STATE PRESIDENT MESSAGE

Dr. B. SRIDHAR

IMA State President

Cell: 94433 26427

E.mail: drsridharima@gmail.com

**Dear Friends
and Respected
Seniors,**

Once again, I have the opportunity to interact with you through this prestigious President's Address, and I thank all of you for that privilege.

Today, I wish to share my thoughts on two important issues that have recently made headlines in Tamil Nadu—the media and political pressure faced by doctors in Karaikudi and the siege of a hospital in Melur. These incidents highlight the challenges confronting the medical profession and underline the need for preparedness, unity, and timely action from our Association.

The Karaikudi Incident

A surgeon in Karaikudi was accused of negligence following a medical procedure. Both the surgeon and the hospital management came under tremendous media and political pressure. The issue was courageously handled by a Joint Action Committee comprising members from three local branches under the experienced leadership of Drs. Surendran, Periyasami, and Dr. Jagadeesan, Chairman of the PPLSSS Legal Committee.

While the immediate crisis was effectively managed, negative media coverage continued. At that stage, I intervened and addressed a press conference in the presence of the local leaders, clearly explaining the medical facts and emphasizing that the unfortunate event was a medical accident and not a case of negligence. Most media organizations accepted our explanation and reported the matter responsibly.

Though an FIR was initially registered based on allegations of threatening behavior and not medical negligence, the police acted with restraint and responsibility. The important lesson from Karaikudi is that the affected doctors remained calm and courageous, while the local branches responded in large numbers, creating a strong collective presence. This initial period

of crisis may rightly be called the “Golden Hour of Patience and Grit.”

The Melur Incident

The second incident occurred in Melur on 13th and 14th June, coinciding with our State Council Meeting in Chennai.

A young woman unfortunately passed away following a hysteroscopic procedure, and subsequent attempts to revive her at Government Hospital, Melur, were unsuccessful. A crowd soon gathered around the hospital, creating a tense situation.

The IMA Melur team made sincere and commendable efforts to control the situation. However, unlike Karaikudi, the media and police response was less supportive. Matters were further complicated when pressure was exerted on the treating doctor to arrive at a monetary settlement. Requests from the branch for a post-mortem examination did not receive the attention they deserved.

Although the State Office advised escalation of the matter to district authorities, the affected doctor ultimately opted for settlement, making further intervention difficult.

I place on record my sincere appreciation for the dedicated efforts of

the office bearers of IMA Melur during this challenging period.

Lessons Learnt

These incidents remind us of certain fundamental truths:

1. The initial hour matters most. An affected doctor or hospital cannot handle such situations alone. Immediate support from the local branch is essential.
2. The local branch must respond instantly. Formalities should never delay action. Doctors facing crises are often emotionally distressed and unable to seek help themselves.
3. Every branch should maintain an Action Committee consisting of office bearers, senior leaders, legal advisors familiar with medical issues, and members who have good rapport with the police, media, and public representatives.
4. The nearest State Office Bearers must be informed immediately for guidance and support.
5. The Zonal Vice President, State President, and State Secretary must be informed without delay.
6. The Zonal Vice President should act as the coordinating link between the branch and the State Office and, wherever possible, personally visit the site.

Immediate Actions Expected from Branches

In such situations, branches should:

- Request a post-mortem examination wherever a death has occurred.
- Seek police protection for the doctor and hospital under the provisions of the Tamil

Nadu Medicare Service Persons and Medicare Service Institutions (Prevention of Violence and Damage or Loss to Property) Act, 2008.

- File complaints against those involved in unlawful gatherings, intimidation, or vandalism.
- Meet district authorities such as the Collector, SP, DSP, or Revenue Officials and submit representations explaining the facts.
- Conduct a press briefing or issue a formal press statement explaining the medical perspective.
- Protect the affected doctor from direct media exposure.
- Convene an emergency General Body Meeting and pass appropriate resolutions.
- If circumstances demand, organize a one-day protest while ensuring uninterrupted emergency services.

Role of the State Office

Upon receiving information, the State Office will:

1. Monitor the situation in consultation with the branch Action Committee.
2. Deploy a State leader, usually the Zonal Vice President or the nearest State Office Bearer, whenever necessary.
3. Coordinate discussions with the police, administration, media, and public representatives.
4. Lead delegations to district authorities and strongly represent the interests of the affected doctor.
5. Escalate the matter to State-level authorities if adequate protection and action are not forthcoming.
6. Keep State Government authorities informed and seek their intervention wherever required.
7. If necessary, organize State-wide agitation in coordination with the Action Committee.
8. Every branch should nominate one senior member with strong public and administrative connections to be included in the State Action Committee, in addition to the Branch President and Secretary. I request all branches

to communicate these names through their respective Zonal Vice Presidents.

9. Above all, we must remember that the primary responsibility of our Association is to protect our members during times of crisis. Discussions regarding the merits or shortcomings of a case can always take place later. Our immediate priority must be the safety, dignity, and protection of the doctor concerned.

Hospitals Must Be Declared Protected Zones

Another matter causing serious concern is the increasing trend of unauthorized entry into hospitals for filming videos, creating social media content, and conducting unofficial inspections under various pretexts.

Such actions compromise patient privacy, disrupt healthcare delivery, and endanger both patients and healthcare workers.

I propose the following:

1. The Government should clearly define the officials and elected representatives authorized to inspect healthcare institutions.
2. Sensitive areas such as ICUs, NICUs, PICUs, Labour Wards, and Operation Theatres should be declared restricted zones, accessible only for authorized medical audits and official purposes.
3. Clear guidelines should prohibit unauthorized photography and videography inside hospitals.

4. Strict penal action should be initiated against unauthorized entry and unlawful media activity.

Most importantly, hospitals should be officially declared “Protected Zones” with provisions for adequate security and protection of healthcare personnel.

I appeal to IMA and all Government Doctors’ Associations to unite and submit a common representation to the Government on this issue. With doctors presently holding key positions as Health Minister and Health Secretary, I remain optimistic that our concerns will receive a positive hearing.

Let us remain united, vigilant, and committed to protecting our profession and our members.

Long Live IMA!

- Dr. B. SRIDHAR

IMA State President

STATE SECRETARY'S Desk Report

Dr. M. THIRAVIAM MOHAN

Hony. State Secretary

Mobile : 94421 23649 | thiraviammohanima@gmail.com

Dear Members,

Warm greetings from Team IMA Tamil Nadu State Branch 2026.

The past few weeks have been marked by a series of significant professional, academic, advocacy, welfare, and organizational initiatives undertaken by the State Branch. We are pleased to present a brief report of the activities carried out during this period.

17.05.2026 – Sunday :The Management Committee of IMA PPLSSS and FSS resolved to extend the Special Combo Offer for existing IMA members under the Doctor's Day 2026 Welfare and Security Initiative. This beneficial offer has now been extended until 31 July 2026.

21.05.2026 – Thursday :The IMA TNSB CGP CME was conducted via Zoom, during which the CGP Certificate Course in Respiratory Diseases was formally inaugurated.

22.05.2026 (Friday) :

- A high-level IMA Tamil Nadu State Branch delegation led by State President Dr. B. Sridhar, along with Dr. P. Senguttuvan (Immediate Past President),

Dr. A. K. Ravikumar (President Elect), Dr. M. Thiraviam Mohan (Honorary State Secretary), and Dr. D. Solomon Jeya (Honorary State Finance Secretary), met Ministers and senior Government officials at the Secretariat, Chennai.

- Discussions focused on key issues affecting the medical profession, healthcare institutions, and public health services in Tamil Nadu.
- Courtesy meeting held with Hon'ble Minister for Natural Resources, Dr. T. K. Prabhu, who facilitated interactions with concerned Government officials.
- Memorandum and professional concerns were submitted to Hon'ble Health Minister Dr. K. G. Arunraj, who assured detailed discussions with IMA leadership.
- Discussions were held with Hon'ble Minister for Environment and Climate Change Dr. N. Rajeev regarding the Biomedical Waste Disposal Facility project at Ramanathapuram and pending approvals.
- Detailed representation was made to Dr. Darez Ahamed, Principal Secretary, Health & Family Welfare Department, regarding various demands and concerns of the medical fraternity.
- Dr. S. Uma, Additional Secretary to Government, Special Programme Implementation Department, also participated in the discussions.
- The meetings were positive and constructive, with assurances of follow-up action on several important issues.

IMA Tamil Nadu State Branch remains committed to safeguarding the interests of doctors while strengthening public healthcare services

24.05.2026 – Sunday :Visited Madurai and had the privilege of honouring the remarkable contributions and legacy of Prof. Dr. K. Senthil, MD, the visionary leader of TNGDA, on the occasion of his superannuation.

25.05.2026 – Monday :Participated in the Zoom CME organized by the Blood and Organ Donation Committee on the topic "Brain Death and Organ Retrieval."

26.05.2026 – Tuesday :Attended the MSN & JDN Zoom CME organized in observance of World Schizophrenia Day 2026. The session focused on "Schizophrenia in Clinical Practice – From OPD to Ward."

02.06.2026 – Tuesday :Participated in a Zoom review meeting to discuss ongoing organizational activities and future programmes.

05.06.2026 – Friday: Also attended the GIC-IMA Team Zoom meeting with insurance representatives regarding ongoing insurance-related matters.

30.05.2026 – Saturday :

- Family Doctor Day was celebrated at IMA Tambaram Branch. Attended the World Young Doctors Day Celebration at the IMA Headquarters Building, Tambaram, in the presence of IMA Past National President Dr. R. V. Asokan and IMA CGP Headquarters Dean Dr. Shobha Ahuja. The programme was jointly organized by IMA CGP Headquarters and IMA Tambaram Branch.
- Members also conveyed birthday greetings to our State President, Dr. B. Sridhar.
- Along with our State President Dr. B. Sridhar and President-Elect Dr. A. K. Ravikumar, attended a discussion with the legal team at AAV Partners Office and received updates on various medico-legal cases being pursued by IMA.
- Visited Arignar Anna Arangam along with the organizing team to review arrangements for the forthcoming State Council Meeting.

31.05.2026 – Sunday: Participated in the Conference on Artificial Intelligence in Healthcare, along with the 141st NHB Meeting, PH & NHB Session, and the 88th Management Committee Meeting held at the Alumni Club, No. 1 Boat Club Road, Raja Annamalaipuram, Chennai.

Had a fruitful interaction with Mr. Anand Srinivasan, Finance Advisor, regarding healthcare finance and emerging opportunities in the sector.

02.06.2026 – Tuesday: IMA Tamil Nadu State Branch paid heartfelt homage to Dr. S. T. Prasath, MD, former State Assistant Secretary, whose untimely demise has deeply saddened the medical fraternity.

His lifelong dedication to medicine and his noble decision to donate his body for medical education remain an inspiring example of selfless service beyond life.

Also attended the PH & NHB Zoom Meeting to review ongoing activities and plan future initiatives.

03.06.2026 – Wednesday : Issued a press release strongly condemning the attack on Dr. Anand Gupta, President-Elect, IMA Rajasthan State Branch, and reaffirmed our solidarity with the medical fraternity.

04.06.2026 – Thursday : Dr. A. Selwyn J. Kumar, Assistant State Secretary, represented IMA TNSB at the State Immunisation Advisory Committee Meeting convened by the Directorate of Public Health and Preventive Medicine.

05.06.2026 – Friday : Participated in IMA Connect, the regular online interaction platform of IMA TNSB, where several important professional issues were discussed and deliberated.

06.06.2026 – Saturday : Along with our State President, attended the inauguration of the Certificate Course in Healthcare Finance at SRIHER.

10.06.2026 – Wednesday : Submitted a representation seeking strict adherence to Supreme Court guidelines and Government Orders while investigating allegations of medical negligence.

A press release was also issued regarding a medico-legal issue in Karaikudi, emphasizing the importance of due process and the protection of doctors' rights.

11.06.2026 – Thursday : Participated in a Zoom meeting with Advocate V. Ramkumar, Tiruchirappalli, for GSTR-9 Finalization, Turnover Reconciliation, and Compliance Review FY 2024–25. The meeting focused on statutory compliance, reconciliation of accounts, and GST-related matters of the State Branch.

13.06.2026 – Saturday : Visited a proposed property site along with State President Dr. B. Sridhar, Immediate Past State President Dr. P. Senguttuvan, President-Elect Dr. A. K. Ravikumar, and Honorary State Finance Secretary Dr. D. Solomon Jeya to assess its suitability for future organizational requirements.

13.06.2026 – Saturday : Attended the Inauguration of the IMA Aminjikarai M.G.M. Health Care Branch, Chennai, a proud addition to the IMA family. The programme was meticulously organized through the dedicated efforts of Dr. Jayaraman and the Hospital Administration, making it a memorable milestone in the continued growth and expansion of IMA Tamil Nadu State Branch.

14.06.2026 – Sunday:

- The 329th State Council Meeting of IMA Tamil Nadu State Branch was successfully conducted in Chennai. The day commenced with the Past Presidents' and Past Secretaries' Meeting, followed by the State Council Meeting.
- The programme was hosted by: IMA Ambattur-Avadi Branch, IMA Chennai Villivakkam-Ayanavaram Branch, IMA GAMMPA Branch and IMA Chennai Red Hills Branch
- The meeting was exceptionally well organized, with excellent arrangements and enthusiastic participation.
- On behalf of IMA Tamil Nadu State Branch, we extend our heartfelt congratulations and sincere appreciation to the organizing team, particularly Senior State Vice President Dr. D. Boopathy John, IMA GAMMPA Branch President Dr. M. Praveen, State Vice President Elect Dr. S. Jayaraman, IMA Chennai Villivakkam Ayanavaram Branch President Dr. M. Rajkumar, IMA Ambattur Avadi Branch President Dr. K. Namitha Bhuvaneshwari, IMA Chennai Red Hills Branch President Dr. D. Gopal, and their dedicated team of organizers and volunteers.

- Their commitment, meticulous planning, teamwork, and warm hospitality contributed immensely to the grand success of the meeting.
- During this 30-day period, the State Branch remained actively engaged in academic programmes, professional development initiatives, policy advocacy, member welfare activities, organizational expansion, medico-legal support, and stakeholder engagement. Through physical meetings, Zoom conferences, CMEs, welfare programmes, branch development activities, and State-level deliberations, IMA Tamil Nadu State Branch continued its commitment to strengthening the medical profession and advancing healthcare in Tamil Nadu.

We sincerely thank all our members, office bearers, local branches, committee members, and well-wishers for their unwavering support, cooperation, and participation.

Together, let us continue to uphold the values of service, unity, professionalism, and leadership in healthcare.

With warm regards,

- Dr. M. Thiraviam Mohan

STATE PRESIDENT ELECT

Dr. A.K. RAVIKUMAR

IMA State President Elect

Cell: 98422 22404 | e.mail: drakrk@gmail.com

Dear all,

Greetings. Happy to get connected with you all again through TIMA.

As FSC chairman along with State Office core team we had series of meeting with various Financial Advisors for alternate fund management of association fund. We are planning to invest part of our funds in funds other than Bank deposits for better Returns.

Regarding Insurance hospital common empanalment, package fixation state Core Team is having series of discussions with General Insurance Council and Core insurance companies of Tamilnadu and we will be coming out with a common formula of fixing packages and methodology of common empanalment with insurance companies shortly. Until then we request all the members to hold on from signing MOU s with insurance companies.

Violence against Healthcare professionals seems increasing recently. We request all the local branches to have CRISIS team to immediately help our fraternity. Branch leaders can call for help and suggestions from the state office and other important senior leaders at the time of crisis in their area to handle smoothly. Don't hesitate to go for flash strike locally with State office concurrence if needed.

Appreciations to the branches for conducting several programs for public and our doctors. Please express your services to public in social media and press so that public should come to know IMA'S services. Let this Doctors Day be celebrated by the public in every branch.

Message for this month.

Hope you followed and read the previous informations regarding the health insurance in the previous editions of TIMA.

Now that you have Health insurance policy, we shall have some Tips to utilise that.

How to select the hospital for my ailment?

Accessibility: Check for nearby hospital, your preferred doctor.

Ailment specific facility : Find out whether your ailment specific facilities are available.

Your preferred consultants: check out whether your preferred consultants visit that hospital

Cashless network : Find out if the hospital is in the network of your insurance company.

Cashless every where: If not in network go for cashless every where option if you prefer that hospital.

Process inside the Hospital:

- Once inside the hospital inform front desk about your insurance policy.
- Give your policy copy or Policy ID.

- Inform your insurance company about your admission in that hospital.
- Opt for Rooms within the Room rent Capping as per your policy. Ref customer information sheet. Otherwise, you have to shell out extra money proportionally to all billing heads like OT, Anaesthesia, ICU, etc.
- For Any surgical procedure see the limit as per your policy, co pay if any.
- Disclose all health-related problems and duration with previous admissions etc clearly to avoid delay in pre authorisation.
- Check your message box or e mail for informations from insurance company, you can track your pre authorisation.
- Plan for the out-of-pocket expenditure beyond your authorised amount.
- Pre hospitalisation expenditure claim
- You can claim pre hospitalisation 30 to 60 days expenses related to this ailment by producing the bills to insurance desk.
- Ask for bills for any transactions outside the hospital, like special investigations, MRI, CT etc, take a copy, present the originals to hospital insurance desk for including in claim on discharge. Final Authorisation :
- You will receive final authorisation copy as message or e mail.

Check with insurance desk.

Pay the disallowable, Co pay if any, any amount beyond sum assured as given in Authorised amount.

Post discharge expenses claim

- You are eligible for post treatment follow up expenses up to 30 days or as per your policy terms by producing bills directly to the insurance company.

- I had insurance policy but could not do cashless what next?
- You can go for reimbursement by providing all the bills in Originals discharge summary along with your policy copy directly with the insurance company office nearby your place and get it reimbursed. Take a copy of all the documents which you submit to the insurance company

Daily cash allowance:

- Check your policy if you have opted for daily cash allowance. You are eligible for daily fixed amount for 3 to 5 days or the maximum of 30 days in a year, rarely up to 180 days as per your policy terms.

Can I claim the out of pocket expenditure?

- Yes you can do it if you are having Family Benefit Scheme of pplsss or FSS scheme one or two if the disease is covered as per FSS Family Health Scheme policy by producing the bills to the respective secretaries.

Friends take health insurance policy, join IMA PPLSSS FBS, FSS 1 and 2 and have mental peace during your or your spouse health issues without financial burden.

See you all in the next issue with more information for our hospital owners on Insurance.

- Dr. A.K. RAVIKUMAR
IMA State President Elect

STATE FINANCE SECRETARY MESSAGE

Dr. D. SOLOMON JEYA

Hony. State Finance Secretary

Mob. : 9443580315 e.mail : solomonjeya@gmail.com

Respected and Esteemed Members,

"A great man is hard on himself; a small man is hard on others." — Confucius.

"Lost time is never found again." — Benjamin Franklin

True leadership is defined by self-discipline and an unwavering commitment to the service of others. We see this philosophy embodied every single day in the relentless work of our President, Dr. B. Sridhar, and our Secretary, Dr. M. Thiraviam Mohan. Their meticulous planning, vision, and tremendous contributions have ensured that not a single moment of our association's time has been wasted. We owe the success of our recent endeavors to their tireless stewardship.

It brings me immense joy to announce that we have enrolled around 1,700 new members during this membership drive. Welcome to our professional family! I earnestly request all our new members to explore and join the Family Security Scheme (FSS).

A Silent Pledge of Brotherhood

Imagine a young doctor, full of dreams, working sleepless nights and enduring the same professional stresses we all face. One evening, tragedy strikes unexpectedly, leaving behind a devastated family. While no amount of money can ever replace a loved one, being part of our FSS network ensures that a safety net of financial support wraps around the grieving family within days.

The profound satisfaction of lending a helping hand to a colleague's family—especially during an untimely loss at a young age—is truly unimaginable. We stand together so that our professional family never has to walk through the darkness alone.

- Hearty congratulations to the NHB of TNSB for organizing an exceptional CME on "AI in Medical Practice." This seminar did more than just open our eyes to the current technological landscape; it actively equipped us with the knowledge needed to face future professional challenges in the rapidly evolving era of Artificial Intelligence.
- I had the distinct privilege of attending the wonderful inauguration and installation ceremony of IMA Aminjikaiarai MGM Health Care. The event was flawlessly organized. I wish to extend my deepest thanks to Dr. Jeyaraman Sir; his unique combination of professional excellence and warm hospitality left a lasting impression on everyone present.

An Earnest Appeal for Doctor's Day

Security is not an option; it is a necessity. I strongly request all branch office bearers who have not yet joined FSS and PPLSSS to enroll in the schemes at the earliest. Please place yourself and your loved ones within this essential safety net.

As we approach the Doctor's Day celebrations, let us turn our gratitude into action. I encourage all members to advocate for the FSS membership drive in large numbers. Let us celebrate our profession by protecting those who practice it.

With warm regards,
Dr. D. Solomon Jeya

INDIAN MEDICAL ASSOCIATION

TAMIL NADU STATE BRANCH

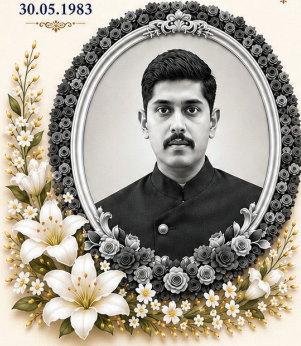

BORN
30.05.1983

✦ TRIBUTE TO A LEGENDARY HEALER ✦

DEATH
02.06.2026

Dr. S. T. Prasath, M.D.

Former State Assistant Secretary
IMA Tamil Nadu State Branch (2024)
Erode

*He lived as a healer,
he departed as a teacher,
and he remains an inspiration forever.*

His selfless act of body donation transforms loss into learning,
and remembrance into wisdom for future generations of doctors.

✦ TO HEAL
His legacy lives on eternally through the noble clinical values, profound care, and professional ethics he practiced throughout his life.

✦ TO TEACH
In an extraordinary final act, he transcends life to become a permanent, silent mentor and guiding standard for future generations of physicians.

✦ TO INSPIRE
His magnificent sacrifice illuminates our entire fraternity, reminding us of the ultimate height of dedication to the advancement of medical science.

“
The hands that healed now guide.
The heart that served still inspires.
The legacy he leaves will never fade.”
”

Om Shanti!

In serving humanity, he found purpose. In giving beyond life, he found immortality.

Academic Update | June 2026

Strengthening General Practice Through Structured Fellowship Training

Dear Colleagues,

The College of General Practitioners (CGP), IMA TNSB is proud to announce the successful progress of its flagship fellowship programs:

- Fellowship Course in Diabetology
- Fellowship Course in Diabetic Foot Care
- Fellowship Course in Infectious Diseases

Building on this strong academic foundation, CGP now launches its **Fourth Fellowship Program — Fellowship Course in Respiratory Diseases.**

Respiratory illnesses continue to constitute a major burden in day-to-day general practice, especially in primary and semi-urban healthcare settings. This fellowship is designed to provide practical, clinic-oriented respiratory training for General Practitioners.

ONLINE CME & COURSE LAUNCH - Fellowship Course in Respiratory Diseases

- Date: 21 May 2026 (Thursday) -
- Time: 4.00 PM – 6.00 PM
- Online CME Session

Topic 1- How to Approach Cough - Speaker: Dr. Srikanth

Topic 2 - Don't Miss These Findings in Chest X-ray in Your Clinic - Speaker: Dr. Vijay Sadasivam

Topic 3 - Pleural Effusion in Chest X-ray – What Next? - Speaker: Dr. Jayamohan Unnithan

Topic 4 - Pulse Oximeter, Peak Flow Meter, Inhaler with Spacer & Nebuliser – Practical Use in Emergency Situations in General Practice - Speaker: Dr. V. Nandagopal

This fellowship course in respiratory diseases will be spearheaded by Dr. Nandagopal who will be course co-ordinator. This academic initiative aims to empower General Practitioners with practical respiratory medicine skills that can be immediately implemented in clinical practice.

Upcoming Online CME

- Date: 19 June 2026 (Friday)
- Time: 4.00 PM – 6.00 PM
- Online CME Session

Theme of the CME - EVERYDAY

DIAGNOSTIC PEARLS for General Practitioners

Topic 1 - Complete Blood Count: The most powerful Test in Everyday Practice - Speaker: Dr. G.Manigandan -Physician & Diabetologist

Topic 2 - Liver Function Tests Demistified : A practical approach for Primary Care - Speaker: Dr. Rabindranath - Medical Gastroenterologist

Topic 3 - Chest X-rayMade Easy –Essential interpretation skills for General Practitioners - Speaker: Dr. A.Anbarasu - Radiologist

Topic 4 - CT or MRI - Choosing the Right Imaging at the Right time - Speaker: Dr.T.Madan Mohan - Radiologist

These academic initiatives reflect CGP's continued emphasis on structured learning, case-based discussions, and mentorship by experienced faculty, enabling clinicians to enhance diagnostic accuracy, rationalize treatment decisions, and practice evidence-based medicine with greater confidence.

As highlighted in our previous communications, CGP courses—affiliated with IMA CGP Headquarters—are carefully designed to empower practitioners with practical, up-to-date knowledge aligned with evolving trends in modern medicine. The launch of our Fellowship Course in Respiratory Diseases further strengthens this vision of delivering need-based, clinically relevant medical education for General Practitioners.

With the successful conduct of fellowship programs in:

- Diabetology

- Diabetic Foot Care
- Infectious Diseases

CGP continues to build a strong academic platform focused on improving standards in primary and community healthcare practice.

We warmly encourage all doctors to actively participate in our upcoming CGP courses, CMEs, workshops, and academic activities. Continuous learning remains the cornerstone of safe, ethical, and effective medical practice, and CGP remains committed to being a trusted partner in every clinician's journey of lifelong education. We sincerely thank all our members, faculty, coordinators, and participants for their continued support, trust, and enthusiastic involvement in CGP academic initiatives.

With best wishes for your continued professional growth and your dedicated service to society.

Warm regards,

TEAM IMA TNSB CGP

Dr. V. SEETHARAM

IMA Paramedical Wing Joint Secretary
Mobile : 9843838505
vharisram@gmail.com

IMA TNSB Paramedical wing has completed the Academic year 2025-26 by conducting final exam from 08 to 13 June 2026. 1854 Students appeared exam from 117 Institutions in 35 Common exam centres. The examinations were conducted smoothly with the support of IMA TNSB State Office Bearers, Presidents and Secretaries of the IMA Branches and the Hospital/College administrations, for which we thank them. We also thank the Principals and the Faculties worked hard to train the Paramedics throughout the year. The supplementary exam will be conducted at the earliest, so as to issue necessary certificates during the convocation. We will be starting the answer sheet correction work and releasing result by last week of July 2026.

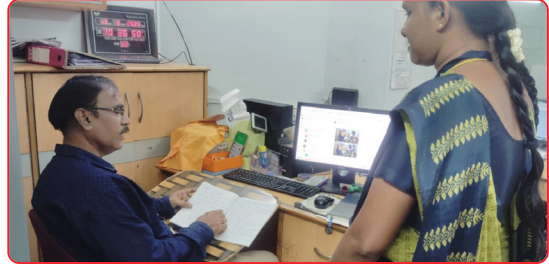

July 2026 is the vacation period for the Paramedical Institution and the next academic year will commence from 01 August 2026. Institutions can start enrolling the students and sent the applications along with the necessary admission fee from July 15 onwards, so as to issue the books to the students. The Institutions are to follow the curriculums for IMA TNSB Paramedical wing only. Institutions can buy a curriculum book for their reference.

An important notice is that the institutions can not collect more than Rs. 20,000/- per year from the students and Rs. 2,000/- as an exam fee, similar fee for the second year and third year as well. Necessary admission forms available in the website “imatnparamedical.com” or have it from the State office. The last date for admission is 31st Oct 2026. The second year and Third year students must pay their Tuition fee by July 31, 2026. No institution is permitted to admit the student beyond the cutoff date. No late admission. Every institution should have valid Accreditation certificate to conduct IMA run Paramedical courses, without approval, no one is permitted to conduct/continue the courses. Those institutions due for renewal are to apply for the renewal immediately, paying necessary fee.

The NHB hospitals wants to apply for Paramedical courses with IMA TNSB are to apply the same by July 2026. We are looking forward more NHB hospitals to come up with new Paramedical institutes under IMA TNSB.

State council meeting at Chennai was a well-planned event. We presented our para medical wing quarterly report. We have also planned for the Zonal meetings, which will be announced soon. Looking forward for the new academic year with new hopes.

Yours in IMA Service.

"Empowering Medical Specialists Through Excellence in Education"

The Academy of Medical Specialties (AMS) is a dedicated wing of the Indian Medical Association committed to advancing clinical expertise among medical specialists. It serves as a dynamic platform for continuous professional development, collaborative learning, and academic excellence across all medical and surgical disciplines. Under IMA Tamil Nadu State Branch, AMS drives specialist education through structured CME programmes, fellowship courses, hands-on workshops, and innovative certificate programmes.

PROGRAMME HIGHLIGHT – AMS CME – VI

04th June 2026 - Zoom & YouTube Live - 1000+ Participants - 0.5 TNMC Credit Hour

Topics

1. Dr. Aarthy - Ebola: From Suspicion to CONFIRMATION
2. Dr. Namitha Narayanan - Management of Ebola
3. Dr. D. Suresh Kumar - Zombie Tests in Fever Management: Dead tests that still we use

Multi-platform delivery ensured maximum reach with exceptional feedback from specialists across Tamil Nadu.

2. STATE COUNCIL MEETING QUARTERLY REPORT – 14th JUNE 2026, CHETPET, CHENNAI

Presented by chairman and secretary to various branch president, secretaries and state council

members. The session served as a vital step in strengthening grassroots engagement, aligning branch leadership with AMS membership strategies, and ensuring uniform academic activity across all IMA branches in Tamil Nadu

3. UPCOMING PROGRAMME

Our state annual AMS conference is on July 14th to 18th everyday between 4-7:00 p.m. Hybrid programme is on July 18th 5-8:00 p.m. At pollachi. Kindly join in large numbers and make use of the academic programme.

JOIN THE AMS WING

AMS membership opens the door to high-quality CME programmes, expert-led specialty training, fellowship opportunities, TNMC credit hours, professional networking, and a pathway to academic distinction. For membership enquiries, course registrations, and updates, contact the AMS Wing Secretariat.

YOUR VOICE MATTERS – Share your feedback, suggestions, and ideas to help us serve the medical community better.

With warm regards,

UPCOMING PROGRAM

- PH & NHB, PPLSS Sensitisation meeting of Villupuram & Kallakurichi & Exclusive Management Committee Meet at Villupuram IMA July 26 - 2026

Long Live IMA.

Why small Clinics and Single Doctor (G.Ps) Clinics are facing closure, nowadays

Dr. R.M. KRISHNAN
State President (1998-99)
Past Ethics Committee
Chairman,
Former Quackery
Eradication Committee
Chairman, IMATNSB

Preamble:

In olden days, the Family Doctor practice was in vogue. Even after the advent of English medicine (Allopathy) when I started practice, during 1960s this concept of G.P was there. The G.Ps flourished in villages and Towns. Not much gadgets, only stethoscope was available. Their clinical

acumen only helped them to diagnose and treat patients. Medicines were also limited. To the best of their knowledge, they treated and cured them. The cost was also less. Patients were happy.

In reality:

For the past 2 years we are hearing, in keralam many small clinics and single doctors (G.Ps) Clinics were closed and they joined corporate hospital for their survival. This is happening in TN also now. The mindset of people changed and the faith and trust. They had in the G.Ps got eroded. The Trust was fiduciary in Nature, both trusted each other in those days.

After the introduction of CPA (Consumer Protection Act), the mindset of the people got changed and they learnt, if they drag the Doctor to court on some pretext or other blaming them, that they were negligent in treatment and caused death of their dear ones. The court and police also started filing cases. This caused lot of mental agony and loss of reputation for the Doctors. Once the reputation is lost, it is difficult to regain the reputation once again.

But, in civilized countries like USA and UK this Act is not there. Only Civil Liability is there. This will be handled by civil courts and law of Torts.

No criminal negligence attributed there, when patient died because of failure of treatment. No

mental agony, No public disgrace and No Police Arrests. This is one reason.

CEA (Clinical Establishment Act)

The other deterrent is CEA Act. This law meant for Secondary care and Tertiary care Hospitals is imposed on small clinics. This warrants them to produce so many certificates from Pollution Control Authority, Fire Department and stability certificate and rental certificate etc. This forces them to bribe authorities and get the needed certificates. This is not needed for small clinics and one-man Consulting Rooms (G.Ps) but imposed by JDs (Joint Director of Health)

This vexes them and force them to join some corporate hospitals, abandoning G.P Practice.

Remedy:

These 2 deterrents have to be removed for them to start G.P practice. Now, the supreme court itself has taken cognizance of the fact on an appeal by the Private Doctors Association of Keralam and revisiting the Judgement which previously included the Medical Profession exempting legal profession.

It should be clearly understood, the Doctors are treating patients (sick persons) the Lawyers deal with their clients and traders and businessmen only deal with their customers. So, Doctor and Patient relationship should not come under Consumer Protection Acts.

This CPA Act has emboldened patients to file cases and at a lesser cost, they **claim huge amounts** running to crores of Rupees as Compensation on death of a patient.

Less effort more money for the patients side. Now, IMA HQ has impleaded in the Keralam case. We hope we will get exemption just like Legal Profession.

One more request to specialists, they should insists on patients to get a referral letter from their G.Ps to take up the case for investigation and treatment. This will revive the G.P practice and small clinics also can thrive. This is in vogue in advanced countries like USA and U.K. ●

geethragunath@gmail.com

Dear Respected Seniors and Friends, Greetings from PPLSSS!

The recently concluded 329th State Council Meeting on 14th June Chennai was exceptionally well-organised. The dedicated efforts of the organizing committee are highly commendable.

Congratulations to Dr. M. Sudhakar, IMA Gudiyatham for being elected as Member of the Legislative Assembly of Tamilnadu from Katpadi constituency. I extend my gratitude to Dr. M. Sudhakar and Office Bearers of IMA Gudiyatham, for giving me the platform to talk about PPLSSS in his felicitation function organized in Gudiyatham on 24th may.

I extend my sincere gratitude to IMA Hyderabad and the organising committee members of the Medical Quality Dialogues 2026, held in Hyderabad on 13th and 14th June. Thank you for providing me with the opportunity to deliver a talk on "Quality Indicators in Health Care – Comprising Legal Framework and Ethics."

Our total membership is rapidly marching toward the 10,000 milestone.

- **District Coordinators -PPLSSS** : Please ensure all State Council members in your respective districts join PPLSSS.
- **Office Bearers (Branch & State Level)** : Please actively motivate non-members to enroll in PPLSSS to ensure safety in their medical practice.

Critical Medico-Legal Advisory

Reviewing the advocate and consumer notices received over the past month, we have identified key areas of vulnerability. Please strictly adhere to the following guidelines to protect your practice:

- **Consistency in Discharge Summaries** : Avoid creating discrepancies between the patient's copy and the insurance copy. Never alter a discharge summary for insurance purposes, even if intended to benefit the patient. Conflicting documents serve as written evidence that is nearly impossible to disprove during a legal dispute.
- **Issuance of Medical Certificates** : Refrain from issuing medical certificates if you have not personally examined the patient. Every certificate must be backed by actual clinical findings or concrete investigation reports that prove the diagnosis.

- **Accessible Communication for Legal Drafts** : When submitting documents (Advocate notices, Medical Council notices, or JD office notices) to the Medico-Legal Committee for drafting replies, provide a phone number where you can be directly reached. Relying on general clinic or hospital desk numbers makes it highly difficult for the committee to clarify doubts promptly.

Membership Statistics

- New Memberships May 2026 is 108
- Membership Renewals May 2026 is 85
- Total PPLSSS Membership as on 31.05.2026 is 9667.
- Total HPS Membership as on 31.05.2026 is 1037.
- Total FBS Membership as on 31.05.2026 is 503.

The total number of cases received in the month of May is 8. In district forum We had won 4 no of cases and lost 2 no of cases in may 2026. In the state forum we had appealed for 1 cases.

Thank you for your continued support and commitment to safe medical practice.

With regards, Yours sincerely

Dr. J. Senthil Kumar

Chairman, PPLSSS, IMA TNSB
