிய நான் ஆலோசனை கூறியபோது, இழப்பீடு Rs. 30,000 தானே! அதைச் செலுத்திவிட்டலாம் எனச் சிலர் ஆலோசனை கூறினார்கள். அப்படி அந்த இழப்பீட்டைச் செலுத்திவிட்டால், ஒரு சிகிச்சைக்கு முன் நோயாளியிடமிருந்து பெறும் சம்மதக் கடிதத்திற்கு எந்தச் சட்டப்பூர்வமான அங்கீகாரமும் இல்லாமல் போய்விடும் என்பதை எடுத்துக்கூறி, அந்த வழக்கை தேசிய நுகர்வோர் நீதிமன்றத்திற்குக் கொண்டு சென்றோம்.

தேசிய நுகர்வோர் நீதிமன்றத்தில் நீதிபதி இந்த வழக்கை முழுமையாக ஆய்வு செய்தபின், எதிர்க்கட்சி நபரான அந்த நோயாளியை நேரில் அழைத்து ‘இந்த வழக்கைத் தொடர்ந்து நடத்துவதால், உங்களுக்கு எந்தப் பயனும் இல்லை. ஆகவே நீங்கள் டெல்லிக்கு வந்து செல்ல செலவிட்டதொகையை எதிர் மனு தாரரிடம் பெற்றுக்கொண்டு, வழக்கை வாபஸ்

பெற்றுக்கொள்ளுங்கள்' என ஆலோசனை கூறினார். துரதிருஷ்டவசமாக எதிர் தரப்பினர் நீதிபதியின் வேண்டுகோளை ஏற்க மறுத்துவிட்டார்கள். அதைத் தொடர்ந்து நடந்த வாதங்களில், தேசிய நுகர்வோர் நீதிமன்றம், சென்னை மாநில நுகர்வோர் நீதிமன்றம் அளித்த தீர்ப்புக்கு எதிராக புகார்தாரர் சமர்ப்பித்துள்ள வழக்கை தள்ளுபடி செய்து தீர்ப்பளித்தது.

இந்த வழக்கு மட்டுமல்ல; மேலும் நீதிமன்றங்கள் அளிக்கும் தீர்ப்பை மாநில நீதிமன்றங்கள் நிராகரிப்பது, மாநில நுகர்வோர் நீதிமன்றங்கள் அளிக்கும் தீர்ப்பை, தேசிய நுகர்வோர் நீதிமன்றங்கள் நிராகரிப்பது மற்றும் தேசிய நுகர்வோர் நீதிமன்றங்கள் கொடுக்கும் தீர்ப்பை, உச்சநீதிமன்றங்கள் நிராகரிப்பதும் வாடிக்கையாகிவிட்டது என்பதை உறுதிப்படுத்த 9.9.2025-ல் உச்ச நீதிமன்றம் கொடுத்த ஒரு தீர்ப்பை உங்களின் பார்வைக்காகக் கீழே கொடுக்கிறேன்:

I (2026) CPJ 15 (SC) - (NEUTRAL CITATION 2025 INSC 1094) -SUPREME COURT OF INDIA - Sanjay Kumar, J. & Satish Chandra Sharma, J.

Versus

MANMEET SINGH MATTEWAL & ORS. - Respondents
Civil Appeal No. 1662 of 2016 -Decided on 9.9.2025
Consumer Protection Act, 1986- Sections 2(1)(g), 14(1)(d), 23-Medical negligence - Delivery and post-delivery treatment-Death of patient and baby- Deficiency in service of patient and baby-Deficiency in service - Jurisdiction of National Commission -

MATRIMONIAL

BRIDE WANTED

Marital status : Remarriage /
Marumanam
Male doctor : Oral &
Maxillofacial Surgeon
Age : 44yrs
Religion : Islam
Contact : 9952942904,
9443252505

We belong to a Upper middle class,
nuclear family, currently settled in
Chennai, the groom has a son who is
not living together.

I am looking for a Good life partner
with Islamic values who would be a
great companion and a good friend to
my son.

பிரசவத்தின்போதும், அதற்குப் பின் குழந்தை பிறந்து இறந்ததற்கும் மருத்துவ சேவை குறைபாடுதான் காரணம் என்ற வழக்கை தேசிய நுகர்வோர் நீதிமன்றம் விசாரித்தது, அதன் வரம்புக்கு உட்பட்டதே என மேற்கண்ட உச்ச நீதிமன்றத் தீர்ப்பில் கொடுக்கப்பட்டுள்ளது.

Simply because a patient did not favourably respond to treatment given by physician or if surgery failed, doctor cannot be held liable per se by applying doctrine of res ipsa loquitur -

அதே தீர்ப்பில் மருத்துவர் கொடுக்கும் சிகிச்சை முழுமையாகப் பலன் அளிக்காமல் தோல்வி அடைந்துவிட்டால், அதற்காக - doctor cannot be held liable per se by applying doctrine of res ipsa loquitur - என மேற்கண்ட உச்ச நீதிமன்றத் தீர்ப்பில் தெளிவாகக் கூறப்பட்டுள்ளது.

NCDRC's observation that there were several instances of departure from standard protocols in antenatal management of patient, such as, not getting proper tests done, **and its final finding that no case of tortious medical negligence was made out against Dr.Kanwarjit Kochhar in handling Charanpreet Kaur's labour, her delivery, management of baby and his problem, and post-delivery management of both of them at nursing home, demonstrated and settled in no uncertain terms that case put forth was not proved and established.**

தேவையான சிகிச்சையை தாய்க்கும் குழந்தைக்கும் அளிக்கவில்லை எனவும், உரிய பரிசோதனைகளைச் செய்யவில்லை எனவும் தேசிய நுகர்வோர் நீதிமன்றம் தன் தீர்ப்பில் கூறியுள்ளது. ஆனால், தேசிய நுகர்வோர் நீதிமன்றம் மருத்துவமனையும் மருத்துவர்களும் Negligence-யாக சிகிச்சையளித்தார்கள் என்பதற்கான எந்த ஆதாரத்தையும் கண்டறியவில்லை என உச்ச நீதிமன்றம் தன் தீர்ப்பில் கூறியுள்ளது.

Once his case, as pleaded and projected, was not made out, NCDRC clearly erred in building up a new case on his behalf and in pinning negligence and liability upon Dr.Kanwarjit Kochhar in context of antenatal care and management of patient, which was never subject matter of complaint case-

தேசிய நுகர்வோர் நீதிமன்றம் Dr.Kanwarjit Kochhar அவர்களின் சிகிச்சையில் எந்த ஒரு குறைபாட்டையும் கண்டறிய முடியாத நிலையில், தேசிய நுகர்வோர் நீதிமன்றமே தானாக முன்வந்து ஒரு புதிய வழக்கை மருத்துவமனை மற்றும் மருத்துவர்கள் மேல் ஜோடித்துள்ளது என உச்ச நீதிமன்றம் தன் தீர்ப்பில் மேற்கண்டவாறு கூறியுள்ளது.

In doing so, NCDRC overstepped its power and jurisdiction as it was not for it to travel beyond pleadings in complaint case and build up new case on its own-

மேற்கண்டவாறு புதிய வழக்கை ஜோடித்ததன் மூலம் தேசிய நுகர்வோர் நீதிமன்றம் overstepped its power and jurisdiction என உச்சநீதிமன்றம் தன் தீர்ப்பில் மேற்கண்டவாறு கண்டித்துள்ளது.

NCDRC clearly transgressed its jurisdiction in building, a new case for complaints, contrary to their pleadings- Its finding that there was no negligence in delivery and post-delivery treatment have attained finality as no separate appeal was preferred by complainants -Impugned order passed by NCDRC, confirming SCDRC's judgment on new grounds made out by it, cannot be sustained.

Result: Appeal dismissed

தேசிய நுகர்வோர் நீதிமன்றம் தன் வரம்பை மீறி புது வழக்கை ஜோடித்துள்ளதாகவும், அதனால் மருத்துவமனையின் மருத்துவர்களும், தாய்க்கும், சேய்க்கும் Negligence-யாக சிகிச்சையளித்தார்கள்

என்ற வழக்கு முடிவுக்கு வருவதாகவும், தேசிய நுகர்வோர் நீதிமன்றம், மாநில நுகர்வோர் நீதிமன்றத்தின் தீர்ப்பின் அடிப்படையில் கொடுக்கப்பட்டுள்ள தீர்ப்பு தள்ளுபடி செய்யப்படுவதாகவும், மேற்கண்டவாறு உச்ச நீதிமன்றத் தீர்ப்பில் கொடுக்கப்பட்டுள்ளது.

ஒரு வருடத்தில் நம் மருத்துவர்களில் 12% பேர் நுகர்வோர் பாதுகாப்புச் சட்டப்படி ஏதோ ஓர் ஊரில், ஏதோ ஒரு நாளில் வழக்கறிஞர் நோட்டீஸ்களை தங்களுக்கு எதிராகப் பெற்று வருகிறார்கள் என்றால், அது மிகையாகாது. அப்படிப் பெற்று வரும் மருத்துவர்கள் ஆரம்ப கட்டத்திலேயே தங்களுக்கு எதிரான வழக்கறிஞர் நோட்டீஸில் கொடுக்கப்பட்டுள்ள குற்றச்சாட்டுக்களுக்கு எதிராகத் தக்க மருத்துவ ரீதியான, விஞ்ஞான ரீதியான, சட்ட ரீதியான ஆதாரங்களை முதல் பதில் கடிதத்திலேயே கொடுப்பார்களேயானால், 90% மருத்துவர்களும், மருத்துவமனையும் நுகர்வோர் பாதுகாப்பு வழக்கு மன்றங்களுக்கு வழக்காட்சி செல்ல வேண்டிய அவசியம் ஏற்படாது.

வழக்குமன்ற நோட்டீஸ்களை பெறும் 10% மருத்துவர்களும், மருத்துவமனை நிர்வாகிகளும் தயக்கமின்றி தக்க ஆதாரங்களுடன் வழக்கு மன்றத்தை அணுகுங்கள். நம்மிடம் உண்மையிருந்தால், மாவட்ட நீதிமன்றத்தில் நல்ல தீர்ப்பு கிடைக்காவிட்டாலும், மாநில நீதிமன்றத்தில் நல்ல தீர்ப்பு கிடைக்காவிட்டாலும், தேசிய நுகர்வோர் நீதிமன்றத்திலும் நமக்கு நல்ல தீர்ப்பு கிடைக்காவிட்டால், உச்ச நீதிமன்றம் வரை சென்று நம்முடைய PPLSSS of IMA, TNSB உங்களையும் உங்கள் மருத்துவமனையையும் காக்கும் என்பது திண்ணம்.

என்னுடைய இதயத்தில் பதிந்துவிட்ட மேற்கண்ட தீர்ப்புகளை உங்கள் முன்வைக்க ஊக்கமளித்த டாக்டர் மு. திருமாவளவன் (செயலாளர் NHB) அவர்களுக்கு என் மனமார்ந்த நன்றியைத் தெரிவித்துக் கொள்கிறேன்.

geethragunath@gmail.com

Dear Respected Seniors and Friends, Greetings from PPLSSS!

I want to extend my heartfelt thanks to all our office bearers for their continued dedication and passion toward the upliftment of our scheme. I also deeply appreciate the contributions of our leaders and Branch Office Bearers in support of our members during times of crisis.

United we stand, ensuring we can navigate the complex medico-legal landscape with confidence and comfort.

Important Advisory: Vigilance in Medical Documentation

Recently, we received advocate notices highlighting disparities in discharge summaries between the patient's copy and the insurance copy. I strongly urge all members to be extremely cautious. Please avoid such deviations, even when the intention is to help patients financially.

In this era of AI and data automation, it is incredibly easy for external parties to identify discrepancies in clinical notes, discharge summaries, and hospital bills. We must remain highly vigilant to protect ourselves and avoid unnecessary legal complications.

District Directory Verification

District-wise PPLSSS member lists, including phone numbers and email IDs, have been shared with all district coordinators and office bearers.

- District Coordinators: Please review these lists and report any necessary corrections to the PPLSSS office.

- Local Branches: Kindly share these directories with local branch office bearers for thorough verification.

- Please coordinate directly with the Secretary's office to finalize these updates and for any help.

PPLSSS Performance & Statistics

- Membership Statistics:
- New Memberships June 2026: 52
- Membership Renewals June 2026: 102
- Total PPLSSS Membership 30th June 2026: 9700

Legal Forum Updates (June 2026) :

- District Forum Cases: New case 11, Won 4, Lost 3
- State Forum Appeals: 3.

Thank you for your continued support, trust, and commitment to safe medical practice.

With regards, Yours sincerely

Dr. J. Senthil Kumar

TRI-SEA MEDICO-LEGAL CONCLAVE 2026 AT NAGERCOIL

A Conclave with a Difference

**PLEASE BLOCK YOUR DATES &
GET ENRICHED WITH MEDICO-LEGAL KNOWLEDGE!**

Date
Sunday,
20th September 2026

Time
9.00 AM to 5.30 PM

Venue
Hotel Ramraj Regency,
Near Concordia Higher Secondary School,
Medical College Road, Nagercoil.

An exclusive confluence of medical practitioners, specialists, superspecialists, and medico-legal experts to exchange knowledge, deliberate on contemporary medico-legal challenges, and explore practical strategies to minimize civil, consumer, and criminal liabilities in medical practice.

THEME "LIMITING THE LIABILITIES OF DOCTORS"

WHY THIS CONCLAVE MATTERS

- Escalating wave of litigations
- To bridge the gap between clinical practice and health care laws
- Deteriorating doctor-patient relationships
- Suffocation of medical profession from all sides
- Decreasing life span of doctors
- Premature retirement from medical practice
- Academic and mental stress full life
- Criminal prosecutions on the increase
- Increasing incidents of violence

OVERCOME THESE CHALLENGES. PROTECT YOUR PRACTICE.

TMNC CREDIT HOURS AVAILABLE

CATEGORY	REGISTRATION (Up to 10 th Sept 2026)	SPOT (After 10 th Sept 2026)
DOCTORS	₹ 1,500/-	₹ 2,000/-
