Welcomes

Dr. VIJAY T. K. TITUS

D.Ortho, DNB (Ortho), MS (Ortho),
Fellow in Ortho. Oncology (Australia)
**Consultant - Orthopaedics &
Orthopaedic Oncology**

RENOWNED ORTHOPAEDIC ONCOLOGIST

4 decades of experience at
CMC, Vellore with extensive expertise in
treating complex orthopaedic conditions,
including bone and soft-tissue tumours.

Specialised in:

Bone Tumours

- Large & Complex Bone Tumours
- Osteosarcoma & Chondrosarcoma
- Giant Cell Tumours (GCT)
- Bone Cyst Management

Orthopaedic Oncology

- Adult & Paediatric Orthopaedic Tumours
- Bone & Soft-Tissue Sarcomas
- Metastatic Bone Tumour Management

Complex Reconstruction

- Limb-Salvage Surgery for Bone Tumours
- Prosthetic Reconstruction & Joint Replacement
- Other Complex Orthopaedic Surgery

MAKING THE IMPOSSIBLE, POSSIBLE

STATE PRESIDENT MESSAGE

Dr. B. SRIDHAR

IMA State President

Cell: 94433 26427 | drsridharima@gmail.com

Dear Friends and Respected Seniors,

With just two months remaining in my presidential tenure, I look back with immense satisfaction at the remarkable activities of IMA Tamil Nadu State Branch. Every month has been packed with meaningful initiatives, both in person and online. Our State Branch continues to remain vibrant, with activities taking place every day across Tamil Nadu.

The Tri-Sea Medico-Legal Conclave at the southern tip of our State was a grand success, bringing together 400 delegates and distinguished faculty. It was a fine example of meticulous planning and excellent execution,

led by our Honorary State Secretary, Dr. Thiraviam Mohan, under the able leadership of Dr. KVK Annachi.

The following day witnessed an important milestone at the national level with the insurance meeting in New Delhi, where ten IMA members, including four from Tamil Nadu, participated and collectively voiced their opinions on crucial issues. I sincerely thank Dr. Abul Hasan for his efforts in ensuring this significant representation.

The subsequent week was equally eventful, with important constitutional discussions in Salem, the Golden Doctors Awards organised by GRT in Chennai, and the Fine Arts Finals organised by IMA Ambattur–Avadi. The dedication of the

organisers and the outstanding talent displayed by our members were truly commendable. The enthusiasm of our younger generation reaffirmed my confidence that IMA is in safe hands.

It is also with profound grief that I remember the untimely loss of Dr. M.S. Pandian, my dear well-wisher and State Asst. Secretary during my tenure as Honorary State Secretary. My heartfelt condolences to his bereaved family.

Our subsequent visits to Madurai, Pattukkottai, Erode, and Gobichettipalayam reflected the strength of our organisation. From the echocardiography camp in Madurai to the family get-together at Pattukkottai, the National Hospital Board meeting at Erode, and our administrative visit to Gobichettipalayam, each engagement demonstrated the dedication, unity, and hospitality of our members. I sincerely

appreciate all the organisers, office bearers, senior leaders, and sponsors who made these programmes successful.

A particularly inspiring moment was my visit to IMA Batlagundu on 15 October 2026. The branch contributed ¹ 65,000 towards the IMA National Headquarters Building Fund. With a membership strength of 65, this contribution represents 100% participation in the membership-linked contribution initiative.

IMA Batlagundu has set an inspiring example for the entire State. I congratulate the President, Secretary, office bearers, and every member of the branch for this remarkable gesture. I appeal to all our branches to draw inspiration from Batlagundu and come forward with the same spirit of unity and commitment towards strengthening our National Headquarters.

As we approach the final two months of this presidential year, let us continue to work together with renewed enthusiasm, mutual respect, and a shared commitment to the progress of IMA Tamil Nadu.

Together, let us make our State Branch stronger, more vibrant, and more united.

With warm regards,

- Dr. B. SRIDHAR

IMA State President

STATE SECRETARY'S Desk Report

Dr. M. THIRAVIAM MOHAN

Hony. State Secretary
Mobile : 94421 23649
thiraviammohanima@gmail.com

Dear Esteemed Seniors, Respected Office Bearers and Dear IMA Colleagues,

Greetings from IMA Tamil Nadu State Branch!

The past few weeks have been marked by significant academic initiatives, organisational engagements, professional development programmes and community service activities. As Honorary State Secretary, it gives me immense pleasure to share these highlights, reflecting the dedication, unity and collective efforts of our State leadership, branch office bearers, committee members and the entire IMA fraternity.

TRI-SEA MEDICO-LEGAL CONCLAVE – NAGERCOIL

20 September 2026

The Tri-Sea Medico-Legal Conclave, held at Nagercoil, was one of the major highlights of our recent activities. Under the able chairmanship of **Dr. K. Vijayakumar**, and with the guidance and support of our State President, **Dr. B. Sridhar**, Chairman of PPLSSS **Dr. J. Senthil Kumar**, PPLSSS Secretary **Dr. Chandrasekar**, State Finance Secretary **Dr. D. Solomon Jeya**, IAC Chairman **FSS Dr. A. Dunston Ramesh**, and the entire organising team, the conclave was conducted with remarkable success.

The wholehearted cooperation of the Presidents, Secretaries and members of IMA Kanyakumari, Marthandam, Nagercoil and Kanyakumari Medical College Branches played a vital role in making this event a memorable one.

With more than **400 delegates** in attendance, the conclave featured highly informative academic sessions and received widespread appreciation for its quality, relevance and excellent organisation.

We were honoured by the presence of our Chief Guest, **Mr. Mahendrakumar Bajpai, Director, Institute of Medicine and Law, Mumbai.**

My special appreciation goes to **Dr. T.N. Ravisankar, Past President**, for his valuable guidance and for bringing out an informative and well-presented **E-Magazine** documenting the conclave.

I remain deeply grateful to **Dr. K. Vijayakumar** for his constant guidance, encouragement and leadership. The success of this conclave stands as a testament to the power of teamwork, meticulous planning and collective commitment.

22 September 2026 | Organ Donation Webinar

An online meeting on organ donation was conducted to strengthen awareness of this noble cause and reinforce the importance of promoting organ donation among healthcare professionals and the public. Such initiatives reflect IMA's continuing commitment to saving lives and serving humanity.

24 September 2026 | IMA TNSB AMS Wing – STEMRECON

The IMA TNSB AMS Wing, in association with IMA Pollachi, organised an excellent online academic programme on *Cell Therapy for Osteoarthritis*. The programme featured distinguished speakers and advanced medical content, providing valuable insights into emerging therapeutic approaches.

My sincere appreciation to the AMS team, the faculty and IMA Pollachi for delivering a scientifically enriching and professionally rewarding programme.

29 September 2026 | Academic Committee Meeting

The Academic Committee conducted an online meeting focusing on *Clinical Hematology*. I thank the entire team, particularly Chairman **Dr. M. Ashraf** and Convener **Dr. Thirupathy**, for their valuable contributions and continued efforts to strengthen the academic activities of our State Branch.

5 October 2026 | IMA Tamil Nadu State Academic Council (IMA-TNSAC)

A meeting of the IMA Tamil Nadu State Academic Council was held to discuss and finalise its organisational structure and team. This is an important initiative to strengthen academic coordination, promote continuing medical education and create structured learning opportunities for our members.

I am confident that IMA-TNSAC will emerge as a valuable platform for academic excellence, professional development and the dissemination of contemporary medical knowledge.

26 September 2026 | Constitution Committee Meeting, Salem

An important Constitution Committee meeting was held at Salem under the leadership of **Dr. K. Prakasam**. The discussions focused on significant organisational and constitutional matters that will help strengthen the governance and future direction of our Association.

Later that evening, I attended the **Medverse Hospital Growth Summit 2026** at Salem, which provided an opportunity to engage with developments in hospital growth, healthcare management and institutional advancement.

27 September 2026 | GRT Golden Doctors' Day Awards

The GRT Golden Doctors' Day Awards programme was organised in collaboration with IMA Tamil Nadu State Branch to recognise and honour deserving members of the medical fraternity.

I extend my appreciation to our State President, **Dr. B. Sridhar**, and **Dr. Raju Sivasamy**, Director, **SIMS Hospital**, for their participation in honouring the awardees. Special thanks to **Dr. K. Shaktesh of IMA Tambaram** for his valuable support and contribution to the selection of the Doctors' Day awardees.

Recognising the dedication and service of our colleagues is an important way of celebrating the values and commitment that define our profession.

1 October 2026 | 10th IMA Connect Meeting

The 10th IMA Connect meeting provided another valuable opportunity for interaction, coordination and the exchange of ideas among our professional colleagues. These regular engagements help strengthen communication and foster a more connected and vibrant IMA community.

11 October 2026 | West Zone Nursing Home Board and Management Committee Meetings, Erode

The West Zone Nursing Home Board meeting and Management Committee meeting were held at Erode. Both meetings were well organised, well attended and informative, with meaningful deliberations on issues concerning our profession and healthcare institutions.

My sincere thanks to the IMA Erode team, particularly **Dr. Aravind Kumar**, **Dr. Gowri Sankar** and **Dr. Naveen Kumar**, along with the office bearers of the IMA Nursing Home Board, for their excellent coordination and hospitality.

Gobichettipalayam Branch Visit | Organisational Support

I also visited the Gobichettipalayam Branch along with our State President, **Dr. B. Sridhar**, Immediate Past President **Dr. Senguttuvan**, and President-Elect **Dr. Ravikumar**, to facilitate discussions and help address the ongoing trust-related issues.

Supporting our branches, resolving organisational challenges through dialogue and ensuring unity within the Association remain important responsibilities of the State leadership. We will continue to extend the necessary guidance and support to our branches in the larger interest of IMA.

10 October 2026 | West Zone Conclave – Valedictory Session

I attended the valedictory session of the West Zone Conclave organised by the IMA Medical

Students' Network (MSN) and Junior Doctors' Network (JDN), Salem, in hybrid mode, with participation through Zoom.

I congratulate the organisers for their efforts in creating a meaningful platform for young doctors and medical students. My special appreciation to **Dr. Rajesh D. Sengodan, President, IMA Salem**, for his leadership and support in making the programme successful.

13 October 2026 | Webinar on Artificial Intelligence in Medicine

An online meeting of the MSN and JDN was conducted on the timely and important topic of *Artificial Intelligence in Medicine*.

As AI increasingly influences diagnosis, clinical decision-making and patient care, it is essential that medical students and young doctors understand these technologies and learn to adopt them responsibly. I appreciate the teams for their initiative in addressing this rapidly evolving area of medicine.

12 October 2026 | Sports Committee Meeting

An online Sports Committee meeting was held to discuss and finalise arrangements for the forthcoming sports meet.

I thank the committee members for their planning and efforts to promote sportsmanship, teamwork, fellowship and a healthy professional community. Beyond clinical practice and academic pursuits, such activities play an important role in strengthening the bonds among our members.

17 October 2026 | Coimbatore

It was a privilege to visit Coimbatore, along with our State President, **Dr. B. Sridhar**, and President-Elect **Dr. A.K. Ravikumar**, to inaugurate the **IMA Coimbatore Eye Retrieval Centre at Ponnammal Duraiswamy Eye Hospital**. This initiative represents an important contribution to the cause of eye donation and the restoration of sight.

COMMUNITY SERVICE—AAOGAON CHALEN

I was equally delighted to participate in IMA's signature community initiative, **AAO GAON CHALEN**, at Moolaikadu village near Mungilmadaikottai, marking the inauguration of the newly constructed infrastructure facility under the village adoption programme.

This initiative exemplifies the true spirit of IMA—reaching beyond hospitals and clinics to serve rural communities, improve access to essential

facilities and make a lasting difference in people's lives.

My sincere thanks to the office bearers and members of IMA Coimbatore Branch for their dedication and excellent work. A special word of appreciation to **Dr. Anusha Koshal Ram** for her valuable contribution and commitment to this meaningful initiative.

Such programmes remind us that our responsibilities extend beyond professional practice. As doctors, we have a larger role in promoting public health, social responsibility and community welfare.

MOVING FORWARD WITH UNITY AND DETERMINATION

The activities of IMA Tamil Nadu State Branch continue to demonstrate our collective commitment to academic excellence, organisational development, professional welfare and community service.

At the same time, **we recognise that there is still much to accomplish in fulfilling the legitimate demands and aspirations of our members**. We continue to engage with the concerned authorities and stakeholders to address the challenges faced by the medical fraternity, safeguard the interests of doctors and strengthen the healthcare system.

Our efforts must remain consistent, constructive and result-oriented. Every meeting, every representation, every initiative and every branch engagement contributes to our larger mission of building a stronger and more effective IMA.

I sincerely thank our State President, **Dr. B. Sridhar**, State Finance Secretary, **Dr. D. Solomon Jeya**, our senior leaders, committee chairpersons, branch Presidents and Secretaries, office bearers and every member of IMA Tamil Nadu State Branch for their continued guidance, cooperation and support.

The strength of IMA lies in our unity, the dedication of our members and our shared commitment to the medical profession and society.

Together, let us continue to strengthen our Association, safeguard our profession, empower our members and serve society with commitment and compassion.

With warm regards and sincere appreciation,

Dr. M. Thiraviam Mohan, M.B.B.S., D.C.H.

Honorary State Secretary

STATE PRESIDENT ELECT

Dr. A.K. RAVIKUMAR

IMA State President Elect

Cell: 98422 22404

e.mail: drakrk@gmail.com

Dear Doctors,

Greetings. Happy to connect with you all this Month through TIMA. At the outset I invite you all for the forthcoming IMA TN State conference to be held on 12th and 13th of December 2026 at Coimbatore in a very serene relaxing environment Tamil Nadu Agricultural University campus which is a world-famous University spread over 450 acres. Come, Relax, Rejuvenate with your family with Knowledge, wealth, and Health Tips.

Message for this Month:

The Indian regulatory ecosystem for private healthcare has seen major policy shifts, judiciary directives, and legislative amendments designed to standardize medical costs, enhance corporate accountability, and increase consumer transparency.

Supreme Courtthe Supreme Court of India has taken aggressive strides toward dismantling arbitrary billing and pricing loops in private medical systems:

- **Medicines Margin Capping Orders:** SC in October 2026 directed Union government to formulate a uniform policy extending pricing limits to all essential medicines and medical products to prevent hospitals from forcing patients to purchase highly inflated in-house drugs. The bench proposed a uniform rule limiting the Maximum Retail Price (MRP) to a maximum of 16% over the Price to Retailer (PTR) ie Landing cost.
- **Uniform Healthcare Rate Rule Defense:** August 2026, the Central Government officially defended the constitutional validity of its uniform healthcare rate rule before the Supreme Court under the Clinical Establishments Rules. This framework mandates that private hospitals charge within the government-standardized rate band, and heavily targeted at standardizing treatment procedures protocols across both government and private infrastructures.
- **Strict Economically Weaker Section [EWS] Quotas Implementation:** The Supreme Court ordered strict Standard Operating Procedures (SOPs) forcing private hospitals that acquired subsidized government land to reserve 10% of Inpatient Department (IPD) beds and 25% of Outpatient Department (OPD) services completely free of cost for Economically Weaker Sections (EWS).

National Medical Commission (NMC) issued highly structured public notices modifying healthcare standards:

- **Ethical Advertising and Public Communication Guidelines (October 2026):** NMC released rigid protocols and guidelines targeting private practitioners and private medical colleges

forcing a strict ban on “guaranteed treatment outcomes,” deceptive patient endorsements via digital platforms, or AI-generated diagnostic claims designed to lure consumers commercially.

- **Mandatory Patient Safety Committees:** Coinciding with federal directives, medical institutes and private attached entities are ordered to implement localized Patient Safety Committees/ Cells to formalize error reporting, prevent systemic negligence, and stabilize clinical risk.

Parliamentary Committee Recommendations In August 2026, a Parliamentary Standing Committee has recommended several reforms for Health Care delivery in India. Many of such recommendations have targeted Private Health Care systems regulation.

- **Hospital Bill Overhaul Proposals:** Parliamentary Standing Committee recommended a comprehensive billing overhaul. Key takeaways included bench-marking private hospital room rents against standard 3-star hotel rates, demanding a singular published price list for diagnostic procedures (like MRIs/CT scans), and requiring private equity acquisitions over 51% in hospitals to undergo rigorous checkups to avoid monopolistic healthcare practices. In this current scenario private healthcare facilitators and administrative compliance teams, feel many of these regulations are not considered practically or financially or feasible in their current form. Directives from the Supreme Court, statutory amendments via the Jan Vishwas Act, and stricter enforcement guidelines from the National Medical Commission (NMC) have converged to heavily target the economic and operational autonomy of private healthcare delivery ecosystems. Health care delivery cannot be compared with any other industry for the complexities involved in handling Human life and the basic phenomenon of no two human beings are alike and their response is not the same for same disease or situation and outcomes of the treatment differ. With this background we shall analyses where we are and what next.

Uniform Treatment Rates under Clinical Establishments Rules:

2. National Regulatory Risk Matrix

Regulatory Domain	Financial Impact	Operational Feasibility	Risk Status
Uniform Treatment Rates (Clinical Establishments Rules)	CRITICAL RISK: Compulsory standardization eliminates premium pricing power and structural cross-subsidization mechanisms.	LOW FEASIBILITY: Disregards localized real estate variations and premium infrastructure equipment investments.	CRITICAL
Pharmacy Capping (30% Trade Margin Limit / 16% PTR)	HIGH RISK: Squeezes downstream pharmacy retail margins traditionally used to subsidize unviable tertiary operations.	MEDIUM FEASIBILITY: Disrupts hospital supply-chain arrangements and mandatory in-house procurement policies.	HIGH RISK
EWS Quota Mandate (10% IPD / 25% OPD Beds)	HIGH RISK: Complete absorption of drug and procedural overheads for EWS allocations without state reimbursement guarantees.	LOW FEASIBILITY: Imposes high administrative burdens for real-time identification and income certificate auditing.	HIGH RISK
NMC Advertising Bans (No outcome guarantees/AI claims)	LOW RISK: Minimal direct capital losses but reduces commercial inbound acquisition channels.	MEDIUM FEASIBILITY: Mandates sweeping overhauls of digital PR assets, website content, and reviews.	MODERATE

- **Financial Impracticality:** Centralized price bands fail to account for capital-intensive technologies (e.g., specialized surgical, diagnostic equipment's, robotic workflows, transplant setups) or localized real estate costs in Tier-1 metro areas., etc. Compliance and finance structures must pivot to **Activity-Based Costing (ABC)** models. Break down standard clinical pathways into individual unbundled technical components to safeguard non-regulated operational services and ancillary item billing which IMA has designed.

Capped Pharmaceutical & Medical Device Trade Margins:

- **The Operational Squeeze:** With margins capped at a maximum of 16% over the Price to Retailer (PTR) for core drug groups, clinical facilitators lose the retail buffer that keeps capital upgrades viable. Expired drugs, short expiry drugs, maintenance of vaccines, cold chain maintenance, pilferages etc., gets compensated with the margins only. These measures will ultimately affect the consumers by way of non-availability of drugs, pharmacies shifting to generic drugs, having restricted brands etc. Hospital procurement teams must by pass regional distributor layers to enter direct bulk supply frameworks with primary pharmaceutical developers. Transition from a profit-center retail pharmacy setup to value-driven volume sourcing, operating cost reduction are the only solutions.

Strict Mandated EWS Quotas Implementation:

- **Logistical Bottlenecks:** Compulsory zero-cost infrastructure allocations to EWS groups create long waittimes, operational verification vulnerabilities, and immediate margin drag without state subsidies. Such EWS mandates can be facilitated to medium steps instead of larger set ups on 1 acre spread out institutions which even with the subsidy by govt cannot meet out break even. Stand up a dedicated EWS Administrative Tracking Desk equipped with automated verification links to state welfare systems. Document uncompensated care delivery trends clearly to prepare for statutory tax deductions.

NMC Digital Advertising & Ethical Communication Code:

- **Communication Bottlenecks:** Stricter guidelines completely ban digital patient testimonials, absolute clinical cure guarantees, and unverified AI diagnostic branding elements across social networks. Stricter guidelines in the current state of faster technological advancements, increasing specialties, spreading out of facilities penetrating into Rural, Urban, Metro cities need digital awareness to be created to public that such facilities are available at their door steps.

- Of course, the ethical principles of marketing is a must without affecting the privacy and

confidentiality of patients and false propagandas. Form an internal Medical Communications Review Board (MCRB). Systematically screen all public facing digital media, remove informal treatment guarantees, and transition PR efforts toward pure academic and provider credentials. Recommended Action Items for Hospital

IMA team with IRDAI Chairman at Delhi

Management Boards Conduct an Exhaustive Pricing Audit: Run an item-by-item structural audit mapping current care package rates against the government's standard reference price caps. IMA has done costing template which will help any institution to work out their break-even Fixed cost like Room charges, ICU charges, OT charges, Ventilator charges etc etc. The Template is getting converted to a software and will be available for members shortly

Redesign Supply Chain Agreements: Recalculate margins and revise procurement agreements for medical devices and oncology therapies to adapt to the 30% margin limit framework.

Deploy Rigorous Internal Legal Governance: Retrain corporate branding teams, digital consultants, and clinicians on the updated NMC advertising restrictions to completely avoid regulatory action. Local practitioners, consultants join together and execute Group Practice Believe - IMA is the Parent Body and Political Front of all Health Care Professionals.

Join Together Follow IMA Instructions and Guidance We will win.

“Forget mistakes, forget failures,
forget everything, except what you’re going to do now
and do it. Today is your lucky day.” - Will Durant

Warm Greetings to all Esteemed Members of IMA TNSB!

It gives me immense pleasure to connect with you once again through the pages of TIMA.

I am delighted to share that all wings and schemes of our association are functioning remarkably well, continuing to deliver exceptional value, protection, and security to our members. However, as we strive to strengthen our collective voice and leadership, we must focus on a crucial area: our membership growth has recently witnessed a slowdown.

I earnestly request every branch leader and member to actively initiate enrollment drives and welcome young doctors and non-member colleagues into our fold. A larger, united membership base is essential for maintaining a financially robust and influential association.

Our College of General Practitioners (CGP), Academy of Medical Sciences (AMS), Academic Committees and MSN & JDN are gearing up to roll out online and offline CMEs in full swing. This initiative will empower our member doctors to seamlessly update their clinical knowledge and earn mandatory CME credit points without administrative hurdles. I strongly encourage everyone to utilize these platforms to the fullest extent.

**IMA
MEMBERSHIP
FEES**
w.e.f. - 01.10.2026

LIFE SINGLE - Rs. 18,250 + 3,285 (GST 18%) = Rs. 21,535/-

With the National Medical Commission (NMC) enforcing stringent regulations regarding medical advertising, social media presence, and hospital branding, safeguarding our professional integrity and legal standing is paramount.

I urge all members and hospital administrators to strictly adhere to our Doctor's Digital Safety Checklist: ensure all online content aligns with NMC ethics, avoid commercial ads or guaranteed treatment claims, protect patient privacy by obtaining verifiable consent before sharing any clinical media, display transparent credentials with registration details, and carefully monitor hospital branding to conform to regulatory publicity rules.

Let us join hands to expand our membership, pursue academic excellence, uphold strict regulatory compliance, and keep IMA TNSB financially vibrant and strong. **Long Live IMA!**

With regards

Dr. D. SOLOMON JEYA

INDIAN MEDICAL ASSOCIATION TAMILNADU STATE

AWARDS - 2026

For the Family Physician • For a Healthier Society

Better Learning. Better Practice. Better Patient Care.

A monthly update on CGP learning opportunities, clinical education and recent activities.

Message from the CGP Wing

The IMA TNSB College of General Practitioners continues to strengthen practical, lifelong learning for family physicians through structured fellowship programmes, scientific meetings and clinically relevant CME activities. This issue highlights the September geriatric-care CME and the fellowship learning pathways available through the CGP Wing.

Featured Recap • September CME

Geriatric Care for General Practitioners

Theme: Practical insights for better patient care | Format: Online CME via Zoom | Credit: 0.5 TNMC credit hours indicated on the event poster.

- Polypharmacy and deprescribing —
Dr. Benny Paul Wilson, MD, MRCP
- Approach to cognitive loss —
Dr. A. Reuben Jerrald Felix, MD
- Urinary incontinence —
Dr. Joanne Lydia Rajkumar, MD
- Preventive geriatrics — Dr. Gopinath KG, MD, FRACP, ClinDipPallMed

Key practice takeaways

- Review medication burden and deprescribe where clinically appropriate.
- Recognise cognitive decline early and assess potentially reversible contributors.
- Ask sensitively about urinary symptoms and offer structured evaluation.
- Prioritise prevention, function, mobility and healthy ageing in routine consultations.

CGP Fellowship & Course Directory

The following course areas have been announced or documented by the IMA TNSB CGP Wing. Confirm the current intake, eligibility, schedule, fees and application link with the CGP Wing before circulation.

Course	Learning focus
Fellowship Course in Diabetology (FCD)	Structured learning in diabetes assessment, treatment and long-term complication prevention.
Fellowship Course in Respiratory Disease (FCRD)	Practical approach to common respiratory disorders and ongoing care.
Fellowship Course in Infectious Disease & Infection Control (FCID)	Clinical infectious disease updates and infection-prevention practice.
Fellowship Course in Diabetic Foot Care Management (FCDFC)	Risk assessment, foot examination, ulcer prevention and referral pathways.
Fellowship Course in Office Practice, Neurology & Emergency (FCOPNE)	Common neurological presentations and emergency decision-making in office practice.
Probable additional CGP course areas planned	Sexual Medicine / Reproductive Medicine. Practical cardiology / Geriatric care / Lifestyle medicine and longevity etc with approval from the academic wing of IMA TNSB

Why CGP Membership Matters

- Continuing professional development through educational activities and clinically relevant updates.
- Peer learning and connection with colleagues and faculty across Tamil Nadu.
- Structured fellowship pathways in priority primary-care areas.
- Local academic engagement through CMEs, conferences and sub-faculty activities.

Course Enquiries & CGP Activities

For the latest batch announcements, enrollment instructions, membership information and upcoming CME notices, use the official IMA TNSB / CGP Wing communication whatsapp groups.

Together for a healthier society — empowering the family physician.

Team CGP IMA TNSB,

Message for TIMA: Oct 2026

Thenew academic year 2026-27 has begun since 01.08.2026. The admission is allowed till 31st October 2026, no admission is allowed beyond the given date. The Institutions newly registered with IMA Paramedical Wing has to expedite the accreditation process, so as to admit the students by the due date.

Similarly, the institutions which are due for renewal are to apply immediately. No institute is allowed to enroll the students without proper accreditation/Renewal.

The Term plan for the Paramedical program is already placed in the website-imatnparamedical.com. The institutes are to follow the Term plan and conduct the program. Training materials are available with us, on receipt of the admission forms, the text books are sent to the institutions.

The supplementary exam to the students who were absent/failed in the final exam held in June 2026, will be held from 26th to 28th Oct 2026 in a limited common exam center, the Institutions are requested to cope up with the arrangements.

The regular online classes are going on every Thursday from 1PM to 2 PM. The experienced faculties are taking classes; the Institutions are making use of this arrangement. Make Audio/Video arrangement to the students to watch the online class. There is a new development that there are few Doctors who come forward to take online classes, the Paramedical Wing thank them. We request the Doctors who are interested to take class to the Students on Thursday 1 PM to 2 PM are welcome, we appreciate your interest. The following are the classes held online since 10-9-2026, IMA TNSB Paramedical Wing Congratulate and thank the faculties who took the classes.

S. No.	DATE	TOPIC	TAKEN BY
1	10.09.2026	Oxygen Administration	Mrs. Monica, Paramedical Coordinator, IMA TNSB Paramedical Wing
2	17.09.2026	Staining methods and Aseptic techniques	Mrs. Nirmala, Kauvery Hospital & RCME Community College, Chennai.
3	24.09.2026	Cancer and Management.	Mrs. Nagalakshmi, Lakshmana Institute of Paramedical Science, Pykara, Madurai.
4	01.10.2026	Anatomy of Nervous System	Mrs. Amrisha, Arathana Institute of Paramedical Science, Pollachi.
5	08.10.2026	Vascular access for Hemodialysis	Mrs. Gomathy, NTC Hospital, Madurai.
6	15.10.2026	Obstetric Procedure	Mrs. Lallimol, Nattathi Nadar Inst. of Allied Health Science, Theni

IMA TNSB Paramedical wing is taking all the efforts to improve the quality of the training and requesting the Doctors/Institutions to support the endeavor.

Advancing Medical Education Through Innovation, Collaboration & Excellence

SEPTEMBER 2026 – MONTH AT A GLANCE

The Academy of Medical Specialities (AMS Wing), IMA Tamil Nadu State Branch, continued its academic initiatives in September 2026 with STEMRECON, an online Continuing Medical Education programme exploring advances, evidence and future perspectives in cell therapy for osteoarthritis and related therapeutic applications. Hosted by IMA Pollachi Branch, the CME drew an attendance of more than 350 participants.

PROGRAMME HIGHLIGHT – STEMRECON CME

Theme: Cell Therapy for Osteoarthritis – Advances, Evidence & Future Perspectives

Date: 24 September 2026 | Time: 8:00 PM – 10:00 PM

Host: IMA Pollachi Branch | Mode: Hybrid mode

Attendance: 450+ | TNMC Credit: 0.5 Credit Hour (eligible, as advertised)

The programme brought together faculty from orthopaedics, dermatology and plastic surgery to discuss emerging cellular therapies, growth factors and hyperbaric oxygen therapy. Sessions focused on the current evidence and clinical considerations in these areas.

SCIENTIFIC SESSIONS

- Indian CDSCO Approved Cellular Therapies – Dr. V. R. Ravi, MS (Orthopaedics)
- Growth Factors in Dermatology – Dr. S. V. Sarvajit, MD
- HBOT in Burns and Ulcer – Prof. Dr. Pradeeth K. M., MS, MCh (Plastic Surgery)

ACADEMIC IMPACT – SEPTEMBER 2026

With over 450 attendees, with 350 online attendees STEMRECON provided a multidisciplinary platform to discuss developing treatment modalities and the evidence surrounding their use. The programme reflected the AMS Wing's continuing commitment to clinically relevant Continuing Medical Education across Tamil Nadu.

NATIONAL RECOGNITION & AWARDS – 2026

IMA AMS Tamil Nadu State received the Membership Enrollment Award, while Dr. D. Senthil Kumar, Secretary, IMA TNSB AMS, received the Secretary's Appreciation Award at IMA AMSCON 2026. These recognitions acknowledge the Wing's membership and organisational contributions.

UPCOMING PROGRAMME – OCTOBER 2026

AMS Zonal Conference – Salem

Date: Friday, 30 October 2026 | Time: 8:30 AM – 3:30 PM

Venue: PMSSY Hall, GMKMC Hospital, Salem

The forthcoming AMS Zonal Conference at Salem will feature ten scientific sessions covering obstetrics, diabetology, neurology, haematology, cardiology, infectious diseases, oncology and related clinical advances. The programme schedule is as follows:

With warm regards,

Dr. T. Nirmal Fredrick, *Chairman, AMS Wing*

Dr. D. Senthil Kumar, *Secretary, AMS Wing*

Dr. Mohammed Ibrahim, *Joint Secretary, AMS Wing*

Academy of Medical Specialities (AMS Wing)

IMA Tamil Nadu State Branch

4. In CEA Clause 5a To Be Removed.
5. Government Insurance Scheme Ortho and OphthalPackage to Be Increased and Revised.

Long Live IMA.

PRIVATE HOSPITALS & NURSINGHOME BOARD IMA TNSB

Leadership goes far beyond titles and positions. It is defined by a profound commitment to service, vision, and the courage to advocate for the community. A true leader is anchored in empathy and integrity – one who listens intently, inspires collaboration, and remains a steadfast pillar of trust.

A crucial, yet often overlooked quality of leadership is time management. A good leader values time – his own and that of others. He prioritizes, delegates effectively, and balances professional duties, organizational responsibilities, and person life with discipline. Without mastering time, even the best vision falls in execution.

In medicine, this leadership takes on a nurturing, forward looking dimension. It is about protecting the most vulnerable and shaping a healthier future for the next generation. It requires a mindset that champions preventative health, mentorship, equitable care, and unwavering ethical standards. These qualities are not inborn; they are moulded through service. I can say this from my own Journey. Hailing from a humble background in a small town like Villupuram and having joined the IMA in 1972, I had the privilege of serving our association as State Secretary (1988 - 91) and State President (1994 - 95) – both times honoured as All India Best – and as a Central Working Committee Member for 13 years. If the IMA shaped my professional leadership, Lionism, which I have been part of since 1983 as a Melvin Jones Fellow and Lifetime Achievement Awardee, shaped my commitment of community service.

Organisation like the IMA and Liona Club are the true training grounds for leaders. They teach us that leadership is not about occupying a Chair, but about serving from the Chair.

It is with great pride that I present this edition of TIMA Magazine. I commend the editorial team for reflecting this very spirit of leadership and service. ●

Dear Respected Seniors and Friends, Greetings from PPLSSS!

The recently concluded Tri-Sea Medicolegal Conclave in Nagercoil on 20th September was a resounding success and exceptionally well-organized. We extend our heartfelt gratitude to the organizing committee, led by Dr. Vijayakumar, Past IMA National President, for their dedicated efforts. We also sincerely thank all the faculty members for their thorough preparation and invaluable knowledge sharing. Thanks to all the participants whose active contributions, purposeful discussions, and deliberations enriched the entire event.

I extend my sincere gratitude to the All India Ophthalmological Society (AIOS) for providing the opportunity to serve as a faculty member in the 7th episode of the AIOS Medicolegal Certification Course, conducted on September 15, 2026. The session, focusing on the topic "**Legal Toolbox and Handling a Legal Notice**," also provided an excellent platform to share the core vision of PPLSSS.

We wholeheartedly thank all our PPLSSS District Coordinators and IMA leaders for their proactive efforts in spreading the message of PPLSSS across all IMA meetings and conferences.

Critical Medico-Legal Advisory

Upon reviewing the advocate and consumer notices received over the past month, our legal cell has identified several key areas of vulnerability. Members are strongly advised to adhere strictly to the following guidelines to insulate their practice against potential litigation:

- **Robust Clinical Documentation:** Ensure meticulous documentation when treating patients. Recent evaluations revealed significant lacunae in outpatient department (OPD) documentation, particularly regarding post-operative review patients and patients requiring referral.
- **Protocol for Patient Referrals:** When referring a patient to another specialist or center, ensure a comprehensive referral note is executed. Always retain a copy of the referral note bearing a formal, written acknowledgement of receipt from either the patient or their accompanying attenders.
- **Transition to Electronic Medical Records (EMR):** Take appropriate steps at the earliest for transition from handwritten prescriptions and case sheets to Electronic Medical Records (EMR). Adopting EMR is a legal mandate under the Clinical Establishments Act,

■ Our Medico-Legal team is striving to provide the best possible assistance to members facing disputes in their professional practice. To ensure a robust, accurate, and timely defense, it is critical that members closely follow the strategies and instructions issued by our team when replying to notices from advocates or other regulatory bodies. In the event of any operational difficulties or urgent grievances in this regard, kindly contact the IMA State President, IMA State Secretary, or the PPLSSS Chairman directly.
